*General Orders by the Right Hon'ble the Governor General of India.*

*Simla, 30th September*, 1847.—The Right Honorable the Governor General having had under consideration the several Rules now in force on the subject of Orders creative of expense, issued by Officers Commanding Divisions, Districts, Stations, Forces, Corps, Detachments or Posts, His Lordship is pleased for the purpose of ensuring uniformity of practice in future, to direct as follows:

2. Whenever an Officer Commanding a Division, District, Station, Force, Corps, Detachment or Post, shall deem it necessary to issue an order directing the entertainment of any extra Establishments, or any other arrangement creative of extra expense to the State, the Commissariat or other Departmental Officer on whom compliance with such order devolves, shall, if the order would not cause any excess to what is authorized in like cases by the usages or Regulations of the service, immediately carry it into effect.

3. If such order should involve expense beyond what the usage or Regulation allows, the Departmental Officer shall at once represent the excess to the Officer issuing the order, and if on such representation the Commanding Officer considers the excess unavoidable from the nature of the exigency, the Departmental Officer will comply with the order, so that the interests of the service may not be prejudiced nor the movements of Troops retarded

4. The Officer issuing such order will in all cases submit a copy of it in duplicate to the Adjutant General of the Army, with full explanation of the circumstances under which it may have been issued, more particularly in cases where the Regulations may have been exceeded, and should the Commander in Chief see no objection, His Excellency will be pleased to forward the order for the consideration of Government, with such observations as may be deemed necessary.

5. The confirmation of such order by the Commander in Chief under the sanction of Government, will be sufficient authority for passing the charges, should the rates be unobjectionable.

GENERAL POST OFFICE, MAY 1847.

The Post Master General having been informed by the Court of Directors of the East India Company, that on and after the 1st June next, persons in this Country may forward private correspondence by the Government Express from Bombay to Calcutta and Madras, all persons desirous of availing themselves of this privilege, will be required to mark upon the covers of their letters the words "By Express from Bombay," and in addition to this special address, it will be necessary, that all letters intended to be forwarded by the way of Southampton, should be so endorsed as hitherto; the postage to be charged in India in the delivery of letters sent by this Express will be in addition to the ordinary Inland rates.

One Rupee for every letter not exceeding half a tola in weight.

Two Rupees for every letter above half a tola, but not exceeding one tola in weight.

Four Rupees for every letter above one tola, but not exceeding two tolas in weight, two tolas being the maximum weight of letters to be conveyed by Express.

On Newspapers, each Newspaper Office in Calcutta and Madras, will be allowed to receive two Newspapers at the ordinary rates of Inland postage, on all other Newspapers forwarded by Express a postage of five Rupees each will be charged, and no Newspaper will be received for the Express exceeding three tolas in weight.

N. B. One tola and a quarter is nearly equivalent to half an ounce avoirdupoise.

NOTICE.—With reference to the London Post Master General's Notification regarding the rates of postage to be charged upon Letters received from Bombay by the Government Express, which was published with a notice from this Office of yesterday's date, the following Letter since received from the Post Master General of Bombay on the subject, is also published for general information.

*No.* 966 *of* 1847.

*General Department.*

To W. TAYLER, Esquire,

*Post Master General, Calcutta.*

SIR,—Adverting to my Letter, dated the 2d instant, I have the honor to suggest for your consideration, whether it would not be advisable to publish a Notice in the Calcutta Papers, intimating to the public generally, especially the Mercantile Community, that, if they desire their Overland Letters, to be forwarded on by the Government Overland Express, they should request their Correspondents to mark "per Express," and to keep within the *limited weight of two tolas*; and that, meanwhile, until the system becomes generally known, they ought to advise me, whether they wish any of their Letters, not so marked, to be sent on from Bombay by the Express.

2d.—By the last Express I dispatched as usual a number of Overland Letters, not especially marked, because, had I not done so, great disappointment would have been experienced by parties in Calcutta; but I intend to discontinue the practice, after a sufficient time has elapsed to ad-

mit of the public becoming aware of the privilege conceded by the Notification of May issued by the London General Post Office, and to dispatch by the Overland Express those Letters only which are so marked.

3d.—The public ought moreover to be most especially warned not to mark "per Express" on letters *exceeding two tolas in weight*, because such letters cannot be so dispatched. They will invariably be detained (as was the case on the arrival of the last Mail,) for transmission by the post regular dawk, dispatched after the Express.

4th.—I shall feel much obliged by your favoring me with a list of "Newspaper Offices" in Calcutta, and by your informing the parties connected therewith that not more than two papers (whether sent out from England marked "per Express," or posted in Bombay to go by Express) will, in future, be forwarded by the Government Express. Some of the Newspaper Offices have as many as six Overland Papers marked "per Express," but, as they cannot be so forwarded, it is useless to have them so marked.

5th.—The new rule limits the weight of a Newspaper to 3 *tolas*, but, if that were acted up to, the Newspaper Offices would be deprived altogether of the privilege conceded by the Notification of May last, as an Overland Paper invariably weighs more than 3 and generally very nearly 6 tolas. I have therefore determined to send two Overland Papers to each Office, *without reference to that limit*, and shall continue the practice until I receive orders to the contrary from Government or the Home Authorities.

I have, &c.,

By order of the Superintendent of Marine,

J. WOODLEY,
*Clerk of the Govt. Boat Office.*

*Steam Department, the 13th October*, 1847.

No. 4130.

## STEAM TO DACCA AND GOWAHUTTEE IN ASSAM.

GOVERNMENT having decided on opening a Steam Communication with Gowahuttee in Assam *viâ* Dacca and Serajgunge, notice is hereby given, that the first boats for this line, a Steamer and a Flat, will be despatched on the 13th Proximo; and the communication be continued Monthly for THREE YEARS.

The following Regulations and Rates of Charge for accommodation of Passengers, and conveyance of Goods on the Government Boats employed in the above Navigation, are published for general information:

*Of Passage.*

All applications for Passage on the Government Boats proceeding to Dacca and Assam, must be made at the Boat Office in Calcutta, and all applications for Cabins on the Boats returning from Assam, must be made to the Steam Boat Agent at the nearest place to that of embarkation.

The distance between Calcutta and Gowahuttee is assumed to be 600 miles, and the distance from Calcutta to the different Stations as follows:

| | | |
|---|---|---|
| Burrisaul,..... | 200 | Miles. |
| Dacca,..... | 300 | „ |
| Seraj Gunge,..... | 400 | „ |
| Dewan Gunge,..... | 450 | „ |
| Bugwah,..... | 500 | „ |
| Gowalpara,..... | 550 | „ |
| Gowahuttee,..... | 600 | „ |

An Accommodation or a Cargo Boat will be employed in this line, as far as Dacca, the Steamer only going on to Gowahuttee until the demand for freight to and from places above Dacca is more than a Steamer can supply. In the first there are 3 classes of Cabins, but there will be no distinction in the charge, and the preference in the selection will be given to those who engage for the longest distances or otherwise, according to priority of application.

To Burrisaul or Dacca the charge will be Seventy-five Rupees, to Gowahuttee One Hundred and Fifty Rupees, or at the rate of Twenty-five Rupees for every 100 miles, of the estimated distance according to which the passage for intermediate distances will be rated.

One Servant is allowed to each Cabin occupied by one person, but if a Cabin be occupied by more than one person, an additional charge will be made of Nine Rupees, which will entitle the Cabin to a second Servant. All other extra Servants will be considered as Deck Passengers, the charge for which will be half an Anna per mile, or Eighteen Rupees Twelve Annas from Calcutta to Gowahuttee; Deck Passengers will pay Eighteen Rupees to Gowahuttee, or half an Anna a mile for any shorter distance.

The charge for passage on return voyages will be the same as above.

Passengers are allowed to carry such Baggage and Cabin Furniture within their Cabins as is necessary for the voyage; and this may include a Piano if required for use during the voyage and not in a packing case: but Pianos in packing cases and all other packages, as cases of Millinery, Saddlery, Glass and Earthen-ware, Beer and Wines, and other Stores, will be stowed in another part of the vessel; and to the extent of half a ton, or 25 cubic feet, be charged for at half the established rate of Freight; all in excess of half a ton will be charged at the full rate of Freight.

Deck Passengers are allowed one Roll of Bedding 2 feet wide, and a box of six cubic feet solid contents.

A Table is provided by the Commander at Four Rupees per Diem for each person, exclusive of Wines and Beer, which if provided by the Commander, are charged at regulated prices, of which a list is exhibited in the Dining Room, and all Refreshments required between the regular meals of Breakfast at ½ past 8, Biscuit, &c. at noon, Dinner at 3 P. M., and Tea and Coffee in the evening. Persons who provide their own Wines, will pay 3 annas for each cork drawn.

Children who do not come to the Table are provided at One Rupee per day, the same charge is made for Christian Servants.

Mussulman Servants may feed with the Crew, paying a rate of Two Annas per day. Hindoos must provide their own food.

The Passage Money, and a deposit of Four Rupees per day for the estimated term of the voyage, must be paid on engaging a passage, and any surplus of Table Money will be returned, or an additional charge be made by the Commander, as the voyage may fall short of or exceed the time for which the deposit was calculated. Half the Passage Money, and half the Table Money become forfeit by persons who relinquish a passage after having engaged it.

The despatch of Boats will be duly advertized, and if any change in the Boats occurs, Accommodation or Freight engaged for the one advertized, will be assigned on the one substituted.

### *Of Freight.*

All Goods intended for shipment on the Government Boats must be sent to the Boat Office, in Church Lane, Calcutta, between the hours of Ten and Four, Sundays, Christmas Days, and Good Fridays excepted.

Goods will not be received for shipment unless they be addressed to a resident at the place at which they are to be delivered from the Boats. The direction must be marked on something not liable to be destroyed by vermin, and from which it may not easily be obliterated. A direction written on a card or marked with ink on a tin box, would be liable to the above objection.

The Boat Office will not be responsible for any damage or loss that may be occasioned by accident to the vessel or other cause whatever, not traceable to negligence or mismanagement of those belonging to the vessel.

All Goods sent to the Boat Office must be accompanied by a note, with suitable direction for the guidance of the Officers of the Department.

Goods not applied for on board the Boat by the Consignee, will be carried on and charged with additional freight, unless addressed to the Steam Agent, in which case they will be delivered to him. It must be understood, however, that although all persons are at liberty to consign their goods to the Steam Agent of the stations at which they are to be landed, *the Government is not responsible for such Steam Agent, or for the safety of the goods after the delivery of the same to the Consignee or to his order, whether such Consignee be the Steam Agent or any other person.* Goods intended for the final station, if not applied for within 24 hours after the Boat's arrival there, will be delivered to the Steam Agent at the risk of the shipper.

Freight on all Packages, excepting Treasure laden in Calcutta, or for which tonnage is reserved in Calcutta, and which do not exceed in weight 35lbs. per cubic foot, will be charged by the cubic foot.

Packages exceeding thirty-five pounds, or 17½ seers per cubic foot, will be charged by the weight.

*From Calcutta,*

| | *Per Foot.* | *Per Seer.** |
|---|---|---|
| To Burrisaul,..... | 8 Ans. | 6 Pie. |

| „ Seraj Gunge, ..... | 12 Ans. | 9 Pie. |
| „ Dewangunge, ..... | | |
| „ Bugwah, ..... | | |
| „ Gowalpara, ..... | 1 R. | 12 Pie. |
| „ Gowahuttee,..... | | |

For intermediate distances upwards for Goods not shipped in Calcutta, 3 annas per foot, and 2 pie per seer or 1 pie per pound, will be charged for every 100 miles.

The charge for Freight downwards will be 6 annas per maund for all distances above Dacca; articles weighing less than 35 lbs. or 17½ seers per cubic foot, to be charged by measurement at 4 annas per foot. From Dacca and places near Calcutta, 5 annas per maund, 2½ annas per foot.

### *Dispatch of Boats, and probable dates of Arrival at different Places.*

It is intended that the Boats shall leave Calcutta the 13th of every month, except when the 13th falls on a Sunday, when they will be dispatched on the 12th. The following is the estimated time the Boats will take, and the date on which they will probably arrive at the different Stations up and down, leaving Calcutta on the 13th to get back there, by the 9th the boats will reach—

| | *Up.* | *Down.* |
|---|---|---|
| Burrisaul,..... | 17th | 5th |

| Bugwah, ..... | 23rd | 30th |
| Gawalpara, ..... ..... | 24th | 29th |
| Gowahuttee,..... | 25th leaves | 28th |

### *Freight on Carriages.*

| | | | |

To any distance from Calcutta, but if carried intermediately at two pie per lb. from Station to Station, both upward and downward, calculating on the average weight.

| | *Calculated at* |
|---|---|
| Weight of a Carriage, Barouche, or Landaulet, ..... | 2500 lbs. |
| Britzka, Palankeen Carriage, or Phæton, ..... | 2000 „ |
| Buggy, ..... ..... | 1000 „ |
| Palankeen, ..... | 480 „ |
| Tonjon, ... ..... | 336 „ |

### *Freight on Cattle.*

| | | |
|---|---|---|
| Horses,..... | 48† | If carried intermediately at 12 Rs. each from Station to Station. |
| Bulls, Cows, &c., | 48† | |
| Sheep or Dogs, Goats, ..... | 8† | If ditto at Rs. 2 ditto. |

* Goods will be charged by European or native weights, as they are entered in the Controller's or in the Steam Agent's Office; the charge per lb. will be half that per seer.

† Exclusive of the Groom or Keeper, who is to be considered a Deck Passenger, and charged as such according to the usual rate. The Shippers are to supply the food, and be at the expence of making the Stalls.

If brought down to the Presidency are charged 2-3rd of the upward freight.

*Freight on Treasure.*

To Burrisaul or Dacca,..... ¼ per cent.
To any distance beyond, ..... ⅓d ditto.

Intermediate ditto Two Pie per mile per thousand.

Freight on Copper Coins will be charged by the weight at 8 Pie per lb. from Calcutta—and down and intermediately, the same as on weighable Goods.

Treasure is deliverable to the Bill of Lading only, and parties neglecting to apply for Treasure will be subjected to additional Freight for the distance it may become necessary to carry it in consequence of their negligence.

Applications for Freight on the Vessel downward must be made to the Steam Boat Agent at Gowahuttee or Seraj Gunge, or at the nearest Station, by letter, describing the Goods to be despatched, their weight and measurement.

The Steam Agent will in reply, name the Boat in which he assigns tonnage, and if from any cause, as damage to the Boat, deviation from her intended voyage on unexpected demand on account of Government, a circumstance likely seldom to occur, the tonnage should be rendered non-available, the party for whom such tonnage has been registered must bear the inconvenience, and he will have no claim for indemnification by assignment of Freight in another Vessel to the detriment of any other person who may have engaged tonnage subsequently to the disappointed party, whose right to tonnage will be limited to such as may be available in the Vessel previously named, but in that Vessel, the claim to such tonnage as may remain available will be acknowledged according to priority of application. Thus the entire tonnage of a Boat may have been assigned in rotation by the Steam Agent to A. B. and C., after which the Government unexpectedly make a demand for more or less, the remaining portion will go to satisfy the claim of A. then of B. &c. The latter applications being thrown out partially or wholly, as the case may be.

The Agent will be instructed to acknowledge the applications made to him for tonnage in the following terms:—"Sir, in reply to your letter of the I beg to say tonnage for chests of Indigo and maunds of Sugar is assigned to you on the Registered No. of application."

The Agent is instructed to keep a correct Register of daily assignments, and to transmit a copy daily to the Controller of Steam Vessels.

The Boats will make the following stoppages, at different stations, during daylight:

| | | |
|---|---|---|
| At Burrisaul, . . . | 3 | hours. |
| „ Dacca, . . . . | 4 | ditto. |
| „ Seraj Gunge, . . . | 4 | ditto. |
| „ Dewan Gunge, . . . | 3 | ditto. |
| „ Bugwah, . . . . | 3 | ditto. |
| „ Gowalpara, . . . . | 3 | ditto. |
| „ Gowahuttee, . . . . | 48 | ditto, clear. |

Should Freight not be ready for shipment on the arrival of the Boat at the several stations, the Commander of the Steamer will have peremptory orders to proceed to the next Station.

Treasure laden on a Boat whose progress is arrested, will be retained on board until the Boat is enabled to proceed to her destination, unless the Consignees holding the Bill of Lading of such Treasure may require its delivery, giving a full acquittance for the Treasure, and receiving such difference of Freight as may have been paid in excess of what would have been charged for conveyance of such Treasure to the place of its delivery.

The Steam Agents at the different Stations make no charge for landing Goods from the Boats into their Godowns; nor for shipping Goods delivered into their Godowns, provided such Goods are not merchandise, intended for traffick, nor animals nor machines for conveyance; for all such they will charge the following rates:

For embarking or landing a Horse, Cow or Bull, Rs. 2.

Freight must be paid to the Agent or Commander of the Boat for all Goods shipped away from Calcutta, and not deliverable at Calcutta. And no Packages will be received into the Boat Office for transmission on which Freight is not paid at the time.

By Order of the Superintendent of Marine,

JAS. SUTHERLAND,
*Secretary.*

### CONDITIONS OF SALE.

1st.—The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2d —The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price; except under the circumstances for which provision is made by Clause 12th of the Conditions of Sale.

3d.—The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M; but if at that hour any of the lots advertized for Sale shall remain unsold, the Sale may at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a public Heliday) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of; or, if the quantity of 2,610 Chests shall not be sold on the day advertized, the Board may dispose of the Lots which remain on hand at a future Sale.

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 25 per Cent. even money of the amount for which each lot is knocked down, shall be made by the purchaser in the Sale Room, and before the lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the Purchasers at this Office, by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Wednesday, the 1st December 1847; or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid, shall have been delivered in, shall be re-sold at such time or times, and under such conditions of re-sale as the Board of Customs, Salt and Opium, shall see fit, and all loss and expences whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 1st December 1847, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th.—No Tender of Money, Sub-Treasurer's Receipts or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 1st December, will be afterwards accepted.

8th.—The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday the 14th December 1847, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or any Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium, shall think fit, and the first Purchaser shall further be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when clearance has been made by the said Purchaser or his order.

11th.—The Officer Superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bonâ fide bidder for a lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the Purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the Purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 2—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the years 1846-47, the same precautions have been taken as those which have been

observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of the chests indiscriminately taken for the purpose of comparison from the dispatches on arrival at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertised for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

18th.—The Public are hereby informed, that in addition to the quantity above mentioned, the following quantities more or less of Behar and Benares Opium of 1846-47, will be brought to sale in the present season on or about the dates specified below:

If the Agents of the French Government shall not make the requisition for Opium within the time above-mentioned the entire quantity of about 31,315 Chests of Behar and Benares as above estimated will be brought to Sale in the usual manner, and if they shall make application for a quantity of Opium to be delivered to them out of the quantity advertized for Sale at each or any of the Twelve Sales above-mentioned, but shall not pay for it within the prescribed period of payment, the Deputy Governor of Bengal reserves to himself the right of disposing of the Opium which the French Authorities may so fail to pay for either by increasing the quantity reserved at the Sale next ensuing the date of payment, or by selling it at a Sale to be held expressly for the purpose.

Article of the Convention above referred to.

"Art. 6th.—With regard to the Trade in "Opium it is agreed be- "tween the high contract- "ing parties that at each "of the periodical Sales of that Article there shall "be reserved for the French Government, and "delivered upon requisition duly made by the "Agents of His Most Christain Majesty or by the "persons duly appointed by them, the number of "Chests so applied for, provided that such supply "shall not exceed three hundred Chests in each "year, and the price for the same shall be deter- "mined by the average rate at which Opium shall "have been sold at every such periodical Sale, it "being understood that if the quantity of Opium "applied for at any one time shall not be taken "on account of the French Government by the "Agents of His Most Christian Majesty within "the usual period of delivery the quantity so "applied for shall nevertheless be considered as "so much in reduction of the three hundred "Chests herein before-mentioned; the requisitions "for Opium as aforesaid are to be addressed to "the Governor General at Calcutta, within thirty "days after notice of the intended Sales shall "have been published in the Government Gazette."

By order of the Board of Customs, Salt and Opium,

*General Order by the Right Hon'ble the Governor General.*

*Simla.*—His Excellency, Lieutenant General Sir Charles Napier, G. C. B., having tendered to the Right Hon'ble the Governor General of India his resignation of the office of Governor of the Province of Sinde, His Lordship desires to express the regret he feels in losing the services of so distinguished and valuable an Officer.

The Governor General most cordially acknowledges the sense he entertains of the just, firm and able manner in which His Excellency has conducted the Civil Administration of the Province entrusted to his charge. This important and difficult duty has been performed with an ability which justifies the unlimited confidence which His Lordship has reposed in Sir Charles Napier, a name gloriously pre-eminent as the Leader of the Forces which achieved the victories of Meanee and Hyderabad.

The Lieutenant General will, after a long, brilliant and honorable career in the Public Service retire from the Government of Sinde, having in the course of his service in India received the approbation of the Government he has served,—the thanks of the British Parliament, and been honoured by a distinguished mark of his Sovereign's favor.

NOTICE.—With reference to the London Post Master General's Notification regarding the rates of postage to be charged upon Letters received from Bombay by the Government Express, which was published with a notice from this Office of yesterday's date, the following Letter since received from the Post Master General of Bombay on the subject, is also published for general information.

W. TAYLER,
*Post Master General.*

*Fort William, Genl. Post Office,*
*The 24th July*, 1847.

*No.* 966 *of* 1847.

*General Department.*

To W. TAYLER, Esquire,
*Post Master General, Calcutta.*

SIR,—Adverting to my Letter, dated the 2d instant, I have the honor to suggest for your consideration, whether it would not be advisable to publish a Notice in the Calcutta Papers, intimating to the public generally, especially the Mercantile Community, that, if they desire their Overland Letters, to be forwarded on by the Government Overland Express, they should request their Correspondents to mark "per Express," and to keep within the *limited weight of two tolas*; and that, meanwhile, until the system becomes generally known, they ought to advise me, whether they wish any of their Letters, not so marked, to be sent on from Bombay by the Express.

2d.—By the last Express I dispatched as usual a number of Overland Letters, not especially marked, because, had I not done so, great disappointment would have been experienced by parties in Calcutta; but I intend to discontinue the practice, after a sufficient time has elapsed to admit of the public becoming aware of the privilege conceded by the Notification of May issued by the London General Post Office, and to dispatch by the Overland Express those Letters only which are so marked.

3d.—The public ought moreover to be most especially warned not to mark "per Express" on letters *exceeding two tolas in weight*, because such letters cannot be so dispatched. They will invariably be detained (as was the case on the arrival of the last Mail,) for transmission by the post regular dawk, dispatched after the Express.

4th.—I shall feel much obliged by your favoring me with a list of "Newspaper Offices" in Calcutta, and by your informing the parties connected therewith that not more than two papers (whether sent out from England marked "per Express," or posted in Bombay to go by Express) will, in future, be forwarded by the Government Express. Some of the Newspaper Offices have as many as six Overland Papers marked "per Express," but, as they cannot be so forwarded, it is useless to have them so marked.

5th.—The new rule limits the weight of a Newspaper to 3 *tolas*, but, if that were acted up to, the Newspaper Offices would be deprived altogether of the privilege conceded by the Notification of May last, as an Overland Paper invariably weighs more than 3 and generally very nearly 6 tolas. I have therefore determined to send two Overland Papers to each Office, *without reference to that limit*, and shall continue the practice until I receive orders to the contrary from Government or the Home Authorities.

I have, &c.,

## PILOT'S TRIAL.

AT a Court assembled on Monday, the Thirteenth day of September, One Thousand Eight Hundred and Forty-seven, under Act 24 of 1845. Mr. Mate Pilot George Benjamin Mackay was tried on the following Charges:

*First Charge.*—For having through ignorance or negligence in the performance of his duty whilst in Pilotage Charge of the Brig "Queen," Captain N. Pike, caused the said vessel to take the ground on the Auckland Ridge, on the afternoon of the 28th of August 1847, whereby she immediately became a total wreck.

*Second Charge.*—For having through negligence or inattention on the afternoon of the said 28th of August 1847, while in Pilotage Charge as aforesaid, caused the said Brig "Queen" to run over and force away from its position in the Auckland Channel, the Buoy laid to mark the place of the wreck of the Barque "Dorothea."

By order of the Superintendent of Marine,

(Sd.) JAS. SUTHERLAND, *Secretary.*

*Fort William, the 6th September*, 1845.

*Finding.*—The Court having maturely weighed and considered the evidence brought forward in support of the prosecution, together with that adduced on the defence, is of opinion that the defendant Mr. First Mate Pilot George Benjamin Mackay is Not Guilty of the First Charge, and do therefore acquit him of the said Charge.

Guilty of the Second Charge.

*Sentence.*—The Court having found the defendant Guilty as above specified, do adjudge him, the said Mr. First Mate Pilot George Benjamin Mackay to lose two steps.

(Sd.) HENRY PIDDINGTON, *President.*

*Fort William, Master Attendant's Office, the 21st September*, 1847.

(Sd.) H. HOWE, *Judge Advocate.*

REMARKS.

1st. The Court desires to remark that it attributes the loss of the Brig *Queen*, to Mr. Mackay's being pardonably over-anxious to push on, and save time and expense to the Owners of a small vessel, and that in so doing he attempted to cross the Auckland Ridge, a most dangerous and treacherous part of the river, under circumstances which though not justifiable, do not amount to the negligence or ignorance charged.

2nd. The Court would respectfully beg to suggest for the consideration of Government and the Marine Authorities, whether it might not be possible to have a Row Boat properly fitted, kept riding in the Auckland Channel, at least in moderate weather, as at Hooghly Point.

(Sd.) H. PIDDINGTON, *President.*

The Proceedings having been submitted to Government, His Honor the Deputy Governor of Bengal has been pleased to approve of the Court's decision on the First Charge, but intimated at the same time that he cannot confirm the Finding on the Second, as he is not satisfied with the proof adduced in support of it. The Officiating Master Attendant has accordingly been directed to release Mr. Mate Pilot George Benjamin Mackay, from arrest, and to allow him to return to his duty.

By order of the Superintendent of Marine,

JAS. SUTHERLAND, *Secretary.*

## STEAM TO DACCA AND GOWAHUTTEE IN ASSAM.

GOVERNMENT having decided on opening a Steam Communication with Gowahuttee in Assam *via* Dacca and Serajgunge, notice is hereby given, that the first boats for this line, a Steamer and a Flat, will be despatched on the 13th Proximo; and the communication be continued Monthly for THREE YEARS.

The following Regulations and Rates of Charge for accommodation of Passengers, and conveyance of Goods on the Government Boats employed in the above Navigation, are published for general information:

*Of Passage.*

All applications for Passage on the Government Boats proceeding to Dacca and Assam, must be made at the Boat Office in Calcutta, and all applications for Cabins on the Boats returning from Assam, must be made to the Steam Boat Agent at the nearest place to that of embarkation.

The distance between Calcutta and Gowahuttee is assumed to be 600 miles, and the distance from Calcutta to the different Stations as follows:

| | | |
|---|---|---|
| Burrisaul, | 200 | Miles. |
| Dacca, | 300 | „ |
| Seraj Gunge, | 400 | „ |
| Dewan Gunge, | 450 | „ |
| Bugwah, | 500 | „ |
| Gowalpara, | 550 | „ |
| Gowahuttee, | 600 | „ |

An Accommodation or a Cargo Boat will be employed in this line, as far as Dacca, the Steamer only going on to Gowahuttee until the demand for freight to and from places above Dacca is more than a Steamer can supply. In the first there are 3 classes of Cabins, but there will be no distinction in the charge, and the preference in the selection will be given to those who engage for the longest distances or otherwise, according to priority of application.

To Burrisaul or Dacca the charge will be Seventy-five Rupees, to Gowahuttee One Hundred and Fifty Rupees, or at the rate of Twenty-five Rupees for every 100 miles, of the estimated distance according to which the passage for intermediate distances will be rated.

One Servant is allowed to each Cabin occupied by one person, but if a Cabin be occupied by more than one person, an additional charge will be made of Nine Rupees, which will entitle the Cabin to a second Servant. All other extra Servants will be considered as Deck Passengers, the charge for which will be half an Anna per mile, or Eighteen Rupees Twelve Annas from Calcutta to Gowahuttee; Deck Passengers will pay Eighteen Rupees to Gowahuttee, or half an Anna a mile for any shorter distance.

The charge for passage on return voyages will be the same as above.

Passengers are allowed to carry such Baggage and Cabin Furniture within their Cabins as is necessary for the voyage; and this may include a Piano if required for use during the voyage and not in a packing case: but Pianos in packing cases and all other packages, as cases of Millinery, Saddlery, Glass and Earthen-ware, Beer and Wines, and other Stores, will be stowed in another part of the vessel; and to the extent of half a ton, or 25 cubic feet, be charged for at half the established rate of Freight; all in excess of half a ton will be charged at the full rate of Freight.

Deck Passengers are allowed one Roll of Bedding 2 feet wide, and a box of six cubic feet solid contents.

A Table is provided by the Commander at Four Rupees per Diem for each person, exclusive of Wines and Beer, which if provided by the Commander, are charged at regulated prices, of which a list is exhibited in the Dining Room, and all Refreshments required between the regular meals of Breakfast at ¼ past 8, Biscuit, &c. at noon, Dinner at 3 P. M., and Tea and Coffee in the evening. Persons who provide their own Wines, will pay 3 annas for each cork drawn.

Children who do not come to the Table are provided at One Rupee per day, the same charge is made for Christian Servants.

Mussulman Servants may feed with the Crew, paying a rate of Two Annas per day. Hindoos must provide their own food.

The Passage Money, and a deposit of Four Rupees per day for the estimated term of the voyage, must be paid on engaging a passage, and any surplus of Table Money will be returned, or an additional charge be made by the Commander, as the voyage may fall short of or exceed the time for which the deposit was calculated. Half the Passage Money, and half the Table Money become forfeit by persons who relinquish a passage after having engaged it.

The despatch of Boats will be duly advertized, and if any change in the Boats occurs, Accommodation or Freight engaged for the one advertized, will be assigned on the one substituted.

### *Of Freight.*

All Goods intended for shipment on the Government Boats must be sent to the Boat Office, in Church Lane, Calcutta, between the hours of Ten and Four, Sundays, Christmas Days, and Good Fridays excepted.

Goods will not be received for shipment unless they be addressed to a resident at the place at which they are to be delivered from the Boats. The direction must be marked on something not liable to be destroyed by vermin, and from which it may not easily be obliterated. A direction written on a card or marked with ink on a tin box, would be liable to the above objection.

The Boat Office will not be responsible for any damage or loss that may be occasioned by accident to the vessel or other cause whatever, not traceable to negligence or mismanagement of those belonging to the vessel.

All Goods sent to the Boat Office must be accompanied by a note, with suitable direction for the guidance of the Officers of the Department.

Goods not applied for on board the Boat by the Consignee, will be carried on and charged with additional freight, unless addressed to the Steam Agent, in which case they will be delivered to him. It must be understood, however, that although all persons are at liberty to consign their goods to the Steam Agent of the stations at which they are to be landed, *the Government is not responsible for such Steam Agent, or for the safety of the goods after the delivery of the same to the Consignee or to his order, whether such Consignee be the Steam Agent or any other person.* Goods intended for the final station, if not applied for within 24 hours after the Boat's arrival there, will be delivered to the Steam Agent at the risk of the shipper.

Freight on all Packages, excepting Treasure laden in Calcutta, or for which tonnage is reserved in Calcutta, and which do not exceed in weight 35lbs. per cubic foot, will be charged by the cubic foot.

Packages exceeding thirty-five pounds, or 17½ seers per cubic foot, will be charged by the weight.

The charge for Freight downwards will be 6 annas per maund for all distances above Dacca; articles weighing less than 35 lbs. or 17½ seers per cubic foot, to be charged by measurement at 4 annas per foot. From Dacca and places near Calcutta, 5 annas per maund, 2½ annas per foot.

### *Dispatch of Boats, and probable dates of Arrival at different Places.*

It is intended that the Boats shall leave Calcutta the 13th of every month, except when the 13th falls on a Sunday, when they will be dispatched on the 12th. The following is the estimated time the Boats will take, and the date on which they will probably arrive at the different Stations up and down, leaving Calcutta on the 13th to get back there, by the 9th the boats will reach—

| | *Up.* | *Down.* |

| | *Calculated at* |
|---|---|
| Weight of a Carriage, Barouche, or Landaulet, ..... | 2500 lbs. |

| Bulls, Cows, &c., | 48† | |
| Sheep or Dogs, Goats, ..... | 8† | If ditto at Rs. 2 ditto. |

* Goods will be charged by European or native weights, as they are entered in the Controller's or in the Steam Agent's Office; the charge per lb. will be half that per seer.

† Exclusive of the Groom or Keeper, who is to be considered a Deck Passenger, and charged as such according to the usual rate. The Shippers are to supply the food, and be at the expence of making the Stalls.

If brought down to the Presidency are charged 2-3rd of the upward freight.

*Freight on Treasure.*

To Burrisaul or Dacca,..... ¼ per cent.
To any distance beyond, ..... ⅓d ditto.

Intermediate ditto Two Pie per mile per thousand.

Freight on Copper Coins will be charged by the weight at 8 Pie per lb. from Calcutta—and down and intermediately, the same as on weighable Goods.

Treasure is deliverable to the Bill of Lading only, and parties neglecting to apply for Treasure will be subjected to additional Freight for the distance it may become necessary to carry it in consequence of their negligence.

Applications for Freight on the Vessel downward must be made to the Steam Boat Agent at Gowahuttee or Seraj Gunge, or at the nearest Station, by letter, describing the Goods to be despatched, their weight and measurement.

The Steam Agent will in reply, name the Boat in which he assigns tonnage, and if from any cause, as damage to the Boat, deviation from her intended voyage on unexpected demand on account of Government, a circumstance likely seldom to occur, the tonnage should be rendered non-available, the party for whom such tonnage has been registered must bear the inconvenience, and he will have no claim for indemnification by assignment of Freight in another Vessel to the detriment of any other person who may have engaged tonnage subsequently to the disappointed party, whose right to tonnage will be limited to such as may be available in the Vessel previously named, but in that Vessel, the claim to such tonnage as may remain available will be acknowledged according to priority of application. Thus the entire tonnage of a Boat may have been assigned in rotation by the Steam Agent to A. B. and C., after which the Government unexpectedly make a demand for more or less, the remaining portion will go to satisfy the claim of A. then of B. &c. The latter applications being thrown out partially or wholly, as the case may be.

The Agent will be instructed to acknowledge the applications made to him for tonnage in the following terms:—"Sir, in reply to your letter of the I beg to say tonnage for chests of Indigo and maunds of Sugar is assigned to you on the Registered No. of application."

The Agent is instructed to keep a correct Register of daily assignments, and to transmit a copy daily to the Controller of Steam Vessels.

The Boats will make the following stoppages, at different stations, during daylight:

| | | |
|---|---|---|
| At Burrisaul, . . . | 3 | hours. |
| „ Dacca, . . . . | 4 | ditto. |
| „ Seraj Gunge, . . . | 4 | ditto. |
| „ Dewan Gunge, . . | 3 | ditto. |
| „ Bugwah, . . . | 3 | ditto. |
| „ Gowalpara, . . . | 3 | ditto. |
| „ Gowahuttee, . . . | 48 | ditto, clear. |

Should Freight not be ready for shipment on the arrival of the Boat at the several stations, the Commander of the Steamer will have peremptory orders to proceed to the next Station.

Treasure laden on a Boat whose progress is arrested, will be retained on board until the Boat is enabled to proceed to her destination, unless the Consignees holding the Bill of Lading of such Treasure may require its delivery, giving a full acquittance for the Treasure, and receiving such difference of Freight as may have been paid in excess of what would have been charged for conveyance of such Treasure to the place of its delivery.

The Steam Agents at the different Stations make no charge for landing Goods from the Boats into their Godowns; nor for shipping Goods delivered into their Godowns, provided such Goods are not merchandise, intended for traffick, nor animals nor machines for conveyance; for all such they will charge the following rates:

For embarking or landing a Horse, Cow or Bull, Rs. 2.

A Calf, Dog, Sheep, or Goat with or without Kid, Annas 2.

When Goods are consigned to Calcutta, it is optional with Shippers to pay the Freight or to leave the same to be collected on delivery of the Goods. Freight must be paid to the Agent or Commander of the Boat for all Goods shipped away from Calcutta, and not deliverable at Calcutta. And no Packages will be received into the Boat Office for transmission on which Freight is not paid at the time.

By Order of the Superintendent of Marine,

JAS. SUTHERLAND,
*Secretary.*

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when clearance has been made by the said Purchaser or his order.

11th.—The Officer Superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bonâ fide bidder for a lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the Purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the Purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1—Certificate of the Opium now advertized for Sale.

No. 2—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the years 1846-47, the same precautions have been taken as those which have been

observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of the chests indiscriminately taken for the purpose of comparison from the dispatches on arrival at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertised for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

18th.—The Public are hereby informed, that in addition to the quantity above mentioned, the following quantities more or less of Behar and Benares Opium of 1846-47, will be brought to sale in the present season on or about the dates specified below:

If the Agents of the French Government shall not make the requisition for Opium within the time above-mentioned the entire quantity of about 31,315 Chests of Behar and Benares as above estimated will be brought to Sale in the usual manner, and if they shall make application for a quantity of Opium to be delivered to them out of the quantity advertized for Sale at each or any of the Twelve Sales above-mentioned, but shall not pay for it within the prescribed period of payment, the Deputy Governor of Bengal reserves to himself the right of disposing of the Opium which the French Authorities may so fail to pay for either by increasing the quantity reserved at the Sale next ensuing the date of payment, or by selling it at a Sale to be held expressly for the purpose.

Article of the Convention above referred to.

"Art. 6th.—With regard to the Trade in "Opium it is agreed be- "tween the high contract- "ing parties that at each "of the periodical Sales of that Article there shall "be reserved for the French Government, and "delivered upon requisition duly made by the "Agents of His Most Christain Majesty or by the "persons duly appointed by them, the number of "Chests so applied for, provided that such supply "shall not exceed three hundred Chests in each "year, and the price for the same shall be deter- "mined by the average rate at which Opium shall "have been sold at every such periodical Sale, it "being understood that if the quantity of Opium "applied for at any one time shall not be taken "on account of the French Government by the "Agents of His Most Christian Majesty within "the usual period of delivery the quantity so "applied for shall nevertheless be considered as "so much in reduction of the three hundred "Chests herein before-mentioned; the requisitions "for Opium as aforesaid are to be addressed to "the Governor General at Calcutta, within thirty "days after notice of the intended Sales shall "have been published in the Government Gazette."

By order of the Board of Customs, Salt and Opium,

CECIL BEADON, *Offg. Secy.*

NOTICE.—With reference to the London Post Master General's Notification regarding the rates of postage to be charged upon Letters received from Bombay by the Government Express, which was published with a notice from this Office of yesterday's date, the following Letter since received from the Post Master General of Bombay on the subject, is also published for general information.

W. TAYLER,
*Post Master General.*

*Fort William, Genl. Post Office,*
*The 24th July,* 1847.

*No.* 966 *of* 1847.

*General Department.*

To W. TAYLER, Esquire,
*Post Master General, Calcutta.*

SIR,—Adverting to my Letter, dated the 2d instant, I have the honor to suggest for your consideration, whether it would not be advisable to publish a Notice in the Calcutta Papers, intimating to the public generally, especially the Mercantile Community, that, if they desire their Overland Letters, to be forwarded on by the Government Overland Express, they should request their Correspondents to mark "per Express," and to keep within the *limited weight of two tolas;* and that, meanwhile, until the system becomes generally known, they ought to advise me, whether they wish any of their Letters, not so marked, to be sent on from Bombay by the Express.

2d.—By the last Express I dispatched as usual a number of Overland Letters, not especially marked, because, had I not done so, great disappointment would have been experienced by parties in Calcutta; but I intend to discontinue the practice, after a sufficient time has elapsed to admit of the public becoming aware of the privilege conceded by the Notification of May issued by the London General Post Office, and to dispa tch by the Overland Express those Letters only which are so marked.

3d.—The public ought moreover to be most especially warned not to mark "per Express" on letters *exceeding two tolas in weight,* because such letters cannot be so dispatched. They will invariably be detained (as was the case on the arrival of the last Mail.) for transmission by the post regular dawk, dispatched after the Express.

4th.—I shall feel much obliged by your favoring me with a list of "Newspaper Offices" in Calcutta, and by your informing the parties connected therewith that not more than two papers (whether sent out from England marked "per Express," or posted in Bombay to go by Express) will, in future, be forwarded by the Government Express. Some of the Newspaper Offices have as many as six Overland Papers marked "per Express," but, as they cannot be so forwarded, it is useless to have them so marked.

5th.—The new rule limits the weight of a Newspaper to 3 *tolas,* but, if that were acted up to, the Newspaper Offices would be deprived altogether of the privilege conceded by the Notification of May last, as an Overland Paper invariably weighs more than 3 and generally very nearly 6 tolas. I have therefore determined to send two Overland Papers to each Office, *without reference to that limit,* and shall continue the practice until I receive orders to the contrary from Government or the Home Authorities.

I have, &c.,

## STEAM TO DACCA AND GOWAHUTTEE IN ASSAM.

GOVERNMENT having decided on opening a Steam Communication with Gowahuttee in Assam *via* Dacca and Serajgunge, notice is hereby given, that the first boats for this line, a Steamer and a Flat, will be despatched on the 13th Proximo; and the communication be continued Monthly for THREE YEARS.

The following Regulations and Rates of Charge for accommodation of Passengers, and conveyance of Goods on the Government Boats employed in the above Navigation, are published for general information:

### *Of Passage.*

All applications for Passage on the Government Boats proceeding to Dacca and Assam, must be made at the Boat Office in Calcutta, and all applications for Cabins on the Boats returning from Assam, must be made to the Steam Boat Agent at the nearest place to that of embarkation.

The distance between Calcutta and Gowahuttee is assumed to be 600 miles, and the distance from Calcutta to the different Stations as follows:

| | | |
|---|---|---|
| Burrisaul,..... | 200 | Miles. |
| Dacca,..... | 300 | „ |
| Seraj Gunge,..... | 400 | „ |
| Dewan Gunge,..... | 450 | „ |
| Bugwah,..... | 500 | „ |
| Gowalpara,..... | 550 | „ |
| Gowahuttee,..... | 600 | „ |

An Accommodation or a Cargo Boat will be employed in this line, as far as Dacca, the Steamer only going on to Gowahuttee until the demand for freight to and from places above Dacca is more than a Steamer can supply. In the first there are 3 classes of Cabins, but there will be no distinction in the charge, and the preference in the selection will be given to those who engage for the longest distances or otherwise, according to priority of application.

To Burrisaul or Dacca the charge will be Seventy-five Rupees, to Gowahuttee One Hundred and Fifty Rupees, or at the rate of Twenty-five Rupees for every 100 miles, of the estimated distance according to which the passage for intermediate distances will be rated.

One Servant is allowed to each Cabin occupied by one person, but if a Cabin be occupied by more than one person, an additional charge will be made of Nine Rupees, which will entitle the Cabin to a second Servant. All other extra Servants will be considered as Deck Passengers, the charge for which will be half an Anna per mile, or Eighteen Rupees Twelve Annas from Calcutta to Gowahuttee; Deck Passengers will pay Eighteen Rupees to Gowahuttee, or half an Anna a mile for any shorter distance.

The charge for passage on return voyages will be the same as above.

### *Of Freight.*

All Goods intended for shipment on the Government Boats must be sent to the Boat Office, in Church Lane, Calcutta, between the hours of Ten and Four, Sundays, Christmas Days, and Good Fridays excepted.

Goods will not be received for shipment unless they be addressed to a resident at the place at which they are to be delivered from the Boats. The direction must be marked on something not liable to be destroyed by vermin, and from which it may not easily be obliterated. A direction written on a card or marked with ink on a tin box, would be liable to the above objection.

The Boat Office will not be responsible for any damage or loss that may be occasioned by accident to the vessel or other cause whatever, not traceable to negligence or mismanagement of those belonging to the vessel.

All Goods sent to the Boat Office must be accompanied by a note, with suitable direction for the guidance of the Officers of the Department.

Goods not applied for on board the Boat by the Consignee, will be carried on and charged with additional freight, unless addressed to the Steam Agent, in which case they will be delivered to him. It must be understood, however, that although all persons are at liberty to consign their goods to the Steam Agent of the stations at which they are to be landed, *the Government is not responsible for such Steam Agent, or for the safety of the goods after the delivery of the same to the Consignee or to his order, whether such Consignee be the Steam Agent or any other person.* Goods intended for the final station, if not applied for within 24 hours after the Boat's arrival there, will be delivered to the Steam Agent at the risk of the shipper.

Freight on all Packages, excepting Treasure laden in Calcutta, or for which tonnage is reserved in Calcutta, and which do not exceed in weight 35lbs. per cubic foot, will be charged by the cubic foot.

Packages exceeding thirty-five pounds, or 17½ seers per cubic foot, will be charged by the weight.

Treasure is deliverable to the Bill of Lading only, and parties neglecting to apply for Treasure will be subjected to additional Freight for the distance it may become necessary to carry it in consequence of their negligence.

Applications for Freight on the Vessel downward must be made to the Steam Boat Agent at Gowahuttee or Seraj Gunge, or at the nearest Station, by letter, describing the Goods to be despatched, their weight and measurement.

The Steam Agent will in reply, name the Boat in which he assigns tonnage, and if from any cause, as damage to the Boat, deviation from her intended voyage on unexpected demand on account of Government, a circumstance likely seldom to occur, the tonnage should be rendered non-available, the party for whom such tonnage has been registered must bear the inconvenience, and he will have no claim for indemnification by assignment of Freight in another Vessel to the detriment of any other person who may have engaged tonnage subsequently to the disappointed party, whose right to tonnage will be limited to such as may be available in the Vessel previously named, but in that Vessel, the claim to such tonnage as may remain available will be acknowledged according to priority of application. Thus the entire tonnage of a Boat may have been assigned in rotation by the Steam Agent to A. B. and C., after which the Government unexpectedly make a demand for more or less, the remaining portion will go to satisfy the claim of A. then of B. &c. The latter applications being thrown out partially or wholly, as the case may be.

The Agent will be instructed to acknowledge the applications made to him for tonnage in the following terms:—"Sir, in reply to your letter of the I beg to say tonnage for chests of Indigo and maunds of Sugar is assigned to you on the Registered No. of application."

| „ Bugwah, . . . | 3 | ditto. |
| „ Gowalpara, . . . | 3 | ditto. |
| „ Gowahuttee, . . . | 48 | ditto, clear. |

Should Freight not be ready for shipment on the arrival of the Boat at the several stations, the Commander of the Steamer will have peremptory orders to proceed to the next Station.

Treasure laden on a Boat whose progress is arrested, will be retained on board until the Boat is enabled to proceed to her destination, unless the Consignees holding the Bill of Lading of such Treasure may require its delivery, giving a full acquittance for the Treasure, and receiving such difference of Freight as may have been paid in excess of what would have been charged for conveyance of such Treasure to the place of its delivery.

The Steam Agents at the different Stations make no charge for landing Goods from the Boats into their Godowns; nor for shipping Goods delivered into their Godowns, provided such Goods are not merchandise, intended for traffick, nor animals nor machines for conveyance; for all such they will charge the following rates:

For embarking or landing a Horse, Cow or Bull, Rs. 2.

A Calf, Dog, Sheep, or Goat with or without Kid, Annas 2.

Freight must be paid to the Agent or Commander of the Boat for all Goods shipped away from Calcutta, and not deliverable at Calcutta. And no Packages will be received into the Boat Office for transmission on which Freight is not paid at the time.

### CONDITIONS OF SALE.

1st.—The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2d.—The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price; except under the circumstances for which provision is made by Clause 12th of the Conditions of Sale.

3d.—The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M.; but if at that hour any of the lots advertized for Sale shall remain unsold, the Sale may at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a public Holiday) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of; or, if the quantity of 2,610 Chests shall not be sold on the day advertized, the Board may dispose of the Lots which remain on hand at a future Sale.

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 25 per Cent. even money of the amount for which each lot is knocked down, shall be made by the purchaser in the Sale Room, and before the lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the Purchasers at this Office, by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Wednesday, the 1st December 1847; or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid, shall have been delivered in, shall be re-sold at such time or times, and under such conditions of re-sale as the Board of Customs, Salt and Opium, shall see fit, and all loss and expences whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 1st December 1847, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th.—No Tender of Money, Sub-Treasurer's Receipts or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 1st December, will be afterwards accepted.

8th.—The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday the 14th December 1847, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or any Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium, shall think fit, and the first Purchaser shall further be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when clearance has been made by the said Purchaser or his order.

11th.—The Officer Superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bonâ fide bidder for a lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the Purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the miuimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the Purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1—Certificate of the Opium now advertized for Sale.

No. 2—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the years 1846-47, the same precautions have been taken as those which have been

observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of the chests indiscriminately taken for the purpose of comparison from the dispatches on arrival at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertised for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

18th.—The Public are hereby informed, that in addition to the quantity above mentioned, the following quantities more or less of Behar and Benares Opium of 1846-47, will be brought to sale in the present season on or about the dates specified below:

19th.—It is hereby further notified, that under the 6th Article of the convention between Great Britain and France, dated the 7th March 1815, quoted below, the Agents in India of His Majesty the King of the French, or persons duly appointed by them, are entitled to demand that, out of the quantities of Behar and Benares Opium declared as above for sale at the Twelve Sales, in the months of November and December 1847, and January, February, March, April, May, June, July, August, September and October 1848, there shall be delivered to them at the average of the particular Sale or Sales to which the Opium so applied for may belong, a quantity not exceeding in the aggregate 300 Chests, and the Agents of the French Government must make requisition for the whole of the Opium required by them during the season within 30 days after the publication of this advertisement, specifying the particular Sale or Sales from which the quantity of Opium is intended to be taken. If the Agents of the French Government shall not make the requisition for Opium within the time above-mentioned the entire quantity of about 31,315 Chests of Behar and Benares as above estimated will be brought to Sale in the usual manner, and if they shall make application for a quantity of Opium to be delivered to them out of the quantity advertized for Sale at each or any of the Twelve Sales above-mentioned, but shall not pay for it within the prescribed period of payment, the Deputy Governor of Bengal reserves to himself the right of disposing of the Opium which the French Authorities may so fail to pay for either by increasing the quantity reserved at the Sale next ensuing the date of payment, or by selling it at a Sale to be held expressly for the purpose.

Article of the Convention above referred to.

"Art. 6th.—With regard to the Trade in "Opium it is agreed be- "tween the high contract- "ing parties that at each "of the periodical Sales of that Article there shall "be reserved for the French Government, and "delivered upon requisition duly made by the "Agents of His Most Christain Majesty or by the "persons duly appointed by them, the number of "Chests so applied for, provided that such supply "shall not exceed three hundred Chests in each "year, and the price for the same shall be deter- "mined by the average rate at which Opium shall "have been sold at every such periodical Sale, it "being understood that if the quantity of Opium "applied for at any one time shall not be taken "on account of the French Government by the "Agents of His Most Christian Majesty within "the usual period of delivery the quantity so "applied for shall nevertheless be considered as "so much in reduction of the three hundred "Chests herein before-mentioned; the requisitions "for Opium as aforesaid are to be addressed to "the Governor General at Calcutta, within thirty "days after notice of the intended Sales shall "have been published in the Government Gazette."

*Fort William, Home Department, Legislative, the 23d October*, 1847.

The following Act is passed by the Hon'ble the President of the Council of India in Council on the 23d of October 1847, with the assent of the Right Hon'ble the Governor General of India, which has been read and recorded.

Ordered, that the Act be promulgated for general information.

ACT No. XVI. OF 1847.

*For constituting Commissioners for the improvement of the Town of Calcutta partly by appointment of the Government and partly by election of the Rate-payers.*

Whereas by the 158th Section of the 52d Chapter of the Statute 33, George III., certain powers and duties in regard to the collection and disbursement of the Assessment thereby authorized to be made by the Justices of the Peace within or for the Presidency of Fort William, were conferred and imposed upon the said Justices. And whereas by Act No. XXIV. of 1840, certain changes were made in the Law relating to the said Assessment.

And whereas it is apparent that the Sewerage and Drainage of the Town of Calcutta, and the supply of water for the domestic use of the inhabitants thereof, and for the due cleansing of Drains therein, and the means of providing for the due ventilation of the Town, and the repairing, cleansing and lighting the roads and streets, and the making convenient lines of communication by spacious streets, and the preventing and removing of nuisances, and the due provision of adequate means for the relief of the sick poor in the said Town are very defective, all which cause excessive disease and great mortality. And whereas the Laws and Regulations now in force, and the pecuniary means applicable to the said objects are wholly insufficient for the remedy of so great a mischief, and whereas it is expedient that remedy should be had herein.

I. It is hereby enacted, that Act No. XXIV. of 1840, entitled an Act for amending the Law with respect to Rates for municipal purposes within the Town of Calcutta, is repealed.

III. And it is hereby enacted, that the said Commissioners shall severally receive such Salaries as may from time to time be fixed by the Governor of Bengal, with the concurrence of the Governor General in Council, and that for the exercise and performance of all the powers and duties hereinbefore or hereinafter conferred and imposed upon the said Commissioners, five shall be a quorum. IV. And it is hereby enacted, that the time and place and manner of the elections of the said elective Commissioners in each of the said Divisions shall be according to such scheme as shall be agreed upon by a general meeting of the Owners and Occupiers of assessed houses, buildings and grounds in the said Town, consisting of not less than one hundred of the said Owners and Occupiers, and presented on behalf of such meeting to the Governor of Bengal and approved by him. But so as such elections shall take place annually.

Provided always and it is hereby enacted, that if no such general meeting shall be held within one month from the passing of this Act, or if no such scheme shall be presented on behalf of such meeting to the Governor of Bengal within one month after such meeting shall have been held, it shall then be lawful for the said Governor of Bengal to appoint the whole of the said Commissioners.

Provided also and it is hereby enacted, that the scheme shall be laid by the Governor of Bengal before the Governor General in Council for his approbation, and shall not be in force until such approbation shall have been signified in writing.

V. And it is hereby enacted, that the said Commissioners shall from and after the said day have power within the said Town to levy upon the Owners or Users of the several kinds of Carriages, Carts and Horses mentioned in the Schedule to this Act annexed, taxes according to the rates mentioned in the said Schedule, and that the said Commissioners shall have power and discretion to compound with Livery Stable Keepers and other persons keeping Carriages and Horses for hire for an annual rate of tax to be assessed upon the Carriages and Horses in their Establishments in lieu of taxes according to the rates mentioned in the said Schedule.

VI. And it is enacted, that the said taxes according to the rates mentioned in the said Schedule shall be levied quarterly, and that every person who has been the Owner or User of a Carriage or Horse within the said Town during thirty days in any one quarter shall be liable for the taxes of that entire quarter. Provided always that no person who has not been the Owner or User of a Carriage or Horse within the said Town during thirty days in any one quarter shall be liable to any tax in respect of any Carriage or Horse. Provided also that no such tax shall be levied in respect of any Horse, Carriage or Cart in the employment of Government.

VII. And it is hereby enacted, that the assessments and rates made under the authority of the Statute 33 George III. C. 52, Section 158, and of Section II. of this Act, shall be of such amount as together with the amount of the taxes to be levied by the Commissioners under Section V. of this Act, and together with such other funds as may be placed at the disposal of the said Commissioners by the Government of Bengal, shall appear to the said Commissioners expedient for completely effecting the purposes specified in this Act, any thing in the said 158th Section of the said Statute notwithstanding. Provided always, that no rate shall be made exceeding five per cent. on the assessed value of property without the sanction of the Governor of Bengal.

VIII. And it is hereby enacted, that for the assessment and collection of the rates and taxes to be levied by the said Commissioners it shall be lawful for the said Commissioners to appoint such Assessor or Assessors, Collector or Collectors, to make such union of the offices of Assessor and Collector, and to prescribe such rules and take such securities for the due execution of the duties of such Assessors and Collectors as the said Commissioners shall deem expedient, and such Assessors and Collectors shall receive such salaries as the Government of Bengal may see fit to sanction.

IX. And it is hereby enacted, that it shall not be necessary in any assessment rate or warrant of distress under the said Statute, and this Act, to specify the names of the Owners or Occupiers of Houses, Buildings and Grounds; but it shall be sufficient if every property rated be identified, and in the case of Houses numbered in any street, that the name of the street and number of the House rated be particularly specified.

X. And it is hereby enacted, that the Goods and Chattels of the Owners of any Houses, Buildings or Grounds rated under the said Statute, and this Act, shall be seizable any where (except Goods and Chattels concealed as hereinafter mentioned) for deficiency in the payment of rates, and that all Goods and Chattels which shall be found upon any premises rated shall be seizable for any arrears, which may be due for a period of one year immediately preceding such seizure, and in the case of the seizure of the Goods and Chattels of a tenant under such circumstances, such tenant may deduct the amount of the levy from the next payment of his rent.

XI. And it is hereby enacted, that when there is ground to suspect that Goods and Chattels liable to distress under the said Statute, and this Act, are concealed in any Zenana, the Officer charged with the execution of the warrant shall make a special report to the Commissioner granting the same, who shall thereupon follow as closely as is practicable, the rules for the seizure of Goods and Chattels in like cases adopted by Her Majesty's Supreme Court.

XII. And it is hereby enacted, that it shall be lawful for the said Commissioners, and they are hereby required to make rules and as occasion may require to add to, revoke or alter the same, for the regulation of the time and manner of assessing and levying the said taxes, and for compelling persons to give any information which may be necessary for that purpose, and for imposing penalties upon persons not performing any duty cast upon them by the said rules for the said purpose, and upon persons obstructing any persons acting under the said Commissioners in that behalf so as that such penalty shall not in any case exceed 100 Rupees.

XIII. Provided always, and it is hereby enacted, that the said taxes shall not be leviable until such rules have been so made and approved.

XIV. And it is hereby enacted, that it shall be lawful for the said Commissioners to levy the arrears of the said taxes and any penalties which may be incurred under the said rules by the same process of distress as is hereinbefore provided for the levying of the aforesaid rates on Houses, Buildings and Grounds.

XV. And it is hereby enacted, that the whole proceeds of the said rates and taxes, after paying all Salaries, Establishments and incidental expences of the said Commissioners shall, together with such monies as the Government of Bengal with the sanction of the Governor General in Council may direct to be paid over to the said Commissioners, be applied by them to the following purposes, viz.

3. Filling up stagnant pools of water and removing obstructions to the free circulation of air.

4. Lighting and watering the roads and streets.

5. Cleansing and repairing the same, and the drains of the Town.

GENERAL POST OFFICE, MAY 1847.

The Post Master General having been informed by the Court of Directors of the East India Company, that on and after the 1st June next, persons in this Country may forward private correspondence by the Government Express from Bombay to Calcutta and Madras, all persons desirous of availing themselves of this privilege, will be required to mark upon the covers of their letters the words "By Express from Bombay," and in addition to this special address, it will be necessary, that all letters intended to be forwarded by the way of Southampton, should be so endorsed as hitherto; the postage to be charged in India in the delivery of letters sent by this Express will be in addition to the ordinary Inland rates.

NOTICE.—With reference to the London Post Master General's Notification regarding the rates of postage to be charged upon Letters received from Bombay by the Government Express, which was published with a notice from this Office of yesterday's date, the following Letter since received from the Post Master General of Bombay on the subject, is also published for general information.

W. TAYLER,

*Post Master General.*

*Fort William, Genl. Post Office, the 24th July*, 1847.

*No.* 966 *of* 1847.

*General Department.*

To W. TAYLER, Esquire,

*Post Master General, Calcutta.*

SIR,—Adverting to my Letter, dated the 2d instant, I have the honor to suggest for your consideration, whether it would not be advisable to publish a Notice in the Calcutta Papers, intimat-

ing to the public generally, especially the Mercantile Community, that, if they desire their Overland Letters, to be forwarded on by the Government Overland Express, they should request their Correspondents to mark "per Express," and to keep within the *limited weight of two tolas;* and that, meanwhile, until the system becomes generally known, they ought to advise me, whether they wish any of their Letters, not so marked, to be sent on from Bombay by the Express.

2d.—By the last Express I dispatched as usual a number of Overland Letters, not especially marked, because, had I not done so, great disappointment would have been experienced by parties in Calcutta; but I intend to discontinue the practice, after a sufficient time has elapsed to admit of the public becoming aware of the privilege conceded by the Notification of May issued by the London General Post Office, and to dispa tch by he Overland Express those Letters only which are so marked.

3d.—The public ought moreover to be most especially warned not to mark "per Express" on letters *exceeding two tolas in weight*, because such letters cannot be so dispatched. They will invariably be detained (as was the case on the arrival of the last Mail,) for transmission by the post regular dawk, dispatched after the Express.

4th.—I shall feel much obliged by your favoring me with a list of "Newspaper Offices" in Calcutta, and by your informing the parties connected therewith that not more than two papers (whether sent out from England marked "per Express," or posted in Bombay to go by Express) will, in future, be forwarded by the Government Express. Some of the Newspaper Offices have as many as six Overland Papers marked "per Express," but, as they cannot be so forwarded, it is useless to have them so marked.

5th.—The new rule limits the weight of a Newspaper to 3 *tolas*, but, if that were acted up to, the Newspaper Offices would be deprived altogether of the privilege conceded by the Notification of May last, as an Overland Paper invariably weighs more than 3 and generally very nearly 6 tolas. I have therefore determined to send two Overland Papers to each Office, *without reference to that limit*, and shall continue the practice until I receive orders to the contrary from Government or the Home Authorities.

I have, &c.,

(Sd.) A. W. RAVENSCROFT,
*Post Master General.*

## STEAM TO DACCA AND GOWAHUTTEE IN ASSAM.

GOVERNMENT having decided on opening a Steam Communication with Gowahuttee in Assam *via* Dacca and Serajgunge, notice is hereby given, that the first boats for this line, a Steamer and a Flat, will be despatched on the 13th Proximo; and the communication be continued Monthly for THREE YEARS.

The following Regulations and Rates of Charge for accommodation of Passengers, and conveyance of Goods on the Government Boats employed in the above Navigation, are published for general information:

*Of Passage.*

All applications for Passage on the Government Boats proceeding to Dacca and Assam, must be made at the Boat Office in Calcutta, and all applications for Cabins on the Boats returning from Assam, must be made to the Steam Boat Agent at the nearest place to that of embarkation.

The distance between Calcutta and Gowahuttee is assumed to be 600 miles, and the distance from Calcutta to the different Stations as follows:

| | | |
|---|---|---|
| Burrisaul, | 200 | Miles. |
| Dacca, | 300 | " |
| Seraj Gunge, | 400 | " |
| Dewan Gunge, | 450 | " |
| Bugwah, | 500 | " |
| Gowalpara, | 550 | " |
| Gowahuttee, | 600 | " |

An Accommodation or a Cargo Boat will be employed in this line, as far as Dacca, the Steamer only going on to Gowahuttee until the demand for freight to and from places above Dacca is more than a Steamer can supply. In the first there are 3 classes of Cabins, but there will be no distinction in the charge, and the preference in the selection will be given to those who engage for the longest distances or otherwise, according to priority of application.

To Burrisaul or Dacca the charge will be Seventy-five Rupees, to Gowahuttee One Hundred and Fifty Rupees, or at the rate of Twenty-five Rupees for every 100 miles, of the estimated distance according to which the passage for intermediate distances will be rated.

One Servant is allowed to each Cabin occupied by one person, but if a Cabin be occupied by more than one person, an additional charge will be made of Nine Rupees, which will entitle the Cabin to a second Servant. All other extra Servants will be considered as Deck Passengers, the charge for which will be half an Anna per mile, or Eighteen Rupees Twelve Annas from Calcutta to Gowahuttee; Deck Passengers will pay Eighteen Rupees to Gowahuttee, or half an Anna a mile for any shorter distance.

The charge for passage on return voyages will be the same as above.

Passengers are allowed to carry such Baggage and Cabin Furniture within their Cabins as is necessary for the voyage; and this may include a Piano if required for use during the voyage and not in a packing case: but Pianos in packing cases and all other packages, as cases of Millinery, Saddlery, Glass and Earthen-ware, Beer and Wines, and other Stores, will be stowed in another part of the vessel; and to the extent of half a ton, or 25 cubic feet, be charged for at half the established rate of Freight; all in excess of half a ton will be charged at the full rate of Freight.

Deck Passengers are allowed one Roll of Bedding 2 feet wide, and a box of six cubic feet solid contents.

A Table is provided by the Commander at Four Rupees per Diem for each person, exclusive of Wines and Beer, which if provided by the Commander, are charged at regulated prices, of which a list is exhibited in the Dining Room, and all Refreshments required between the regular meals of Breakfast at ½ past 8, Biscuit, &c. at noon, Dinner at 3 P. M., and Tea and Coffee in the evening. Persons who provide their own Wines, will pay 3 annas for each cork drawn.

Children who do not come to the Table are provided at One Rupee per day, the same charge is made for Christian Servants.

Mussulman Servants may feed with the Crew, paying a rate of Two Annas per day. Hindoos must provide their own food.

The Passage Money, and a deposit of Four Rupees per day for the estimated term of the voyage, must be paid on engaging a passage, and any surplus of Table Money will be returned, or an additional charge be made by the Commander, as the voyage may fall short of or exceed the time for which the deposit was calculated. Half the Passage Money, and half the Table Money become forfeit by persons who relinquish a passage after having engaged it.

The despatch of Boats will be duly advertized, and if any change in the Boats occurs, Accommodation or Freight engaged for the one advertized, will be assigned on the one substituted.

### *Of Freight.*

All Goods intended for shipment on the Government Boats must be sent to the Boat Office, in Church Lane, Calcutta, between the hours of Ten and Four, Sundays, Christmas Days, and Good Fridays excepted.

Goods will not be received for shipment unless they be addressed to a resident at the place at which they are to be delivered from the Boats. The direction must be marked on something not liable to be destroyed by vermin, and from which it may not easily be obliterated. A direction written on a card or marked with ink on a tin box, would be liable to the above objection.

The Boat Office will not be responsible for any damage or loss that may be occasioned by accident to the vessel or other cause whatever, not traceable to negligence or mismanagement of those belonging to the vessel.

All Goods sent to the Boat Office must be accompanied by a note, with suitable direction for the guidance of the Officers of the Department.

Goods not applied for on board the Boat by the Consignee, will be carried on and charged with additional freight, unless addressed to the Steam Agent, in which case they will be delivered to him. It must be understood, however, that although all persons are at liberty to consign their goods to the Steam Agent of the stations at which they are to be landed, *the Government is not responsible for such Steam Agent, or for the safety of the goods after the delivery of the same to the Consignee or to his order, whether such Consignee be the Steam Agent or any other person.* Goods intended for the final station, if not applied for within 24 hours after the Boat's arrival there, will be delivered to the Steam Agent at the risk of the shipper.

Freight on all Packages, excepting Treasure laden in Calcutta, or for which tonnage is reserved in Calcutta, and which do not exceed in weight 35lbs. per cubic foot, will be charged by the cubic foot.

Packages exceeding thirty-five pounds, or 17½ seers per cubic foot, will be charged by the weight.

*From Calcutta,*

| | *Per Foot.* | *Per Seer.** |
|---|---|---|
| To Burrisaul,..... | 8 Ans. | 6 Pie. |
| „ Dacca, ..... | | |
| „ Seraj Gunge, ..... | 12 Ans. | 9 Pie. |
| „ Dewangunge, ..... | | |
| „ Bugwah, ..... | | |
| „ Gowalpara, ..... | 1 R. | 12 Pie. |
| „ Gowahuttee,..... | | |

For intermediate distances upwards for Goods not shipped in Calcutta, 3 annas per foot, and 2 pie per seer or 1 pie per pound, will be charged for every 100 miles.

The charge for Freight downwards will be 6 annas per maund for all distances above Dacca; articles weighing less than 35 lbs. or 17½ seers per cubic foot, to be charged by measurement at 4 annas per foot. From Dacca and places near Calcutta, 5 annas per maund, 2½ annas per foot.

### *Dispatch of Boats, and probable dates of Arrival at different Places.*

It is intended that the Boats shall leave Calcutta the 13th of every month, except when the 13th falls on a Sunday, when they will be dispatched on the 12th. The following is the estimated time the Boats will take, and the date on which they will probably arrive at the different Stations up and down, leaving Calcutta on the 13th to get back there, by the 9th the boats will reach—

The Steam Agents at the different Stations make no charge for landing Goods from the Boats into their Godowns; nor for shipping Goods delivered into their Godowns, provided such Goods are not merchandise, intended for traffick, nor animals nor machines for conveyance; for all such they will charge the following rates:

For embarking or landing a Horse, Cow or Bull, Rs. 2.

And no Packages will be received into the Boat Office for transmission on which Freight is not paid at the time.

### CONDITIONS OF SALE.

1st.—The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2d.—The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price; except under the circumstances for which provision is made by Clause 12th of the Conditions of Sale.

3d.—The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M; but if at that hour any of the lots advertized for Sale shall remain unsold, the Sale may at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a public Holiday) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of; or, if the quantity of 2,610 Chests shall not be sold on the day advertized, the Board may dispose of the Lots which remain on hand at a future Sale.

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 25 per Cent. even money of the amount for which each lot is knocked down, shall be made by the purchaser in the Sale Room, and before the lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the Purchasers at this Office, by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Wednesday, the 1st December 1847; or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid, shall have been delivered in, shall be re-sold at such time or times, and under such conditions of re-sale as the Board of Customs, Salt and Opium, shall see fit, and all loss and expences whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 1st December 1847, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th.—No Tender of Money, Sub-Treasurer's Receipts or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 1st December, will be afterwards accepted.

8th.—The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday the 14th December 1847, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or any Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium, shall think fit, and the first Purchaser shall further be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when clearance has been made by the said Purchaser or his order.

11th.—The Officer Superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bonâ fide bidder for a lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the Purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the Purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1—Certificate of the Opium now advertized for Sale.

No. 2—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the years 1846-47, the same precautions have been taken as those which have been

observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of the chests indiscriminately taken for the purpose of comparison from the dispatches on arrival at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertised for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

18th.—The Public are hereby informed, that in addition to the quantity above mentioned, the following quantities more or less of Behar and Benares Opium of 1846-47, will be brought to sale in the present season on or about the dates specified below:

If the Agents of the French Government shall not make the requisition for Opium within the time above-mentioned the entire quantity of about 31,315 Chests of Behar and Benares as above estimated will be brought to Sale in the usual manner, and if they shall make application for a quantity of Opium to be delivered to them out of the quantity advertized for Sale at each or any of the Twelve Sales above-mentioned, but shall not pay for it within the prescribed period of payment, the Deputy Governor of Bengal reserves to himself the right of disposing of the Opium which the French Authorities may so fail to pay for either by increasing the quantity reserved at the Sale next ensuing the date of payment, or by selling it at a Sale to be held expressly for the purpose.

Article of the Convention above referred to.

"Art. 6th.—With regard to the Trade in "Opium it is agreed between the high contracting parties that at each "of the periodical Sales of that Article there shall "be reserved for the French Government, and "delivered upon requisition duly made by the "Agents of His Most Christain Majesty or by the "persons duly appointed by them, the number of "Chests so applied for, provided that such supply "shall not exceed three hundred Chests in each "year, and the price for the same shall be determined by the average rate at which Opium shall "have been sold at every such periodical Sale, it "being understood that if the quantity of Opium "applied for at any one time shall not be taken "on account of the French Government by the "Agents of His Most Christian Majesty within "the usual period of delivery the quantity so "applied for shall nevertheless be considered as "so much in reduction of the three hundred "Chests herein before-mentioned; the requisitions "for Opium as aforesaid are to be addressed to "the Governor General at Calcutta, within thirty "days after notice of the intended Sales shall "have been published in the Government Gazette."

*Fort William, Home Department, Legislative, the 23d October, 1847.*

The following Act is passed by the Hon'ble the President of the Council of India in Council on the 23d of October 1847, with the assent of the Right Hon'ble the Governor General of India, which has been read and recorded.

Ordered, that the Act be promulgated for general information.

ACT No. XVI. OF 1847.

*For constituting Commissioners for the improvement of the Town of Calcutta partly by appointment of the Government and partly by election of the Rate-payers.*

And whereas by Act No. XXIV. of 1840, certain changes were made in the Law relating to the said Assessment.

Laws and Regulations now in force, and the pecuniary means applicable to the said objects are wholly insufficient for the remedy of so great a mischief, and whereas it is expedient that remedy should be had herein.

I. It is hereby enacted, that Act No. XXIV. of 1840, entitled an Act for amending the Law with respect to Rates for municipal purposes within the Town of Calcutta, is repealed.

Provided always that no person who has not been the Owner or User of a Carriage or Horse within the said Town during thirty days in any one quarter shall be liable to any tax in respect of any Carriage or Horse. Provided also that no such tax shall be levied in respect of any Horse, Carriage or Cart in the employment of Government.

XI. And it is hereby enacted, that when there is ground to suspect that Goods and Chattels liable to distress under the said Statute, and this Act, are concealed in any Zenana, the Officer charged with the execution of the warrant shall make a special report to the Commissioner granting the same, who shall thereupon follow as closely as is practicable, the rules for the seizure of Goods and Chattels in like cases adopted by Her Majesty's Supreme Court.

*No.* 966 *of* 1847.

*General Department.*

To W. TAYLER, Esquire,

*Post Master General, Calcutta.*

SIR,—Adverting to my Letter, dated the 2d instant, I have the honor to suggest for your consideration, whether it would not be advisable to publish a Notice in the Calcutta Papers, intimating to the public generally, especially the Mercantile Community, that, if they desire their Overland Letters, to be forwarded on by the Government Overland Express, they should request their Correspondents to mark "per Express," and to keep within the *limited weight of two tolas;* and that, meanwhile, until the system becomes generally known, they ought to advise me, whether they wish any of their Letters, not so marked, to be sent on from Bombay by the Express.

2d.—By the last Express I dispatched as usual a number of Overland Letters, not especially marked, because, had I not done so, great disappointment would have been experienced by parties in Calcutta; but I intend to discontinue the practice, after a sufficient time has elapsed to admit of the public becoming aware of the privilege conceded by the Notification of May issued by the London General Post Office, and to dispatch by he Overland Express those Letters only which are so marked.

3d.—The public ought moreover to be most especially warned not to mark "per Express" on letters *exceeding two tolas in weight*, because such letters cannot be so dispatched. They will invariably be detained (as was the case on the arrival of the last Mail,) for transmission by the post regular dawk, dispatched after the Express.

4th.—I shall feel much obliged by your favoring me with a list of "Newspaper Offices" in Calcutta, and by your informing the parties connected therewith that not more than two papers (whether sent out from England marked "per Express," or posted in Bombay to go by Express) will, in future, be forwarded by the Government Express. Some of the Newspaper Offices have as many as six Overland Papers marked "per Express," but, as they cannot be so forwarded, it is useless to have them so marked.

5th.—The new rule limits the weight of a Newspaper to 3 *tolas*, but, if that were acted up to, the Newspaper Offices would be deprived altogether of the privilege conceded by the Notification of May last, as an Overland Paper invariably weighs more than 3 and generally very nearly 6 tolas. I have therefore determined to send two Overland Papers to each Office, *without reference to that limit*, and shall continue the practice until I receive orders to the contrary from Government or the Home Authorities.

I have, &c.,

## NOTIFICATION.

*Fort William, the 27th September*, 1847.

OPIUM.—Notice is hereby given, that on Monday, the 29th November, 1847, at the hour of Eleven o'Clock in the forenoon, will be put up to Sale at the Exchange Rooms, at Calcutta, and sold by Public Auction, for Exportation by Sea, the undermentioned quantity of Opium, the provision of 1846-47, subject to the following Conditions, viz.

| | | |
|---|---|---|
| Produce of Behar Agency, ..... | Chests | 1,830 |
| Ditto of Benares ditto,..... | „ | 780 |
| Total Chests,... | | 2,610 |

### CONDITIONS OF SALE.

1st.—The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2d.—The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price; except under the circumstances for which provision is made by Clause 12th of the Conditions of Sale.

3d.—The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M; but if at that hour any of the lots advertized for Sale shall remain unsold, the Sale may at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a public Holiday) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of; or, if the quantity of 2,610 Chests shall not be sold on the day advertized, the Board may dispose of the Lots which remain on hand at a future Sale.

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 25 per Cent. even money of the amount for which each lot is knocked down, shall be made by the purchaser in the Sale Room, and before the lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the Purchasers at this Office, by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4

o'Clock of the afternoon of Wednesday, the 1st December 1847; or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid, shall have been delivered in, shall be re-sold at such time or times, and under such conditions of re-sale as the Board of Customs, Salt and Opium, shall see fit, and all loss and expences whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 1st December 1847, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th.—No Tender of Money, Sub-Treasurer's Receipts or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 1st December, will be afterwards accepted.

8th.—The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday the 14th December 1847, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or any Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium, shall think fit, and the first Purchaser shall further be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when clearance has been made by the said Purchaser or his order.

11th.—The Officer Superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bonâ fide bidder for a lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the Purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the Purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1—Certificate of the Opium now advertized for Sale.

No. 2—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the years 1846-47, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of the chests indiscriminately taken for the purpose of comparison from the dispatches on arrival at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertised for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs,

Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

18th.—The Public are hereby informed, that in addition to the quantity above mentioned, the following quantities more or less of Behar and Benares Opium of 1846-47, will be brought to sale in the present season on or about the dates specified below:

19th.—It is hereby further notified, that under the 6th Article of the convention between Great Britain and France, dated the 7th March 1815, quoted below, the Agents in India of His Majesty the King of the French, or persons duly appointed by them, are entitled to demand that, out of the quantities of Behar and Benares Opium declared as above for sale at the Twelve Sales, in the months of November and December 1847, and January, February, March, April, May, June, July, August, September and October 1848, there shall be delivered to them at the average of the particular Sale or Sales to which the Opium so applied for may belong, a quantity not exceeding in the aggregate 300 Chests, and the Agents of the French Government must make requisition for the whole of the Opium required by them during the season within 30 days after the publication of this advertisement, specifying the particular Sale or Sales from which the quantity of Opium is intended to be taken. If the Agents of the French Government shall not make the requisition for Opium within the time above-mentioned the entire quantity of about 31,315 Chests of Behar and Benares as above estimated will be brought to Sale in the usual manner, and if they shall make application for a quantity of Opium to be delivered to them out of the quantity advertized for Sale at each or any of the Twelve Sales above-mentioned, but shall not pay for it within the prescribed period of payment, the Deputy Governor of Bengal reserves to himself the right of disposing of the Opium which the French Authorities may so fail to pay for either by increasing the quantity reserved at the Sale next ensuing the date of payment, or by selling it at a Sale to be held expressly for the purpose.

Article of the Convention above referred to.

"Art. 6th.—With regard to the Trade in "Opium it is agreed be- "tween the high contract- "ing parties that at each "of the periodical Sales of that Article there shall "be reserved for the French Government, and "delivered upon requisition duly made by the "Agents of His Most Christain Majesty or by the "persons duly appointed by them, the number of "Chests so applied for, provided that such supply "shall not exceed three hundred Chests in each "year, and the price for the same shall be deter- "mined by the average rate at which Opium shall "have been sold at every such periodical Sale, it "being understood that if the quantity of Opium "applied for at any one time shall not be taken "on account of the French Government by the "Agents of His Most Christian Majesty within "the usual period of delivery the quantity so "applied for shall nevertheless be considered as "so much in reduction of the three hundred "Chests herein before-mentioned; the requisitions "for Opium as aforesaid are to be addressed to "the Governor General at Calcutta, within thirty "days after notice of the intended Sales shall "have been published in the Government Gazette."

To W. TAYLER, Esquire,
*Post Master General, Calcutta.*

SIR,—Adverting to my Letter, dated the 2d instant, I have the honor to suggest for your consideration, whether it would not be advisable to publish a Notice in the Calcutta Papers, intimating to the public generally, especially the Mercantile Community, that, if they desire their Overland Letters, to be forwarded on by the Government Overland Express, they should request their Correspondents to mark "per Express," and to keep within the *limited weight of two tolas;* and that, meanwhile, until the system becomes generally known, they ought to advise me, whether they wish any of their Letters, not so marked, to be sent on from Bombay by the Express.

2d.—By the last Express I dispatched as usual a number of Overland Letters, not especially marked, because, had I not done so, great disappointment would have been experienced by parties in Calcutta; but I intend to discontinue the practice, after a sufficient time has elapsed to admit of the public becoming aware of the privilege conceded by the Notification of May issued by the London General Post Office, and to dispatch by he Overland Express those Letters only which are so marked.

3d.—The public ought moreover to be most especially warned not to mark "per Express" on letters *exceeding two tolas in weight*, because such letters cannot be so dispatched. They will invariably be detained (as was the case on the arrival of the last Mail,) for transmission by the post regular dawk, dispatched after the Express.

4th.—I shall feel much obliged by your favoring me with a list of "Newspaper Offices" in Calcutta, and by your informing the parties connected therewith that not more than two papers (whether sent out from England marked "per Express," or posted in Bombay to go by Express) will, in future, be forwarded by the Government Express. Some of the Newspaper Offices have as many as six Overland Papers marked "per Express," but, as they cannot be so forwarded, it is useless to have them so marked.

5th.—The new rule limits the weight of a Newspaper to 3 *tolas*, but, if that were acted up to, the Newspaper Offices would be deprived altogether of the privilege conceded by the Notification of May last, as an Overland Paper invariably weighs more than 3 and generally very nearly 6 tolas. I have therefore determined to send two Overland Papers to each Office, *without reference to that limit*, and shall continue the practice until I receive orders to the contrary from Government or the Home Authorities.

I have, &c.,

| | | |
|---|---|---|
| Produce of Behar Agency, ..... | Chests | 1,830 |
| Ditto of Benares ditto,..... | „ | 780 |
| Total Chests,... | | 2,610 |

### CONDITIONS OF SALE.

1st.—The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2d.—The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price; except under the circumstances for which provision is made by Clause 12th of the Conditions of Sale.

3d.—The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M; but if at that hour any of the lots advertized for Sale shall remain unsold, the Sale may at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a public Holiday) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of; or, if the quantity of 2,610 Chests shall not be sold on the day advertized, the Board may dispose of the Lots which remain on hand at a future Sale.

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 25 per Cent. even money of the amount for which each lot is knocked down, shall be made by the purchaser in the Sale Room, and before the lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the Purchasers at this Office, by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Wednesday, the 1st December 1847; or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid, shall have been delivered in, shall be re-sold at such time or times, and under such conditions of re-sale as the Board of Customs, Salt and Opium, shall see fit, and all loss and expences whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 1st December 1847, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th.—No Tender of Money, Sub-Treasurer's Receipts or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 1st December, will be afterwards accepted.

8th.—The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday the 14th December 1847, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or any Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium, shall think fit, and the first Purchaser shall further be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when clearance has been made by the said Purchaser or his order.

11th.—The Officer Superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bonâ fide bidder for a lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the Purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the Purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1—Certificate of the Opium now advertized for Sale.

No. 2—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the years 1846-47, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of the chests indiscriminately taken for the purpose of comparison from the dispatches on arrival at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertised for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

18th.—The Public are hereby informed, that in addition to the quantity above mentioned, the following quantities more or less of Behar and Benares Opium of 1846-47, will be brought to sale in the present season on or about the dates specified below:

19th.—It is hereby further notified, that under the 6th Article of the convention between Great Britain and France, dated the 7th March 1815, quoted below, the Agents in India of His Majesty the King of the French, or persons duly appointed by them, are entitled to demand that, out of the quantities of Behar and Benares Opium declared as above for sale at the Twelve Sales, in the months of November and December 1847, and January, February, March, April, May, June, July, August, September and October 1848, there shall be delivered to them at the average of the particular Sale or Sales to which the Opium so applied for may belong, a quantity not exceeding in the aggregate 300 Chests, and the Agents of the French Government must make requisition for the whole of the Opium required by them during the season within 30 days after the publication of this adver-

tisement, specifying the particular Sale or Sales from which the quantity of Opium is intended to be taken. If the Agents of the French Government shall not make the requisition for Opium within the time above-mentioned the entire quantity of about 31,315 Chests of Behar and Benares as above estimated will be brought to Sale in the usual manner, and if they shall make application for a quantity of Opium to be delivered to them out of the quantity advertized for Sale at each or any of the Twelve Sales above-mentioned, but shall not pay for it within the prescribed period of payment, the Deputy Governor of Bengal reserves to himself the right of disposing of the Opium which the French Authorities may so fail to pay for either by increasing the quantity reserved at the Sale next ensuing the date of payment, or by selling it at a Sale to be held expressly for the purpose.

Article of the Convention above referred to.

"Art. 6th.—With regard to the Trade in "Opium it is agreed be- "tween the high contract- "ing parties that at each "of the periodical Sales of that Article there shall "be reserved for the French Government, and "delivered upon requisition duly made by the "Agents of His Most Christain Majesty or by the "persons duly appointed by them, the number of "Chests so applied for, provided that such supply "shall not exceed three hundred Chests in each "year, and the price for the same shall be deter- "mined by the average rate at which Opium shall "have been sold at every such periodical Sale, it "being understood that if the quantity of Opium "applied for at any one time shall not be taken "on account of the French Government by the "Agents of His Most Christian Majesty within "the usual period of delivery the quantity so "applied for shall nevertheless be considered as "so much in reduction of the three hundred "Chests herein before-mentioned; the requisitions "for Opium as aforesaid are to be addressed to "the Governor General at Calcutta, within thirty "days after notice of the intended Sales shall "have been published in the Government Gazette."

"*No.* 2602.—*Simla, 25th October*, 1847.—Unattached Ensign J. Moore to be Adjutant of the 1st Seikh Local Infantry, vice Unattached Ensign Sheffield resigned."

(Sd.) W. Edwards,

*Under Secy. to the Govt. of India, with the Govr. Genl.*"

*Simla, 8th October* 1847.—The Right Hon'ble the Governor General having taken into consideration the rules under which Officers of Mounted Corps are at present permitted to select Chargers, and the difficulty represented to have been experienced by them in obtaining Chargers by private purchase in the market, is pleased to rescind the Regulations published in Government General Orders No. 124 of the 26th June 1837, and No. 37 of 22nd January 1847, and to substitute for them the following revised rules, which are to have effect from this date.

In modifying the Regulations on this subject, the Governor General is desirous of affording the Officers of Horse Artillery and Cavalry every facility, consistent with the interests of Government, of mounting themselves efficiently from the Remounts allotted to Corps, under conditions which will be hereafter specified; but with reference to the additional expense now entailed on the State by retaining the Horses at the Remount Depôt at Kurnaul until they are five years old, whereby their value is considered to be proportionably enhanced, the price to be paid for all Stud-bred, Arab or Colonial Remounts, is in future to be seven hundred (700) Rupees.

The Governor General having also taken into consideration the necessity for Officers attached to Light Field Batteries being mounted on parade, is pleased to extend to them the privilege of selecting Chargers from Horses the property of the State. Their selection, however, is limited to the Remounts which join their Batteries, and the price to be paid for each, is the maximum price allowed by Government for their purchase, viz. four hundred (400) Rupees.

1. In the first instance every Officer attached, and doing duty with a Troop of Horse Artillery or Regiment of Cavalry, will be permitted to select from the Remounts of the Regiment, two Horses as Chargers; and the Medical Officers, Veterinary Surgeons and Riding Masters of such Corps, when permanently attached, one Horse of the same description, on the terms hereinafter specified. Selected Chargers now in the possession of Officers are to come under these regulations.

2. In the same manner every European Commissioned Officer attached to Horse Field Batteries, will be allowed to select Chargers from the Remounts which join their Batteries.

3. Horses sent as Remounts from the Depôt to complete Corps, shall be continued to be considered as such for three months from the date of their joining.

4. When two or more Officers are to select at the same time, the Senior is to have the first choice, but must not be permitted to choose a second Horse till his Junior or Juniors have chosen one.

5. Horses selected as Chargers are always to be branded with the mark of the Regiment, and entered on the Descriptive Roll of the Corps when they are delivered over to the Selecting Officer.

6. No Officer is to be allowed to replace his Charger, from Horses the property of the State, unless the animal was duly entered in the "Register of Officer's Chargers;" and only then in the event of such Charger having died, been killed in action, captured, stolen, lost, shot at the recommendation of a Station or Detachment Committee, or have been reported by such a Committee unfit for further service, from age, vice, disease. or permanent unsoundness. In cases where the Charger has been reported unfit for further service, without being infectiously diseased, his Owner may dispose of him at his discretion.

7. Officers returning from Furlough or rejoining from Staff employ, are permitted to select Chargers, as allowed in Articles 1 and 2, without reference to their having enjoyed that indulgence before they proceeded to Europe, or were detached on Staff employ.

8. Selected Chargers may be exchanged between Officers of the same Corps, with the sanction of the Commanding Officer; or when their full price has been recovered by the Pay Master, may be sold to any Officer of the same Corps entitled to a choice; the purchaser in that case to stand in the place of such choice, and the seller to be allowed to select another Charger.

9. An Officer who finds on trial that he has made an unsuitable selection, may return the Horse to the Ranks and select another from the Regimental Remounts, provided his desire to do so, be made known to the Commanding Officer of the Corps within three months, from the date of selection, and provided the Horse to be returned, be reported by a Regimental Committee, as sound and fit for the Service as when selected.

10. At any time after the lapse of six months, and within twelve from the date of selection, a Charger may, with the permission of the Commanding Officer of the Corps, be returned for the purpose of being placed in the Ranks, if reported by a Regimental Committee to be perfectly fit for the Service; but in such case, the Officer returning the Horse, will not be permitted to choose another in his room, and will merely be entitled to receive back from the Pay Master the full price, or such portion of the price as may have been deducted from his Pay and Allowances.

11. In all cases where an Officer wishes to select a Charger, or to sell, exchange, or place in the Ranks, a selected Charger, he is to make a written application to the Commanding Officer of his Corps, who when necessary, will assemble a Regimental Committee composed of a President, not under the rank of Captain, and two Subalterns as members; the report of proceedings of which are not to be considered complete without his, the Commanding Officer's, countersignature.

12. When Officers are removed from one Brigade of Horse Artillery, Regiment of Cavalry, or Horse Field Battery, to another, they may take their selected Chargers with them; and the Horses so transferred are to be erased from the Register of the one Corps and entered in that of the other.

13. The selected Chargers of Officers who may retire from the service, proceed on Furlough to Europe, be nominated to the General Staff, or any other detached permanent employ, or be transferred from the Horse to the Foot Artillery, or from a Horse Field Battery to the Horse Artillery, are not to be sold or taken out of the Regiment, Troop or Battery to which their owners belonged, unless purchasers cannot be found in the Corps, and the Horses be pronounced by a Regimental Committee unfit for admission to the ranks, in which cases they may be disposed of at the discretion of their owners.

14. The terms on which Chargers, the property of the several classes of Officers specified in the foregoing para., are in the first instance to be offered for sale to such Officers of the Corps as are entitled to select Chargers, and in default of purchasers to be tendered for admission to the ranks, are, as follows.

If six years old, full price, and if above six, but not exceeding twelve years, a deduction is to be made at the rate of ten per cent. per annum for the period elapsed since the Horse attained the age of six years.

| | Horse Artillery and Cavalry. | Horse Field Battery. |
|---|---|---|
| 6 Years full price Rupees ..... | 700 | 400 |
| 7 ... „ ... „ ... | 630 | 360 |
| 8 ... „ ... „ ... | 560 | 320 |
| 9 ... „ ... „ ... | 490 | 280 |
| 10 ... „ ... „ ... | 420 | 240 |
| 11 ... „ ... „ ... | 350 | 200 |
| 12 ... „ ... „ ... | 280 | 160 |

Horses whose age exceeds twelve years, are not to be admitted into the ranks, but may be disposed of at the discretion of the Owners, or their representatives.

15. In the Annual Return furnished on the 1st of October by Officers Commanding Mounted Corps, showing the probable number of Horses that will be required to complete each Corps, a column will be added in which is to be inserted the number of Chargers required by Officers.

16. The price of Chargers selected by Officers, to be realized from their Pay and Allowances by Deputy Pay Masters, in four equal monthly deductions from Field Officers, Captains and Surgeons; and in eight similar deductions from Subalterns, Assistant Surgeons, Veterinary Surgeons and Riding Masters. When an Officer has occasion to select two Horses, double time will be allowed for payment; and in all cases the deductions are to commence with the first issue of Pay after the date of selection.

17. Should an Officer die before the full price of his selected Charger has been recovered, the Horse if reported by a Committee fit in all respects for the service, is to be received into the ranks, and the amount deducted will be refunded by the Deputy Pay Master to the legal representative of the deceased; but if reported unfit for the service, the Horse is to be sold under the orders of the Commanding Officer of the Regiment, who, from the proceeds of the sale, will remit to the Deputy Pay Master the sum remaining due to Govern-

ment, and pay the balance, if any, to the person entitled to receive it.

18 When an Officer has selected and been put in possession of a Charger, he will immediately transmit, in duplicate, a descriptive roll of, and receipt for the Horse selected, to the Officer Commanding the Corps, who having countersigned them, and caused a transcript of them to be entered in the "Register of Officer's Chargers," will transmit one copy to the Deputy Pay Master within whose circle the Corps may be, and the other to the Military Auditor General.

19. The Commanding Officer of the Corps will then direct the Officer in whose Abstract the Pay and Allowances of the individual who selected the Charger are drawn, to insert at the foot of each Abstract, until the necessary deductions shall be completed, a Notification to the following effect:

Deduct from A B's Pay and Allowances Rupees being the first (or as the case may be, 2d, 3d, &c.) monthly deduction on account of a Charger selected by him from the Remount Horses which joined the Corps on the day of 18 .

20. At the close of each year the Military Auditor General will compare the receipts with the amount realized on account of selected Chargers, and will take immediate steps for recovering any sums that may be over due.

Quarterly Returns of Horses selected as Chargers will be furnished regularly to the Adjutant General of the Army, by Officers Commanding Mounted Corps, as directed in General Orders by the Commander in Chief, 14th November 1838.

*No.* 966 *of* 1847.

*General Department.*

To W. TAYLER, Esquire,
*Post Master General, Calcutta.*

SIR,—Adverting to my Letter, dated the 2d instant, I have the honor to suggest for your consideration, whether it would not be advisable to publish a Notice in the Calcutta Papers, intimating to the public generally, especially the Mercantile Community, that, if they desire their Overland Letters, to be forwarded on by the Government Overland Express, they should request their Correspondents to mark "per Express," and to keep within the *limited weight of two tolas;* and that, meanwhile, until the system becomes generally known, they ought to advise me, whether they wish any of their Letters, not so marked, to be sent on from Bombay by the Express.

2d.—By the last Express I dispatched as usual a number of Overland Letters, not especially marked, because, had I not done so, great disappointment would have been experienced by parties in Calcutta; but I intend to discontinue the practice, after a sufficient time has elapsed to admit of the public becoming aware of the privilege conceded by the Notification of May issued by the London General Post Office, and to dispatch by he Overland Express those Letters only which are so marked.

3d.—The public ought moreover to be most especially warned not to mark "per Express" on letters *exceeding two tolas in weight*, because such letters cannot be so dispatched. They will invariably be detained (as was the case on the arrival of the last Mail,) for transmission by the post regular dawk, dispatched after the Express.

4th.—I shall feel much obliged by your favoring me with a list of "Newspaper Offices" in Calcutta, and by your informing the parties connected therewith that not more than two papers (whether sent out from England marked "per Express," or posted in Bombay to go by Express) will, in future, be forwarded by the Government Express. Some of the Newspaper Offices have as many as six Overland Papers marked "per Express," but, as they cannot be so forwarded, it is useless to have them so marked.

5th.—The new rule limits the weight of a Newspaper to 3 *tolas*, but, if that were acted up to, the Newspaper Offices would be deprived altogether of the privilege conceded by the Notification of May last, as an Overland Paper invariably weighs more than 3 and generally very nearly 6 tolas. I have therefore determined to send two Overland Papers to each Office, *without reference to that limit*, and shall continue the practice until I receive orders to the contrary from Government or the Home Authorities.

I have, &c.,

GENERAL POST OFFICE, MAY 1847.

The Post Master General having been informed by the Court of Directors of the East India Company, that on and after the 1st June next, persons in this Country may forward private correspondence by the Government Express from Bombay to Calcutta and Madras, all persons desirous of availing themselves of this privilege, will be required to mark upon the covers of their letters the words "By Express from Bombay," and in addition to this special address, it will be necessary, that all letters intended to be forwarded by the way of Southampton, should be so endorsed as hitherto; the postage to be charged in India in the delivery of letters sent by this Express will be in addition to the ordinary Inland rates.

One Rupee for every letter not exceeding half a tola in weight.

Two Rupees for every letter above half a tola, but not exceeding one tola in weight.

Four Rupees for every letter above one tola, but not exceeding two tolas in weight, two tolas being the maximum weight of letters to be conveyed by Express.

On Newspapers, each Newspaper Office in Calcutta and Madras, will be allowed to receive two Newspapers at the ordinary rates of Inland postage, on all other Newspapers forwarded by Express a postage of five Rupees each will be charged, and no Newspaper will be received for the Express exceeding three tolas in weight.

N. B. One tola and a quarter is nearly equivalent to half an ounce avoirdupoise.

| | | |
|---|---|---|
| Produce of Behar Agency, | Chests | 1,830 |
| Ditto of Benares ditto, | „ | 780 |
| Total Chests,... | | 2,610 |

### CONDITIONS OF SALE.

1st.—The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2d.—The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price; except under the circumstances for which provision is made by Clause 12th of the Conditions of Sale.

3d.—The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M; but if at that hour any of the lots advertized for Sale shall remain unsold, the Sale may at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a public Holiday) at the hour

of 11 A. M., and so on until the whole of the remaining lots are disposed of; or, if the quantity of 2,610 Chests shall not be sold on the day advertized, the Board may dispose of the Lots which remain on hand at a future Sale.

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 25 per Cent. even money of the amount for which each lot is knocked down, shall be made by the purchaser in the Sale Room, and before the lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the Purchasers at this Office, by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Wednesday, the 1st December 1847; or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid, shall have been delivered in, shall be re-sold at such time or times, and under such conditions of re-sale as the Board of Customs, Salt and Opium, shall see fit, and all loss and expences whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 1st December 1847, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th.—No Tender of Money, Sub-Treasurer's Receipts or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 1st December, will be afterwards accepted.

8th.—The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday the 14th December 1847, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or any Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium, shall think fit, and the first Purchaser shall further be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when clearance has been made by the said Purchaser or his order.

11th.—The Officer Superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bonâ fide bidder for a lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the Purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the Purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1—Certificate of the Opium now advertized for Sale.

No. 2—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the years 1846-47, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and

Benares, and a statement of the average weight of the chests indiscriminately taken for the purpose of comparison from the dispatches on arrival at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertised for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

18th.—The Public are hereby informed, that in addition to the quantity above mentioned, the following quantities more or less of Behar and Benares Opium of 1846-47, will be brought to sale in the present season on or about the dates specified below:

If the Agents of the French Government shall not make the requisition for Opium within the time above-mentioned the entire quantity of about 31,315 Chests of Behar and Benares as above estimated will be brought to Sale in the usual manner, and if they shall make application for a quantity of Opium to be delivered to them out of the quantity advertized for Sale at each or any of the Twelve Sales above-mentioned, but shall not pay for it within the prescribed period of payment, the Deputy Governor of Bengal reserves to himself the right of disposing of the Opium which the French Authorities may so fail to pay for either by increasing the quantity reserved at the Sale next ensuing the date of payment, or by selling it at a Sale to be held expressly for the purpose.

Article of the Convention above referred to.

"Art. 6th.—With regard to the Trade in "Opium it is agreed be- "tween the high contract- "ing parties that at each "of the periodical Sales of that Article there shall "be reserved for the French Government, and "delivered upon requisition duly made by the "Agents of His Most Christain Majesty or by the "persons duly appointed by them, the number of "Chests so applied for, provided that such supply "shall not exceed three hundred Chests in each "year, and the price for the same shall be deter- "mined by the average rate at which Opium shall "have been sold at every such periodical Sale, it "being understood that if the quantity of Opium "applied for at any one time shall not be taken "on account of the French Government by the "Agents of His Most Christian Majesty within "the usual period of delivery the quantity so "applied for shall nevertheless be considered as "so much in reduction of the three hundred "Chests herein before-mentioned; the requisitions "for Opium as aforesaid are to be addressed to "the Governor General at Calcutta, within thirty "days after notice of the intended Sales shall "have been published in the Government Gazette."

By order of the Board of Customs, Salt and Opium,

*No.* 966 *of* 1847.

*General Department.*

To W. TAYLER, Esquire,
*Post Master General, Calcutta.*

SIR,—Adverting to my Letter, dated the 2d instant, I have the honor to suggest for your consideration, whether it would not be advisable to publish a Notice in the Calcutta Papers, intimating to the public generally, especially the Mercantile Community, that, if they desire their Overland Letters, to be forwarded on by the Government Overland Express, they should request their Correspondents to mark "per Express," and to keep within the *limited weight of two tolas;* and that, meanwhile, until the system becomes generally known, they ought to advise me, whether they wish any of their Letters, not so marked, to be sent on from Bombay by the Express.

2d.—By the last Express I dispatched as usual a number of Overland Letters, not especially marked, because, had I not done so, great disappointment would have been experienced by parties in Calcutta; but I intend to discontinue the practice, after a sufficient time has elapsed to admit of the public becoming aware of the privilege conceded by the Notification of May issued by the London General Post Office, and to dispatch by the Overland Express those Letters only which are so marked.

3d.—The public ought moreover to be most especially warned not to mark "per Express" on letters *exceeding two tolas in weight*, because such letters cannot be so dispatched. They will invariably be detained (as was the case on the arrival of the last Mail,) for transmission by the post regular dawk, dispatched after the Express.

4th.—I shall feel much obliged by your favoring me with a list of "Newspaper Offices" in Calcutta, and by your informing the parties connected therewith that not more than two papers (whether sent out from England marked "per Express," or posted in Bombay to go by Express) will, in future, be forwarded by the Government Express. Some of the Newspaper Offices have as many as six Overland Papers marked "per Express," but, as they cannot be so forwarded, it is useless to have them so marked.

5th.—The new rule limits the weight of a Newspaper to 3 *tolas*, but, if that were acted up to, the Newspaper Offices would be deprived altogether of the privilege conceded by the Notification of May last, as an Overland Paper invariably weighs more than 3 and generally very nearly 6 tolas. I have therefore determined to send two Overland Papers to each Office, *without reference to that limit*, and shall continue the practice until I receive orders to the contrary from Government or the Home Authorities.

I have, &c.,

| | | |
|---|---|---|
| Produce of Behar Agency, ..... | Chests | 1,830 |
| Ditto of Benares ditto,..... | „ | 780 |
| Total Chests,... | | 2,610 |

### CONDITIONS OF SALE.

1st.—The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2d.—The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price; except under the circumstances for which provision is made by Clause 12th of the Conditions of Sale.

3d.—The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M; but if at that hour any of the lots advertized for Sale shall remain unsold, the Sale may at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a public Holiday) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of; or, if the quantity of 2,610 Chests shall not be sold on the day advertized, the Board may dispose of the Lots which remain on hand at a future Sale.

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 25 per Cent. even money of the amount for which each lot is knocked down, shall be made by the purchaser in the Sale Room, and before the lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the Purchasers at this Office, by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Wednesday, the 1st December 1847; or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid, shall have been delivered in, shall be re-sold at such time or times, and under such conditions of re-sale as the Board of Customs, Salt and Opium, shall see fit, and all loss and expences whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 1st December 1847, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th.—No Tender of Money, Sub-Treasurer's Receipts or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 1st December, will be afterwards accepted.

8th.—The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday the 14th December 1847, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or any Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium, shall think fit, and the first Purchaser shall further be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when clearance has been made by the said Purchaser or his order.

11th.—The Officer Superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bonâ fide bidder for a lot, after it has been offered for Sale in the mode here

described, shall be held and declared to be the Purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the Purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1—Certificate of the Opium now advertized for Sale.

No. 2—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the years 1846-47, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of the chests indiscriminately taken for the purpose of comparison from the dispatches on arrival at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertised for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

18th.—The Public are hereby informed, that in addition to the quantity above mentioned, the following quantities more or less of Behar and Benares Opium of 1846-47, will be brought to sale in the present season on or about the dates specified below:

19th.—It is hereby further notified, that under the 6th Article of the convention between Great Britain and France, dated the 7th March 1815, quoted below, the Agents in India of His Majesty the King of the French, or persons duly appointed by them, are entitled to demand that, out of the quantities of Behar and Benares Opium declared as above for sale at the Twelve Sales, in the months of November and December 1847, and January, February, March, April, May, June, July, August, September and October 1848, there shall be delivered to them at the average of the particular Sale or Sales to which the Opium so applied for may belong, a quantity not exceeding in the aggregate 300 Chests, and the Agents of the French Government must make requisition for the whole of the Opium required by them during the season within 30 days after the publication of this advertisement, specifying the particular Sale or Sales from which the quantity of Opium is intended to be taken. If the Agents of the French Government shall not make the requisition for Opium within the time above-mentioned the entire quantity of about 31,315 Chests of Behar and Benares as above estimated will be brought to Sale in the usual manner, and if they shall make application for a quantity of Opium to be delivered to them out of the quantity advertized for Sale at each or any of the Twelve Sales above-mentioned, but shall not pay for it within the prescribed period of payment, the Deputy Governor of Bengal reserves to himself the right of disposing of the Opium which the French Authorities may so fail to pay for either by increasing the quantity reserved at the Sale next ensuing the date of payment, or by selling it at a Sale to be held expressly for the purpose.

Article of the Convention above referred to.

"Art. 6th.—With regard to the Trade in "Opium it is agreed be- "tween the high contract- "ing parties that at each "of the periodical Sales of that Article there shall "be reserved for the French Government, and "delivered upon requisition duly made by the

SUPPLEMENT TO

# The Calcutta Gazette.

Published by Authority.

WEDNESDAY, NOVEMBER 10, 1847.

*Fort William, Home Department, Legislative, the 6th November* 1847.

The following Extract from the proceedings of the Hon'ble the President of the Council of India in Council, in the Legislative branch of the Home Department, under date the 6th November 1847, is published for general information:

Read a second time the Draft of a proposed Act dated the 31st October 1846, and published in the *Calcutta Gazette* of the 7th November 1846, to enable the Commissioners who may be appointed under Act —— to purchase real or personal property for the improvement of the Town of Calcutta.

*Resolution.*—The Hon'ble the President in Council resolves that the following amended Draft on the subject be published for general information:

ACT No. —— OF 1847.

*To enable the Commissioners who may be appointed under Act XVI. of* 1847 *to purchase and hold real or personal property for the improvement of the Town of Calcutta.*

Whereas by Act XVI. of 1847, entitled an Act for constituting Commissioners for the Improvement of the Town of Calcutta, partly by appointment of the Government and partly by election of the Rate-payers, provision was made for the appointment and election of such Commissioners, or in default of election, for the appointment of the whole of such Commissioners.

And whereas it is expedient, that provision should be made to enable such Commissioners to purchase and hold real or personal property for the purposes aforesaid in manner hereinafter mentioned.

And whereas it is probable that benevolent and public spirited individuals, with the view of contributing to the improvement and adornment of the said Town may be desirous of settling real or personal property by Deed or Will upon such Commissioners:

I. It is therefore enacted, that the said Commissioners shall be Trustees for and on behalf of the Government of Fort William in Bengal, and of the inhabitants of Calcutta, and shall sue and be sued at Law and in Equity in Her Majesty's Supreme Court of Judicature at Fort William by the name of the Commissioners for the improvement of the Town of Calcutta, and shall have a common seal, and shall have power to take, purchase and hold lands, tenements, hereditaments, goods, chattels and other property, as such Trustees for the purposes aforesaid.

II. And it is enacted, that whenever it shall appear to the said Commissioners, or a majority of them, that it is necessary they should purchase any any houses, buildings or grounds for the purposes aforesaid, the said Commissioners shall represent the same to the Governor of Bengal, and if he shall consent thereto, but not otherwise, shall enter into treaties for the purchase of such houses, buildings or grounds with the owners thereof, and in case they shall not be able to come to agreement with such owners or the amount of compensation shall not be settled by arbitration as hereinafter provided, then the said Commissioners shall apply to the Sheriff of Calcutta to summon a Jury, and the said Sheriff shall forthwith summon a Jury in manner hereinafter mentioned, to assess the price which the said Commissioners shall pay to the said owner or owners for the purchase of such houses, buildings and grounds with all appurtenances as aforesaid.

III. And whereas it is expedient to make provision for those cases in which the said Commissioners may be able to purchase lands, buildings or tenements by agreement, it is enacted, that it shall and may be lawful for the said Commissioners to agree with the owners of any lands, buildings or tenements by this Act authorized to be taken and which shall be required for the purposes of this Act, and with all parties having any estate or interest in such lands, buildings or tenements, or by this Act, or by any other authority or power enabled to sell and convey the same, for the absolute purchase of any such lands, buildings or tenements, or such parts thereof as they shall think proper, and of all estates and interests in such lands of what kind soever.

IV. And it is enacted, that it shall and may be lawful for all parties being seized, possessed of, or entitled to any such lands, buildings or tenements, or any estate or interest therein, to sell and convey or release the same to the said Commissioners and to enter into all necessary agreements for that purpose, and particularly it shall be lawful for all or any of the following parties so seized, possessed or entitled as aforesaid so to sell, convey or release (that is to say) all corporations, tenants in tail, or for life, married women, seized in their own right or entitled to dower, guardians, com-

mittees of lunatics and idiots, trustees or feofees in trust for charitable or other purposes, executors and administrators, and all parties for the time being entitled to the receipt of the rents and profits of any such lands, in possession, or subject to any estate in dower, or to any lease for life or for lives, or for years, or any less interest, and the power so to sell and convey or release as aforesaid, may lawfully be exercised by all such parties not only on behalf of themselves and their respective Heirs, Executors, Administrators and Successors, but also for and on behalf of every person entitled in reversion, remainder or expectancy after them, or in defeasance of the estates of such parties, and as to such married women whether they be of full age or not as if they were sole and of full age, and as to such guardians on behalf of their wards, and as to such committee on behalf of the lunatics and idiots of whom they are the committees respectively, and that to the same extent as such wives, wards, lunatics and idiots respectively could have exercised the same power under the authority of this Act if they had respectively been under no disability, and as to such Trustees, Executors and Administrators on behalf of their cestui-que trusts whether infants, issue unborn, lunatics, femes covert or other persons, and that to the same extent as such cestui-que trusts respectively could have exercised the same powers under the authority of this Act if they had respectively been under no disability.

V. *Resolution.*—The Lieutenant Governor has reason to believe that the Orders of Government to the several Commissioners of Circuit, dated the 27th September 1831, on the subject of leasing Ferries, as quoted in the margin; have lately been overlooked, and therefore considers it desirable that the attention of Magistrates should again be drawn to them. At the same time His Honor conceives that cases may arise in which it will be advantageous to relax the restrictions contained in those orders against the leasing of more than one Ferry to one person, or the granting leases for a longer period than one year, His Honor is therefore pleased to resolve that, whenever a Magistrate may be desirous of obtaining exemption in any case from the restrictions above noticed, he shall make a special report on the subject to Government, through the Commissioner of the Division, and be guided by the orders which he may receive.

"Para. 5. It is on general grounds imcompatible with the strict control, which it is the primary object of the Regulation to establish on the part of the Magistrates over the Ferries, that engagements should be made with an individual for more than one Ferry, or a longer period than one year. You are therefore requested to issue instructions, that engagements should be taken from different persons for each Ferry, and in no instance for a longer period than one year."

Ordered, that the above Resolution be published in the Gazette, for general information.

*No. 966 of* 1847.

*General Department.*

To W. TAYLER, Esquire,

*Post Master General, Calcutta.*

SIR,—Adverting to my Letter, dated the 2d instant, I have the honor to suggest for your consideration, whether it would not be advisable to publish a Notice in the Calcutta Papers, intimating to the public generally, especially the Mercantile Community, that, if they desire their Overland Letters, to be forwarded on by the Government Overland Express, they should request their Correspondents to mark "per Express," and to keep within the *limited weight of two tolas;* and that, meanwhile, until the system becomes generally known, they ought to advise me, whether they wish any of their Letters, not so marked, to be sent on from Bombay by the Express.

2d.—By the last Express I dispatched as usual a number of Overland Letters, not especially marked, because, had I not done so, great disappointment would have been experienced by parties in Calcutta; but I intend to discontinue the practice, after a sufficient time has elapsed to admit of the public becoming aware of the privilege conceded by the Notification of May issued by the London General Post Office, and to dispatch by he Overland Express those Letters only which are so marked.

3d.—The public ought moreover to be most especially warned not to mark "per Express" on letters *exceeding two tolas in weight*, because such letters cannot be so dispatched. They will invariably be detained (as was the case on the arrival of the last Mail.) for transmission by the post regular dawk, dispatched after the Express.

4th.—I shall feel much obliged by your favoring me with a list of "Newspaper Offices" in Calcutta, and by your informing the parties connected therewith that not more than two papers (whether sent out from England marked "per Express," or posted in Bombay to go by Express) will, in future, be forwarded by the Government Express. Some of the Newspaper Offices have as many as six Overland Papers marked "per Express," but, as they cannot be so forwarded, it is useless to have them so marked.

5th.—The new rule limits the weight of a Newspaper to 3 *tolas*, but, if that were acted up to, the Newspaper Offices would be deprived altogether of the privilege conceded by the Notification of May last, as an Overland Paper invariably weighs more than 3 and generally very nearly 6 tolas. I have therefore determined to send two Overland Papers to each Office, *without reference to that limit*, and shall continue the practice until

I receive orders to the contrary from Government or the Home Authorities.

I have, &c.,

GENERAL POST OFFICE, MAY 1847.

The Post Master General having been informed by the Court of Directors of the East India Company, that on and after the 1st June next, persons in this Country may forward private correspondence by the Government Express from Bombay to Calcutta and Madras, all persons desirous of availing themselves of this privilege, will be required to mark upon the covers of their letters the words "By Express from Bombay," and in addition to this special address, it will be necessary, that all letters intended to be forwarded by the way of Southampton, should be so endorsed as hitherto; the postage to be charged in India in the delivery of letters sent by this Express will be in addition to the ordinary Inland rates.

One Rupee for every letter not exceeding half a tola in weight.

Two Rupees for every letter above half a tola, but not exceeding one tola in weight.

Four Rupees for every letter above one tola, but not exceeding two tolas in weight, two tolas being the maximum weight of letters to be conveyed by Express.

On Newspapers, each Newspaper Office in Calcutta and Madras, will be allowed to receive two Newspapers at the ordinary rates of Inland postage, on all other Newspapers forwarded by Express a postage of five Rupees each will be charged, and no Newspaper will be received for the Express exceeding three tolas in weight.

|---|---|---|
| Produce of Behar Agency, ..... | Chests | 1,830 |
| Ditto of Benares ditto,..... | „ | 780 |
| Total Chests,... | | 2,610 |

### CONDITIONS OF SALE.

1st.—The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2d.—The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price; except under the circumstances for which provision is made by Clause 12th of the Conditions of Sale.

3d.—The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M; but if at that hour any of the lots advertized for Sale shall remain unsold, the Sale may at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a public Holiday) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of; or, if the quantity of 2,610 Chests shall not be sold on the day advertized, the Board may dispose of the Lots which remain on hand at a future Sale.

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 25 per Cent. even money of the amount for which each lot is knocked down, shall be made by the purchaser in the Sale Room, and before the lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the Purchasers at this Office, by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Wednesday, the 1st December 1847; or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid, shall have been delivered in, shall be re-sold at such time or times, and under such conditions of re-sale as the Board of Customs, Salt and Opium, shall see fit, and all loss and expences whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 1st December 1847, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th.—No Tender of Money, Sub-Treasurer's Receipts or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 1st December, will be afterwards accepted.

8th.—The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday the 14th December 1847, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or any Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium, shall think fit, and the first Purchaser shall further be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates, or Orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when clearance has been made by the said Purchaser or his order.

11th.—The Officer Superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bonâ fide bidder for a lot, after it has been offered for Sale in the mode here

described, shall be held and declared to be the Purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the Purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1—Certificate of the Opium now advertized for Sale.

No. 2—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the years 1846-47, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of the chests indiscriminately taken for the purpose of comparison from the dispatches on arrival at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertised for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

18th.—The Public are hereby informed, that in addition to the quantity above mentioned, the following quantities more or less of Behar and Benares Opium of 1846-47, will be brought to sale in the present season on or about the dates specified below:

Published by Authority.

SATURDAY, NOVEMBER 13, 1847.

*Fort William, Home Department, Legislative, the 6th November* 1847.

The following Extract from the proceedings of the Hon'ble the President of the Council of India in Council, in the Legislative branch of the Home Department, under date the 6th November 1847, is published for general information:

Read a second time the Draft of a proposed Act dated the 31st October 1846, and published in the *Calcutta Gazette* of the 7th November 1846, to enable the Commissioners who may be appointed under Act —— to purchase real or personal property for the improvement of the Town of Calcutta.

*Resolution.*—The Hon'ble the President in Council resolves that the following amended Draft on the subject be published for general information:

ACT No. —— OF 1847.

*To enable the Commissioners who may be appointed under Act XVI. of* 1847 *to purchase and hold real or personal property for the improvement of the Town of Calcutta.*

Whereas by Act XVI. of 1847, entitled an Act for constituting Commissioners for the Improvement of the Town of Calcutta, partly by appointment of the Government and partly by election of the Rate-payers, provision was made for the appointment and election of such Commissioners, or in default of election, for the appointment of the whole of such Commissioners.

And whereas it is expedient, that provision should be made to enable such Commissioners to purchase and hold real or personal property for the purposes aforesaid in manner hereinafter mentioned.

And whereas it is probable that benevolent and public spirited individuals, with the view of contributing to the improvement and adornment of the said Town may be desirous of settling real or personal property by Deed or Will upon such Commissioners:

I. It is therefore enacted, that the said Commissioners shall be Trustees for and on behalf of the Government of Fort William in Bengal, and of the inhabitants of Calcutta, and shall sue and be sued at Law and in Equity in Her Majesty's Supreme Court of Judicature at Fort William by the name of the Commissioners for the improvement of the Town of Calcutta, and shall have a common seal, and shall have power to take, purchase and hold lands, tenements, hereditaments, goods, chattels and other property, as such Trustees for the purposes aforesaid.

II. And it is enacted, that whenever it shall appear to the said Commissioners, or a majority of them, that it is necessary they should purchase any any houses, buildings or grounds for the purposes aforesaid, the said Commissioners shall represent the same to the Governor of Bengal, and if he shall consent thereto, but not otherwise, shall enter into treaties for the purchase of such houses, buildings or grounds with the owners thereof, and in case they shall not be able to come to agreement with such owners or the amount of compensation shall not be settled by arbitration as hereinafter provided, then the said Commissioners shall apply to the Sheriff of Calcutta to summon a Jury, and the said Sheriff shall forthwith summon a Jury in manner hereinafter mentioned, to assess the price which the said Commissioners shall pay to the said owner or owners for the purchase of such houses, buildings and grounds with all appurtenances as aforesaid.

III. And whereas it is expedient to make provision for those cases in which the said Commissioners may be able to purchase lands, buildings or tenements by agreement, it is enacted, that it shall and may be lawful for the said Commissioners to agree with the owners of any lands, buildings or tenements by this Act authorized to be taken and which shall be required for the purposes of this Act, and with all parties having any estate or interest in such lands, buildings or tenements, or by this Act, or by any other authority or power enabled to sell and convey the same, for the absolute purchase of any such lands, buildings or tenements, or such parts thereof as they shall think proper, and of all estates and interests in such lands of what kind soever.

IV. And it is enacted, that it shall and may be lawful for all parties being seized, possessed of, or entitled to any such lands, buildings or tenements, or any estate or interest therein, to sell and convey or release the same to the said Commissioners and to enter into all necessary agreements for that purpose, and particularly it shall be lawful for all or any of the following parties so seized, possessed or entitled as aforesaid so to sell, convey or release (that is to say) all corporations, tenants in tail, or for life, married women, seized in their own right or entitled to dower, guardians, com-

mittees of lunatics and idiots, trustees or feofees in trust for charitable or other purposes, executors and administrators, and all parties for the time being entitled to the receipt of the rents and profits of any such lands in possession, or subject to any estate in dower, or to any lease for life or for lives, or for years, or any less interest, and the power so to sell and convey or release as aforesaid, may lawfully be exercised by all such parties not only on behalf of themselves and their respective Heirs, Executors, Administrators and Successors, but also for and on behalf of every person entitled in reversion, remainder or expectancy after them, or in defeasance of the estates of such parties, and as to such married women whether they be of full age or not as if they were sole and of full age, and as to such guardians on behalf of their wards, and as to such committee on behalf of the lunatics and idiots of whom they are the committees respectively, and that to the same extent as such wives, wards, lunatics and idiots respectively could have exercised the same power under the authority of this Act if they had respectively been under no disability, and as to such Trustees, Executors and Administrators on behalf of their cestui-que trusts whether infants, issue unborn, lunatics, femes covert or other persons, and that to the same extent as such cestui-que trusts respectively could have exercised the same powers under the authority of this Act if they had respectively been under no disability.

V. And it is enacted, that the purchase money, consideration, or compensation to be paid or given for any lands, buildings or tenements to be purchased or taken from any party under any disability or incapacity, and not having any power to sell or convey such lands except under the provisions of this Act, and the compensation to be paid for any permanent damage or injury to any such lands, buildings or tenements, shall in all cases be determined by the verdict of a jury to be summoned as hereinafter provided.

VI. And it is enacted, that it shall be lawful for any person seized in fee or entitled absolutely for his own benefit to any lands, buildings or tenements authorized to be purchased for the purposes of this Act to sell and convey such lands, buildings or tenements, or any part thereof, unto the said Commissioners in consideration of an annual rent-charge payable by the said Commissioners, but except as aforesaid the consideration to be paid for the purchase of any such lands, buildings or tenements, or for any damage done thereto, shall be in a gross sum.

VII. And it is enacted, that the yearly rent reserved by any conveyance of lands, buildings or tenements purchased by the said Commissioners for the purposes of this Act shall be charged on the rates hereinafter authorized to be raised and levied, and shall be paid by the said Commissioners as such rents become payable, and if at any time any such rents be not paid within thirty days after they so become payable, and after demand thereof in writing, the person to whom any such rent shall be payable, may recover the same from the said Commissioners with costs of suit by action of debt in the said Supreme Court.

VIII. And it is enacted, that when the said Commissioners shall require to purchase or take any of the lands, buildings or tenements which by this Act they are authorized to purchase or take, they shall give notice thereof to all the parties interested in such lands, or to the parties enabled by this Act to sell and convey or release the same or such of the said parties as shall after diligent inquiry be known to the said Commissioners, and by such notice shall demand from such parties the particulars of their estate and interest in such lands and of the claims made by them in respect thereof, and every such notice shall state the particulars of the lands so required, and that the said Commissioners are willing to treat for the purchase thereof, and as to the compensation to be made to all parties for the damage that may be sustained by them by reason of the execution of the works.

IX. And it is enacted, that all notices required to be served by the said Commissioners upon the parties interested in or entitled to sell any such lands, buildings or tenements shall either be served personally on such parties, or left at their last usual place of abode if any such can after diligent inquiry be found, and in case any such parties shall be absent from the said Town or cannot be found after diligent inquiry, such notices shall be left with the occupier of such lands, or if there be no such occupier shall be affixed upon some conspicuous part of such lands.

X. And it is enacted, that if the party claiming compensation desire to have the same settled by arbitration, and signify such desire by notice in writing to the said Commissioners before they have issued their warrant to the Sheriff to summon a jury in respect of such lands under the provisions hereinafter contained, stating in such notice the nature of the interest, in respect of which such party claims compensation, and the amount of the compensation so claimed the same shall be so settled by arbitration accordingly, but unless the party claiming compensation shall as aforesaid signify his desire to have the question of such compensasion settled by arbitration, or if when the matter shall have been referred to arbitration the arbitrators or the umpire shall for three months have failed to make their or his award, or if no final award shall be made, the question of such compensation shall be settled by the verdict of a jury as hereinafter provided.

XI. And it is enacted, that when any question of disputed compensation by this Act authorized or required to be settled by arbitration, shall have arisen then unless both parties shall concur in the appointment of a single arbitrator, each party on the request of the other party shall nominate and appoint an arbitrator to which two arbitrators such dispute shall be referred, and every appointment of an arbitrator shall be made on the part of the said Commissioners under the hands of two of the said Commissioners, or of their Clerk duly authorized by such two Commissioners, and on the part of any other party under the hand of such party, or if such party be a corporation aggregate under the common seal of such corporation, and such appointment shall be delivered to the arbitrator or arbitrators, and shall be deemed a submission to arbitration on the prrt of the party by whom the same shall be made, and after any such appointment shall have been made neither party shall have power to revoke the same without the consent of the other, nor shall the death of either party operate as a revocation, and if after any such dispute shall have arisen and after a request in writing in which shall be stated the matter so required to be referred to arbitration, shall have been served by the one party on the other party to appoint an arbitrator, such last mentioned party fail within fourteen days after such service to appoint such arbitrator, then

upon such failure the party making the request, and having himself appointed an arbitrator may appoint such arbitrator to act on behalf of both parties, and such arbitrator may proceed to hear and determine the matters which shall be in dispute, and in such case the award or determination of such single arbitrator shall be final.

XII. And it is enacted, that if before the matters so referred shall be determined, any arbitrator appointed by either party shall die or become incapable to act, the party by whom such arbitrator was appointed may nominate and appoint in writing some other person to act in his place, and if for the space of seven days after notice in writing from the other party for that purpose he shall fail to do so, the remaining or other arbitrator may proceed to hear and determine the matters which shall be in dispute, and every arbitrator who shall be so substituted as aforesaid shall have the same power and authorities as were vested in the former arbitrator at the time of such his death or disability aforesaid.

XIII. And it is enacted, that where more than one arbitrator shall have been appointed such arbitrators shall before they enter upon the matters referred to them, nominate and appoint by writing under their hands an umpire to decide on any such matters on which they shall defer, or which shall be referred to him under the provisions of this Act, and if such umpire shall die or become incapable to act, they shall forthwith after such death or incapacity appoint another umpire in his place, and the decision of every such umpire on the matters so referred to him shall be final.

XIV. And it is enacted, that if in either of the cases aforesaid the said arbitrators shall refuse, or shall for seven days after request of either party to such arbitration, neglect to appoint an umpire, any two of the Magistrates of Calcutta shall on the application of either party to such arbitration appoint an umpire, and the decision of such umpire on the matters on which the arbitrators shall differ or which shall be referred to him under this Act shall be final.

XV. And it is enacted, that when a single arbitrator shall have been appointed as hereinbefore provided, and such arbitrator shall die or become incapable to act before he shall have made his award, the matters referred to him shall be determined by arbitrators under the provisions of this Act in the same manner as if such arbitrator had not been appointed.

XVI. And it is enacted, that if where more than one arbitrator shall have been appointed either of the arbitrators refuse, or for seven days after the day of his appointment shall neglect to act, the other arbitrator may proceed to hear and determine the matters in dispute, and the decision of such other arbitrator shall be as effectual as if he had been the single arbitrator appointed by both parties.

XVII. And it is enacted, that if where more that one arbitrator shall have been appointed and where neither of them shall refuse or neglect to act as aforesaid, but such arbitrators shall fail to make their award within twenty-one days after the day on which the last of such arbitrators shall have been appointed, or within such extended time, (if any) as shall have been appointed for that purpose by both such arbitrators under their hands, the matters referred to them shall be determined by the umpire to be appointed as aforesaid.

XVIII. And it is enacted, that the said arbitrators or their umpire may call for the production of any documents in the possession or power of either party which they or he may think necessary for determining the question in dispute, and may examine the parties or their witnesses on oath or solemn affirmation, and administer the oaths and solemn affirmation necessary for that purpose.

XIX. And it is enacted, that before any such arbitrator or umpire as aforesaid shall enter into the consideration of any matters referred to him he shall in the presence of a Magistrate of Calcutta make and subscribe the following declaration, that is to say—

I, A. B., do solemnly and sincerely declare that I will fai thfully and honestly to the best of my skill and ability hear and determine the matters referred to me under the provisions of the Act ( )

A. B.

Made and subscribed
in the presence of C. D.

And such declaration shall be annexed to the award when made, and if any arbitrator or umpire having made such declaration shall wilfully act contrary thereto, he shall be deemed guilty of a misdemeanour.

XX. And it is enacted, that all the costs of any such arbitration and incident thereto, shall be settled by the said arbitrators and shall be borne by the said Commissioners, unless the arbitrators shall award the same or a less sum than shall have been offered by the said Commissioners in which case each party shall bear their own costs incident to the said arbitration, and the costs of the said arbitrators shall be borne by the parties in equal proportions.

XXI. And it is enacted, that the said arbitrators or the said umpire, as the case may be, shall deliver their award in writing to the said Commissioners, and the said Commissioners shall retain the same, and on demand made at the office of their Clerk shall forthwith at their own expense furnish a copy thereof to the other party to the arbitration, and shall at all reasonable times when thereunto required produce the said award and allow the same to be inspected or examined at the office of their said Clerk by such party or any person appointed by him for that purpose.

XXII. And it is enacted, that the submission to any such arbitration as aforesaid may be made a rule of the said Supreme Court on the application of either or any party thereto, and may be enforced against all necessary parties by any rule, order or decree of the said Court notwithstanding that any or either of the said parties are not otherwise subject to the jurisdiction of the said Court.

XXIII. And it is enacted, that no award made with respect to any question referred to arbitration under the provisions of this Act shall be set aside for irregularity or error in matter of form.

XXIV. And it is enacted, that in every case in which a dispute or difference shall arise between the said Commissioners, and any person or persons whose property they may intend or desire to purchase for the purposes of this Act as to the amount of compensation to be paid for the said property which difference and dispute either of the said parties shall refuse to settle by arbitration the said Commissioners shall issue a warrant in writing signed by any one of them and sealed with their common seal to the Sheriff of Calcutta, requiring him to

summon a jury for the purpose of settling the said difference or dispute, and if such Sheriff be interested in the matter in dispute such warrant shall be addressed and sent to the Coroner of Calcutta, and if the said Sheriff and the said Coroner be both of them interested in the said matter then the said warrant shall be addressed and sent to the last person who shall have filled the office of Sheriff of Calcutta who is not interested in the said matter, and who is at the time of the issuing the said warrant an inhabitant of the said Town of Calcutta, and every such Sheriff, Coroner, or Ex-Sheriff shall have power if he think fit to appoint a Deputy or Assessor.

XXV. And it is enacted, that throughout the enactments contained in this Act relative to a reference to a jury where the term Sheriff is used the provisions applicable thereto shall be held to apply to every Coroner or other person lawfully acting in the place of the Sheriff, and in every case in which any such warrant as aforesaid shall have been directed to any other person than the said Sheriff of Calcutta, such Sheriff shall immediately on receiving notice of the delivery of the warrant on application being made to him for that purpose deliver over to the person to whom the said warrant shall have been directed, or to any other fit and proper person appointed by him to receive the same the Jurors' book and Special Jurors' list for the Town of Calcutta.

XXVI. And it is enacted, that upon the receipt of such warrant as aforesaid the Sheriff shall summon a jury of ten indifferent persons duly qualified to act as common jurymen in Her Majesty's Supreme Court of Judicature aforesaid, to meet at a convenient time and place to be appointed by him for that purpose, such time not being less than fourteen nor more than twenty-one days after the receipt of such warrant, and such place not being more than  miles from the lands, buildings or tenements concerning and relating to which the said difference or dispute shall have arisen unless by consent of the parties interested some other time and place be agreed upon and settled, and the said Sheriff shall forthwith give notice to the said Commissioners of the time and place so appointed by him.

XXVII. And it is enacted, that out of and from the number of jurors appearing upon such summons as aforesaid, a jury of five persons shall be drawn by the said Sheriff in such manner and form as juries for trials of offences before the said Supreme Court are by the rules and orders of the said Court required to be drawn, and if a sufficient number of the jurymen so summoned as aforesaid do not appear in obedience to such summons as aforesaid the Sheriff shall return other indifferent men duly qualified as aforesaid of the bye-standers or others that can speedily be procured to make up the jury to the said number of five persons, and the said Commissioners and all other parties interested in the said lands, buildings or tenements may have and make their challenges against any of the said jurymen according to the course and practice of the said Supreme Court, but neither the said Commissioners nor any of the said parties interested as aforesaid shall challenge the array.

XXVIII. And it is enacted, that in every such inquiry as aforesaid the said Sheriff shall preside, and the party or parties claiming compensation from the said Commissioners shall be deemed the plaintiff or plaintiffs as the case may be, and shall have all such rights and privileges as the plaintiff is entitled to in the trial of actions at law in the Court of Queen's Bench at Westminster, and if the said Commissioners or any person interested in the said lands, buildings or tenements so request in writing the said Sheriff shall summon before him, any person who shall by the said Commissioners, or any person interested as aforesaid be considered necessary to be examined as a witness touching the matters in question, and on the like request the said Sheriff shall order the said jury to view the place or matter in controversy in like manner as views may be had in the trial of actions at law in the Court of Queen's Bench at Westminster.

XXIX. And it is enacted, that if the said Sheriff make default in any matter hereinbefore required to be done by him in relation to any such trial or inquiry as aforesaid, he shall forfeit and pay the sum of Five Hundred Rupees for every such offence, and such penalty shall be recoverable by the said Commissioners by an action of debt or on the case in the said Supreme Court, and if any person summoned and returned upon any jury under this Act, whether common or special, do not appear, or if appearing do refuse to make such lawful oath or affirmation as the said Sheriff may require, or in any other manner wilfully neglect his duty, he shall unless he shew reasonable excuse for the said default or neglect to the satisfaction of the said Sheriff forfeit a sum not exceeding One Hundred Rupees, and every such penalty as aforesaid payable by a Sheriff or juryman as aforesaid shall be applied in satisfaction of the costs of the said inquiry so far as the same will extend, and in addition to the penalty hereby imposed as aforesaid every such juryman shall in all respects be subject to the same regulations, pains and penalties as if such jury were returned for a trial in the said Supreme Court.

XXX. And it is enacted, that if any person who shall have been duly summoned to give evidence upon any such enquiry, and to whom a tender of his reasonable expenses shall have been made fail to appear at the time and place specified in the summons without sufficient cause, or if any person whether summoned or not who shall appear as a witness on any such inquiry refuse to be examined on oath or affirmation touching the subject matter in dispute every person so offending shall forfeit and pay to the party aggrieved thereby a sum not exceeding One Hundred Rupees, and that any person examined on oath or affirmation touching the subject matter in dispute who shall wilfully and falsely state any matter which if wilfully and falsely stated by such person in any Court of Justice in which such subject matter might be in dispute, would amount to wilful and corrupt perjury, shall be guilty of wilful and corrupt perjury.

XXXI. And it is enacted, that the said Commissioners shall give to all parties interested in any lands, buildings, or tenements concerning or relating to which an inquiry hath been appointed to be held by the said Sheriff notice of the time and place of such inquiry, not less than ten days before the same is to be held, and the said notice shall be in writing, and shall be served on each of the said parties personally or left at his last known place of abode in the said Town, or if he have no such place of abode then the said notice of every such person shall be twice publicly advertised in one or more of the Newspapers published within the said Town.

XXXII. And it is enacted, that if at any such inquiry any party claiming compensation shall fail

to appear in person or by his Counsel or Agent, such inquiry shall not be proceeded with so far as concerns the compensation claimed by such absent party, but the compensation to be paid by the said Commissioners to such absent party shall be settled and determined by a Surveyor to be named and appointed by any two of the Magistrates of Calcutta without prejudice to such inquiry then and there proceeding before such Sheriff so far as concerns any compensation claimed by any other party or parties interested in such compensation in respect of the same premises who shall so appear.

XXXIII. And it is enacted, that before any jury shall proceed on any such inquiry as aforesaid to inquire of and assess compensation or damages in respect of which their verdict is to be given they shall make oath, or if they object to make oath they shall make a solemn affirmation that they will truly and faithfully enquire of and assess such compensation or damages, and the said Sheriff shall administer such oaths and affirmations as well as the oaths and affirmations of all persons called upon to give evidence.

XXXIV. And it is enacted, that where such inquiry aforesaid shall relate to the value of any lands, buildings, or tenements to be purchased, and also to compensation claimed for injury done or to be done to any other lands, buildings, or tenements held therewith the jury shall deliver their verdict separately for the sum of money to be paid for the purchase of the lands, buildings, or tenements required by the said Commissioners, or of any interest therein belonging to the party or parties with whom the question of disputed compensation shall have arisen, or which under the provisions herein contained he is enabled to sell or convey, and for the sum of money to be paid by way of compensation for the damage if any sustained or to be sustained by the said party or parties by reason of the severing of the lands, buildings, or tenements, taken from the other lands, buildings, or tenements of the said party or parties, or otherwise injuriously affecting such last mentioned lands, buildings, or tenements by the exercise of the powers conferred by this Act.

XXXV. And it is enacted, that the Sheriff before whom such inquiry as aforesaid shall be held shall give judgment for the purchase money or compensation assessed by such jury as aforesaid, and the verdict and judgment shall thereupon be signed by such Sheriff, and being so signed shall be delivered to and kept by the Keeper of the Records in the said Supreme Court among the Records of the said Supreme Court, and such verdicts and judgments shall be deemed Records, and the same or true copies or exemplifications thereof shall be good evidence in all Courts and elsewhere, and all persons may inspect the said verdicts and judgments, and may have copies or exemplifications thereof, or extracts therefrom, on paying for each inspection of any such verdict and judgment the sum of Eight Annas, and for every one hundred words copied or extracted therefrom Four Annas, which copies, exemplifications or extracts the said Keeper of the Records is hereby required to make out and sign and certify the same to be true.

XXXVI. And it is enacted, that on every such inquiry before a jury as aforesaid where the verdict of the jury shall be given for a greater sum than the sum previously offered by the said Commissioners all the costs of such inquiry shall be borne by the said Commissioners, but if the verdict of the jury shall be for the same or less sum than the sum previously offered by the said Commissioners one-half of the costs of summoning, impanelling and returning the jury, and of taking the inquiry and recording the verdict and judgment thereon shall be defrayed by the parties claiming the said compensation or purchase money, and the other half by the said Commissioners, and each party shall bear his own costs other than as aforesaid incident to such inquiry.

XXXVII. And it is enacted, that the costs of any such inquiry as aforesaid shall in case of differences arising regarding the same be settled by the Taxing Officer of the said Supreme Court on the application of either party, and such costs shall include all reasonable costs, charges and expenses incurred in summoning, returning and impanelling the jury taking the enquiry, the attendance of witnesses, the employment of Counsel, and Attornies, the recording the verdict and judgment thereon and otherwise incident to such inquiry.

XXXVIII. The following Draft of a proposed Act was read in Council for the first time on the 6th of November 1847.

ACT No. —— OF 1847.

*An Act to repeal Acts No. XII. of* 1839 *and No. XII. of* 1840, *and to raise funds for Police and Municipal purposes throughout the Settlement of Prince of Wales' Island, Singapore and Malacca, and the dependencies and places subordinate or annexed thereto, by levying an Assessment upon the rents, produce and income derived from Buildings and Lands within the said Settlement and by taxing Carriages, Waggons, Carts, Horses, and Mules kept or used within the same.*

I. It is hereby enacted, that from and after the day of Act No. XII. of 1839 and Act No. XII. of 1840, are repealed.

II. And it is hereby enacted, that from the day of an Assessment at a rate not exceeding ten per cent. to be fixed from time to time, as he shall think fit, by the Chief Civil Authority within the incorporated Settlement of Prince of Wales' Island, Singapore and Malacca, shall be levied every half-year in advance on the actual or estimated rents of all Houses, Shops and other Buildings situated within the said Settlement and the dependencies and places now or hereafter to be subordinate or annexed thereto, to be paid by the Tenant or Tenants, or Occupier or Occupiers of such Houses, Shops and other Buildings at the time of such Assessment. Provided always, that the several Houses or Buildings specified in Schedule A hereunto annexed, shall be exempted from Assessment under this Act.

III. And it is hereby enacted, that from and after the day aforesaid an Assessment at a rate not exceeding five per cent. to be fixed from time to time as he shall see fit, by the said Chief Civil Authority shall be levied half-yearly or annually upon the actual rent or upon the value of the net produce derived from all lands situated in the said Settlement and places held, possessed or used for purposes of agriculture or cultivation of any description whatsoever. Provided always, that no Assessment shall be charged on any rent paid as quit rent to the East India Company for lands held under leases or other titles from the said Company, and that the produce of lands of less extent than three (3) acres used for the cultivation of Paddy, Siri or Vegetables, and lands of which the annual net produce shall be less than Ten Spanish Dollars, if it shall be the sole assessable property of any one or more persons shall be exempted from the payment of any Assessment under this Act.

IV. And it is hereby enacted, that in order to ascertain the value of the net produce of any such lands for any one year or half-year for the purpose of levying such Assessment the amount of outlay actually paid and expended during that particular period in and upon the lands yielding such produce and in the manufacture of any such produce (not including either the purchase money of such lands, or the original outlay thereon, or the cost or purchase money of any articles of Machinery used or employed, or of any Buildings erected thereon) shall be deducted from the estimated value, at the then local current rate, of the gross quantity or amount of produce whether manufactured or otherwise derived from such lands, and

that upon the overplus or net balance value so ascertained the said Assessment shall be levied and paid.

V. And it is hereby enacted, that in order to facilitate the collecting of Assessment on lands in manner specified in Section IV. of this Act, it shall and may be lawful for the Collector or other Officer appointed in manner hereinafter mentioned to collect the same at each of the said Stations of Prince of Wales' Island, Singapore and Malacca, to require the Owner, Occupier, Agent, Superintendent or other person in charge of any such lands to furnish him either annually or half yearly in writing under his or their hand or hands with a true and detailed statement of the gross and actual quantity and amount of produce of what nature and kindsoever yielded by the said land or manufactured therefrom during either of the said periods, and likewise a true and detailed statement of the amount of actual outlay paid and expended in the cultivation of the said land and in the preparation or manufacture of the produce thereof during the like periods, which said statements shall be verified by oath or affirmation to be made by such person or persons before one of Her Majesty's Justices of the Peace at such Station (who is hereby authorized and required to administer the same) if thereto required by the said Collector or other Officer as aforesaid. And any person or persons who shall refuse to make such oath or affirmation, or who shall refuse to furnish such statement, shall on conviction thereof before the Court of Quarter Session at such Station, be liable to pay a fine not exceeding Two Hundred Spanish Dollars, and in default of payment thereof to be imprisoned for a term not exceeding two months.

VI. And it is hereby enacted, that from and after the day aforesaid a Tax shall be levied half-yearly in advance on all Carriages, Waggons, Carts, Horses, Mules and Elephants in use or kept within the said Settlement and places to be charged on the Owner or Owners thereof at the following rates, that is to say:

and that if the payment of any such Tax shall not be duly made it shall be lawful for any Justice of the Peace upon being satisfied that due diligence has been used to obtain payment, to issue his Warrant for levying the amount of such Tax by seizing and selling the Goods and Chattels of the person or persons so charged with the payment of such Tax and so making default. Provided always, that the several vehicles and animals, specified in Schedule B hereunto annexed, shall be exempted from the payment of any Tax under this Act.

XI. And it is hereby enacted, that no appeal shall be allowed by the said Court of Quarter Session unless the same shall have been made and prosecuted within three months from the time of payment of the amount of Assessment or Tax demanded and delivery of such notice to the Collector or other Officer aforesaid.

XII. And it is hereby enacted, that the monies collected from the Assessment and Taxes leviable under this Act at the said several Stations of Prince of Wales' Island, Singapore and Malacca shall be called the "Municipal Fund," and that the same or so much thereof as shall be required shall be applied in manner hereinafter mentioned, towards the payment and maintenance of an efficient Police and of an Establishment for the collection of the said Assessment and Taxes at each of the said Stations; and also towards the efficient watching, repairing, renewing, cleansing, draining and keeping in repair the public Roads and Streets and all other public thoroughfares in Town and Country at each of the said Stations and places; and also towards the repairing, renewing, building, rebuilding, cleansing and securely upholding all public Bridges, Canals, Sluices, Sewers and Sluice-gates made for or in

Provided always, that all Roads, Streets and Bridges leading to and terminating at any Government House and other Building belonging to Government, or any Military Post, Barracks or Cantonment, or any Hospital, Poor House, Sailor's Home or other Benevolent or Charitable Institution under the patronage of Government, or any place of public Worship shall be deemed to be Public Roads, Streets and Bridges within the meaning of this Act.

And whereas it is desirable, that a certain number of the Rate-payers of the said Settlement should from time to time be appointed to assist the Government in the management of the said Municipal Fund, as well as in the performance of other Municipal Acts hereinafter mentioned: It is hereby enacted, that it shall be lawful for the Chief Civil Authority of the said Settlement, for the time being, from time to time, to nominate and appoint at each of the said Stations of Prince of Wales' Island, Singapore and Malacca, a Muncipal Committee to consist of five resident Rate-payers, of whom two shall be Officers of the local Government; and that it shall be competent for the said Municipal Committee in conjunction with the said Chief Civil Authority, and under and in conformity with such orders and instructions as may from time to time be issued by the Governor of Bengal, to make order for the performance of the several objects and purposes specified and contained in Section XII. of this Act for which provision is thereby directed to be made out of the said Municipal Fund; and to authorize and sanction the payment and disbursement of all Bills and Charges for the same. Provided, nevertheless, that it shall be competent for the said Chief Civil Authority at any time, if he shall think fit, to refer any matter or thing whatsoever herein to be done and performed for the sanction or instructions of the Governor of Bengal, accompanied by the opinion or observations thereon of the said Municipal Committee, and that nothing in this Act contained shall be construed to affect any of the provisions of Act No. III. of 1847.

XIV. And it is hereby enacted, that the said Municipal Committee shall have power to make Rules and Regulations, subject to the approval of the said Chief Civil Authority, for more fully and effectually carrying out and performing the objects and purposes specified in Section XIII. of this Act, and to alter or amend the same from time to time as may be necessary subject to the like approval.

XV. And it is hereby enacted, that as soon after the 1st day of January in every year as may be practicable, the Collector or other Officer appointed to collect the Assessment and Taxes under this Act at each of the said Stations of Prince of Wales' Island, Singapore and Malacca, shall prepare a detailed Statement of the said Municipal Fund exhibiting the sums collected under the respective heads of Assessment, Taxes or otherwise during the preceding year, and shewing also the disbursements which have been made during the same period, and that the said Statement shall be published at the Station to which it relates in a Newspaper, and if such Station shall have no Newspaper then the publication shall be made in some Newspaper at any of the other Stations: and the said Statement shall also be open to general inspection at the Office of such Collector or other Officer for a period of one month from the date of its publication.

XVI. And it is hereby enacted, that the Officer Superintending the Police at each of the said Stations of Prince of Wales' Island, Singapore and Malacca, shall between the 1st and 15th day of January in every year, require the Owners of all Palanquin Carriages, Carts, and other Vehicles, kept in such Station for the purpose of being let to hire for the conveyance of passengers or goods to enter such Palanquin Carriages, Carts and other Vehicles, in a Register to be kept for that purpose at the Police Office of such Station. And every Owner of a Palanquin Carriage, Cart or other Vehicle subject to such registration who shall omit or refuse to enter such Vehicle at the Police Office in manner aforesaid, shall on conviction before a Justice of the Peace, pay for each offence a fine not exceeding Twenty Spanish Dollars, with costs of prosecution to be recoverable on non-payment by Warrant of Distress and sale under the hand of the convicting Justice of the Peace, and the overplus, if any, of the Goods and Chattels sold shall be paid to such Owner or Owners.

XVII. And it is hereby enacted, that every Owner of a registered Palanquin Carriage, Cart or other Vehicle who shall neglect to place in a conspicuous part of such Vehicle a numbered board which shall be furnished to him by the Registering Officer, shall on conviction before a Justice of the Peace, pay a fine not exceeding Five Spanish Dollars for each offence, to be recovered in manner specified in the last foregoing Section.

XVIII. And it is hereby enacted, that all Quarter Session and Police fees, fines, poundage and forfeitures of what nature and kindsoever imposed, levied and paid at each of the said Stations of Prince of Wales' Island, Singapore and Malacca shall be forthwith paid into the said Municipal Fund at such Station in aid of the several purposes specified in Section XII. of this Act.

XIX. And it is hereby enacted, that no Assessment or Charge made under authority of this Act shall be impeached or affected by reason of any mistake in the name of any person liable to Assessment or Tax, or of any thing chargeable with Assessment or Tax, or any mistake in the amount of Assessment or Tax charged provided the directions of this Act be in substance and effect complied with; and that no proceedings or other matter or thing had or done under this Act shall be quashed or set aside for want of form in any Court or Courts of Justice.

NOTICE.—With reference to the London Post Master General's Notification regarding the rates of postage to be charged upon Letters received from Bombay by the Government Express, which was published with a notice from this Office of yesterday's date, the following Letter since received from the Post Master General of Bombay on the subject, is also published for general information.

W. TAYLER,
*Post Master General.*

*Fort William, Genl. Post Office, The 24th July*, 1847.

*No.* 966 *of* 1847.

*General Department.*

To W. TAYLER, Esquire,
*Post Master General, Calcutta.*

SIR,—Adverting to my Letter, dated the 2d instant, I have the honor to suggest for your consideration, whether it would not be advisable to publish a Notice in the Calcutta Papers, intimating to the public generally, especially the Mercantile Community, that, if they desire their Overland Letters, to be forwarded on by the Government Overland Express, they should request their Correspondents to mark "per Express," and to keep within the *limited weight of two tolas;* and that, meanwhile, until the system becomes generally known, they ought to advise me, whether they wish any of their Letters, not so marked, to be sent on from Bombay by the Express.

2d.—By the last Express I dispatched as usual a number of Overland Letters, not especially marked, because, had I not done so, great disappointment would have been experienced by parties in Calcutta; but I intend to discontinue the practice, after a sufficient time has elapsed to admit of the public becoming aware of the privilege conceded by the Notification of May issued by the London General Post Office, and to dispatch by he Overland Express those Letters only which are so marked.

3d.—The public ought moreover to be most especially warned not to mark "per Express" on letters *exceeding two tolas in weight*, because such letters cannot be so dispatched. They will invariably be detained (as was the case on the arrival of the last Mail,) for transmission by the post regular dawk, dispatched after the Express.

4th.—I shall feel much obliged by your favoring me with a list of "Newspaper Offices" in Calcutta, and by your informing the parties connected therewith that not more than two papers (whether sent

out from England marked "per Express," or posted in Bombay to go by Express, will, in future, be forwarded by the Government Express. Some of the Newspaper Offices have as many as six Overland Papers marked "per Express," but, as they cannot be so forwarded, it is useless to have them so marked.

5th.—The new rule limits the weight of a Newspaper to 3 *tolas*, but, if that were acted up to, the Newspaper Offices would be deprived altogether of the privilege conceded by the Notification of May last, as an Overland Paper invariably weighs more than 3 and generally very nearly 6 tolas. I have therefore determined to send two Overland Papers to each Office, *without reference to that limit*, and shall continue the practice until I receive orders to the contrary from Government or the Home Authorities.

I have, &c.,

| | | |
|---|---|---|
| Produce of Behar Agency, ..... | Chests | 1,830 |
| Ditto of Benares ditto, ..... | „ | 780 |
| Total Chests,... | | 2,610 |

### CONDITIONS OF SALE.

1st.—The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2d.—The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price; except under the circumstances for which provision is made by Clause 12th of the Conditions of Sale.

3d.—The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M; but if at that hour any of the lots advertized for Sale shall remain unsold, the Sale may

at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a public Holiday) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of; or, if the quantity of 2,610 Chests shall not be sold on the day advertized, the Board may dispose of the Lots which remain on hand at a future Sale.

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 25 per Cent. even money of the amount for which each lot is knocked down, shall be made by the purchaser in the Sale Room, and before the lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the Purchasers at this Office, by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Wednesday, the 1st December 1847; or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid, shall have been delivered in, shall be re-sold at such time or times, and under such conditions of re-sale as the Board of Customs, Salt and Opium, shall see fit, and all loss and expences whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 1st December 1847, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th.—No Tender of Money, Sub-Treasurer's Receipts or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 1st December, will be afterwards accepted.

8th.—The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday the 14th December 1847, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or any Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium, shall think fit, and the first Purchaser shall further be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when clearance has been made by the said Purchaser or his order.

11th.—The Officer Superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bonâ fide bidder for a lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the Purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the Purchaser shall deposit or each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1—Certificate of the Opium now advertized for Sale.

No. 2—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the years 1846-47, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion

of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of the chests indiscriminately taken for the purpose of comparison from the dispatches on arrival at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertised for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

18th.—The Public are hereby informed, that in addition to the quantity above mentioned, the following quantities more or less of Behar and Benares Opium of 1846-47, will be brought to sale in the present season on or about the dates specified below:

19th.—It is hereby further notified, that under the 6th Article of the Convention between Great Britain and France, dated the 7th March 1815, quoted below, the Agents in India of His Majesty the King of the French, or persons duly appointed by them, are entitled to demand that, out of the quantities of Behar and Benares Opium declared as above for sale at the Twelve Sales, in the months of November and December 1847, and January, February, March, April, May, June, July, August, September and October 1848, there shall be delivered to them at the average of the particular Sale or Sales to which the Opium so applied for may belong, a quantity not exceeding in the aggregate 300 Chests, and the Agents of the French Government must make requisition for the whole of the Opium required by them during the season within 30 days after the publication of this advertisement, specifying the particular Sale or Sales from which the quantity of Opium is intended to be taken. If the Agents of the French Government shall not make the requisition for Opium within the time above-mentioned the entire quantity of about 31,315 Chests of Behar and Benares as above estimated will be brought to Sale in the usual manner, and if they shall make application for a quantity of Opium to be delivered to them out of the quantity advertized for Sale at each or any of the Twelve Sales above-mentioned, but shall not pay for it within the prescribed period of payment, the Deputy Governor of Bengal reserves to himself the right of disposing of the Opium which the French Authorities may so fail to pay for either by increasing the quantity reserved at the Sale next ensuing the date of payment, or by selling it at a Sale to be held expressly for the purpose.

Article of the Convention above referred to.

"Art. 6th.—With regard to the Trade in "Opium it is agreed be- "tween the high contract- "ing parties that at each "of the periodical Sales of that Article there shall "be reserved for the French Government, and "delivered upon requisition duly made by the "Agents of His Most Christain Majesty or by the "persons duly appointed by them, the number of "Chests so applied for, provided that such supply "shall not exceed three hundred Chests in each "year, and the price for the same shall be deter- "mined by the average rate at which Opium shall "have been sold at every such periodical Sale, it "being understood that if the quantity of Opium "applied for at any one time shall not be taken "on account of the French Government by the "Agents of His Most Christian Majesty within "the usual period of delivery the quantity so "applied for shall nevertheless be considered as "so much in reduction of the three hundred "Chests herein before-mentioned; the requisitions "for Opium as aforesaid are to be addressed to "the Governor General at Calcutta, within thirty "days after notice of the intended Sales shal. "have been published in the Government Gazette."

By order of the Board of Customs, Salt and Opium,

CECIL BEADON, *Offg. Secy.*

NOTICE.—With reference to the London Post Master General's Notification regarding the rates of postage to be charged upon Letters received from Bombay by the Government Express, which was published with a notice from this Office of yesterday's date, the following Letter since received from the Post Master General of Bombay on the subject, is also published for general information.

*No.* 966 *of* 1847.

*General Department.*

To W. Tayler, Esquire,
*Post Master General, Calcutta.*

Sir,—Adverting to my Letter, dated the 2d instant, I have the honor to suggest for your consideration, whether it would not be advisable to publish a Notice in the Calcutta Papers, intimat-

ing to the public generally, especially the Mercantile Community, that, if they desire their Overland Letters, to be forwarded on by the Government Overland Express, they should request their Correspondents to mark "per Express," and to keep within the *limited weight of two tolas;* and that, meanwhile, until the system becomes generally known, they ought to advise me, whether they wish any of their Letters, not so marked, to be sent on from Bombay by the Express.

2d.—By the last Express I dispatched as usual a number of Overland Letters, not especially marked, because, had I not done so, great disappointment would have been experienced by parties in Calcutta; but I intend to discontinue the practice, after a sufficient time has elapsed to admit of the public becoming aware of the privilege conceded by the Notification of May issued by the London General Post Office, and to dispatch by he Overland Express those Letters only which are so marked.

3d.—The public ought moreover to be most especially warned not to mark "per Express" on letters *exceeding two tolas in weight*, because such letters cannot be so dispatched. They will invariably be detained (as was the case on the arrival of the last Mail,) for transmission by the post regular dawk, dispatched after the Express.

4th.—I shall feel much obliged by your favoring me with a list of "Newspaper Offices" in Calcutta, and by your informing the parties connected therewith that not more than two papers (whether sent out from England marked "per Express," or posted in Bombay to go by Express) will, in future, be forwarded by the Government Express. Some of the Newspaper Offices have as many as six Overland Papers marked "per Express," but, as they cannot be so forwarded, it is useless to have them so marked.

5th.—The new rule limits the weight of a Newspaper to 3 *tolas*, but, if that were acted up to, the Newspaper Offices would be deprived altogether of the privilege conceded by the Notification of May last, as an Overland Paper invariably weighs more than 3 and generally very nearly 6 tolas. I have therefore determined to send two Overland Papers to each Office, *without reference to that limit*, and shall continue the practice until I receive orders to the contrary from Government or the Home Authorities.

I have, &c,

One Rupee for every letter not exceeding half a tola in weight.

Two Rupees for every letter above half a tola, but not exceeding one tola in weight.

Four Rupees for every letter above one tola, but not exceeding two tolas in weight, two tolas being the maximum weight of letters to be conveyed by Express.

| | | |
|---|---|---|
| Produce of Behar Agency, ..... | Chests | 1,830 |
| Ditto of Benares ditto,..... | „ | 780 |
| Total Chests,... | | 2,610 |

### CONDITIONS OF SALE.

1st.—The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2d.—The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price; except under the circumstances for which provision is made by Clause 12th of the Conditions of Sale.

3d.—The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M; but if at that hour any of the lots advertized for Sale shall remain unsold, the Sale may at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a public Holiday) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of; or, if the quantity of 2,610 Chests shall not be sold on the day advertized, the Board may dispose of the Lots which remain on hand at a future Sale.

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 25 per Cent. even money of the amount for which each lot is knocked down, shall be made by the purchaser in the Sale Room, and before the lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the Purchasers at this Office, by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Wednesday, the 1st December 1847; or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid, shall have been delivered in, shall be re-sold at such time or times, and under such conditions

of re-sale as the Board of Customs, Salt and Opium, shall see fit, and all loss and expences whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 1st December 1847, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th.—No Tender of Money, Sub-Treasurer's Receipts or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 1st December, will be afterwards accepted.

8th.—The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday the 14th December 1847, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or any Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium, shall think fit, and the first Purchaser shall further be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when clearance has been made by the said Purchaser or his order.

11th.—The Officer Superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bonâ fide bidder for a lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the Purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the Purchaser shall deposit or each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1—Certificate of the Opium now advertized for Sale.

No. 2—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the years 1846-47, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of the chests indiscriminately taken for the purpose of comparison from the dispatches on arrival at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertised for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board

entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

18th.—The Public are hereby informed, that in addition to the quantity above mentioned, the following quantities more or less of Behar and Benares Opium of 1846-47, will be brought to sale in the present season on or about the dates specified below:

19th.—It is hereby further notified, that under the 6th Article of the Convention between Great Britain and France, dated the 7th March 1815, quoted below, the Agents in India of His Majesty the King of the French, or persons duly appointed by them, are entitled to demand that, out of the quantities of Behar and Benares Opium declared as above for sale at the Twelve Sales, in the months of November and December 1847, and January, February, March, April, May, June, July, August, September and October 1848, there shall be delivered to them at the average of the particular Sale or Sales to which the Opium so applied for may belong, a quantity not exceeding in the aggregate 300 Chests, and the Agents of the French Government must make requisition for the whole of the Opium required by them during the season within 30 days after the publication of this advertisement, specifying the particular Sale or Sales from which the quantity of Opium is intended to be taken. If the Agents of the French Government shall not make the requisition for Opium within the time above-mentioned the entire quantity of about 31,315 Chests of Behar and Benares as above estimated will be brought to Sale in the usual manner, and if they shall make application for a quantity of Opium to be delivered to them out of the quantity advertized for Sale at each or any of the Twelve Sales above-mentioned, but shall not pay for it within the prescribed period of payment, the Deputy Governor of Bengal reserves to himself the right of disposing of the Opium which the French Authorities may so fail to pay for either by increasing the quantity reserved at the Sale next ensuing the date of payment, or by selling it at a Sale to be held expressly for the purpose.

Article of the Convention above referred to.

"Art. 6th.—With regard to the Trade in "Opium it is agreed be- "tween the high contract- "ing parties that at each "of the periodical Sales of that Article there shall "be reserved for the French Government, and "delivered upon requisition duly made by the "Agents of His Most Christain Majesty or by the "persons duly appointed by them, the number of "Chests so applied for, provided that such supply "shall not exceed three hundred Chests in each "year, and the price for the same shall be deter- "mined by the average rate at which Opium shall "have been sold at every such periodical Sale, it "being understood that if the quantity of Opium "applied for at any one time shall not be taken "on account of the French Government by the "Agents of His Most Christian Majesty within "the usual period of delivery the quantity so "applied for shall nevertheless be considered as "so much in reduction of the three hundred "Chests herein before-mentioned; the requisitions "for Opium as aforesaid are to be addressed to "the Governor General at Calcutta, within thirty "days after notice of the intended Sales shal. "have been published in the Government Gazette."

SATURDAY, NOVEMBER 20, 1847.

*Fort William, Home Department, Legislative, the 6th November*, 1847.

The followng Act is passed by the Hon'ble the President of the Council of India in Council on the 6th November 1847, with the assent of the Right Hon'ble the Governor General of India, which has been read and recorded.

Ordered, that the Act be promulgated for general information.

ACT No. XVII. OF 1847.

*An Act for remedying a defect in the Law regarding undiscovered defaults in the prosecution of Suits.*

Whereas inconvenience has resulted from the rule that the discovery of defaults in the prosecution of suits and appeals brought in any Court of the East India Company, within the Territories subject to the Presidencies of Bengal and Madras, invalidates all proceedings in such suits and appeals, which may have been had since the occurrence of such default:

It is hereby enacted, that in the said Courts every default of a plaintiff or appellant, in all suits or appeals now pending or hereafter to be brought, and in all suits which have been decided but are still open to appeal, shall be held to be cured whenever the opposite party, passing over the default, shall have taken any step in the suit or appeal, and whenever the Court shall have passed judgment in the suit or appeal, whether such opposite party shall or shall not have taken any such step.

*No.* 966 *of* 1847.

*General Department.*

To W. TAYLER, Esquire,
*Post Master General, Calcutta.*

SIR,—Adverting to my Letter, dated the 2d instant, I have the honor to suggest for your consideration, whether it would not be advisable to publish a Notice in the Calcutta Papers, intimating to the public generally, especially the Mercantile Community, that, if they desire their Overland Letters, to be forwarded on by the Government Overland Express, they should request their Correspondents to mark "per Express," and to keep within the *limited weight of two tolas;* and that, meanwhile, until the system becomes generally known, they ought to advise me, whether they wish any of their Letters, not so marked, to be sent on from Bombay by the Express.

2d.—By the last Express I dispatched as usual a number of Overland Letters, not especially marked, because, had I not done so, great disappointment would have been experienced by parties in Calcutta; but I intend to discontinue the practice, after a sufficient time has elapsed to admit of the public becoming aware of the privilege conceded by the Notification of May issued by the London General Post Office, and to dispatch by he Overland Express those Letters only which are so marked.

3d.—The public ought moreover to be most especially warned not to mark "per Express" on letters *exceeding two tolas in weight,* because such letters cannot be so dispatched. They will invariably be detained (as was the case on the arrival of the last Mail,) for transmission by the post regular dawk, dispatched after the Express.

4th.—I shall feel much obliged by your favoring me with a list of "Newspaper Offices" in Calcutta, and by your informing the parties connected therewith that not more than two papers (whether sent out from England marked "per Express," or posted in Bombay to go by Express) will, in future, be forwarded by the Government Express. Some of the Newspaper Offices have as many as six Overland Papers marked "per Express," but, as they cannot be so forwarded, it is useless to have them so marked.

5th.—The new rule limits the weight of a Newspaper to 3 *tolas,* but, if that were acted up to, the Newspaper Offices would be deprived altogether of the privilege conceded by the Notification of May last, as an Overland Paper invariably weighs more than 3 and generally very nearly 6 tolas. I have therefore determined to send two Overland Papers to each Office, *without reference to that limit,* and shall continue the practice until

I receive orders to the contrary from Government or the Home Authorities.

I have, &c.,

## CONDITIONS OF SALE.

1st.—The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2d —The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price; except under the circumstances for which provision is made by Clause 12th of the Conditions of Sale.

3d.—The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M; but if at that hour any of the lots advertized for Sale shall remain unsold, the Sale may at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a public Holiday) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of; or, if the quantity of 2,610 Chests shall not be sold on the day ad-

vertized, the Board may dispose of the Lots which remain on hand at a future Sale.

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 25 per Cent. even money of the amount for which each lot is knocked down, shall be made by the purchaser in the Sale Room, and before the lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the Purchasers at this Office, by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Wednesday, the 1st December 1847; or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid, shall have been delivered in, shall be re-sold at such time or times, and under such conditions of re-sale as the Board of Customs, Salt and Opium, shall see fit, and all loss and expences whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 1st December 1847, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th.—No Tender of Money, Sub-Treasurer's Receipts or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 1st December, will be afterwards accepted.

8th.—The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday the 14th December 1847, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or any Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium, shall think fit, and the first Purchaser shall further be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities. under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when clearance has been made by the said Purchaser or his order.

11th.—The Officer Superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid s obtained, and the first bonâ fide bidder for a lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the Purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the Purchaser shall deposit or each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1—Certificate of the Opium now advertized for Sale.

No. 2—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the years 1846-47, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of the chests indiscriminately taken for the purpose

ot comparison from the dispatches on arrival at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertised for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

18th.—The Public are hereby informed, that in addition to the quantity above mentioned, the following quantities more or less of Behar and Benares Opium of 1846-47, will be brought to sale in the present season on or about the dates specified below:

*General Department.*

To W. TAYLER, Esquire,
*Post Master General, Calcutta.*

SIR,—Adverting to my Letter, dated the 2d instant, I have the honor to suggest for your consideration, whether it would not be advisable to publish a Notice in the Calcutta Papers, intimating to the public generally, especially the Mercantile Community, that, if they desire their Overland Letters, to be forwarded on by the Government Overland Express, they should request their Correspondents to mark "per Express," and to keep within the *limited weight of two tolas;* and that, meanwhile, until the system becomes generally known, they ought to advise me, whether they wish any of their Letters, not so marked, to be sent on from Bombay by the Express.

2d.—By the last Express I dispatched as usual a number of Overland Letters, not especially marked, because, had I not done so, great disappointment would have been experienced by parties in Calcutta; but I intend to discontinue the practice, after a sufficient time has elapsed to admit of the public becoming aware of the privilege conceded by the Notification of May issued by the London General Post Office, and to dispatch by he Overland Express those Letters only which are so marked.

3d.—The public ought moreover to be most especially warned not to mark "per Express" on letters *exceeding two tolas in weight*, because such letters cannot be so dispatched. They will invariably be detained (as was the case on the arrival of the last Mail,) for transmission by the post regular dawk, dispatched after the Express.

4th.—I shall feel much obliged by your favoring me with a list of "Newspaper Offices" in Calcutta, and by your informing the parties connected therewith that not more than two papers (whether sent out from England marked "per Express," or posted in Bombay to go by Express) will, in future, be forwarded by the Government Express. Some of the Newspaper Offices have as many as six Overland Papers marked "per Express," but, as they cannot be so forwarded, it is useless to have them so marked.

5th.—The new rule limits the weight of a Newspaper to 3 *tolas*, but, if that were acted up to, the Newspaper Offices would be deprived altogether of the privilege conceded by the Notification of May last, as an Overland Paper invariably weighs more than 3 and generally very nearly 6 tolas. I have therefore determined to send two Overland Papers to each Office, *without reference to that limit*, and shall continue the practice until I receive orders to the contrary from Government or the Home Authorities.

I have, &c.,

NOTICE.—The following Notice of the Post Master General of London, received through the Post Master General of Bombay, is published for general information.

W. TAYLER, *Post Master Genl.*

*Calcutta, Genl. Post Office,*
*the 23d July,* 1847.

GENERAL POST OFFICE, MAY 1847.

The Post Master General having been informed by the Court of Directors of the East India Company, that on and after the 1st June next, persons in this Country may forward private correspondence by the Government Express from Bombay to Calcutta and Madras, all persons desirous of availing themselves of this privilege, will be required to mark upon the covers of their letters the words "By Express from Bombay," and in addition to this special address, it will be necessary, that all letters intended to be forwarded by the way of Southampton, should be so endorsed as hitherto; the postage to be charged in India in the delivery of letters sent by this Express will be in addition to the ordinary Inland rates.

One Rupee for every letter not exceeding half a tola in weight.

Two Rupees for every letter above half a tola, but not exceeding one tola in weight.

Four Rupees for every letter above one tola, but not exceeding two tolas in weight, two tolas being the maximum weight of letters to be conveyed by Express.

On Newspapers, each Newspaper Office in Calcutta and Madras, will be allowed to receive two Newspapers at the ordinary rates of Inland postage, on all other Newspapers forwarded by Express a postage of five Rupees each will be charged, and no Newspaper will be received for the Express exceeding three tolas in weight.

| | | |
|---|---|---|
| Produce of Behar Agency, ..... | Chests | 1,830 |
| Ditto of Benares ditto,..... | „ | 780 |
| Total Chests,... | | 2,610 |

### CONDITIONS OF SALE.

1st.—The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2d —The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price; except under the circumstances for which provision is made by Clause 12th of the Conditions of Sale.

3d.—The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M; but if at that hour any of the lots advertized for Sale shall remain unsold, the Sale may at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a public Holiday) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of; or, if the quantity of 2,610 Chests shall not be sold on the day advertized, the Board may dispose of the Lots which remain on hand at a future Sale.

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 25 per Cent. even money of the amount for which each lot is knocked down, shall be made by the purchaser in the Sale Room, and before the lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the Purchasers at this Office, by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Wednesday, the 1st December 1847; or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid, shall have been delivered in, shall be re-sold at such time or times, and under such conditions of re-sale as the Board of Customs, Salt and Opium, shall see fit, and all loss and expences whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 1st December 1847, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th.—No Tender of Money, Sub-Treasurer's Receipts or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 1st December, will be afterwards accepted.

8th.—The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday the 14th December 1847, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or any Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium, shall think fit, and the first Purchaser shall further be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The

eceipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when clearance has been made by the said Purchaser or his order.

11th.—The Officer Superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid s obtained, and the first bonâ fide bidder for a lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the Purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the Purchaser shall deposit or each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1—Certificate of the Opium now advertized for Sale.

No. 2—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the years 1846-47, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of the chests indiscriminately taken for the purpose of comparison from the dispatches on arrival at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertised for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

18th.—The Public are hereby informed, that in addition to the quantity above mentioned, the following quantities more or less of Behar and Benares Opium of 1846-47, will be brought to sale in the present season on or about the dates specified below:

If the Agents of the French Government shall not make the requisition for Opium within the time above-mentioned the entire quantity of

about 31,315 Chests of Behar and Benares as above estimated will be brought to Sale in the usual manner, and if they shall make application for a quantity of Opium to be delivered to them out of the quantity advertized for Sale at each or any of the Twelve Sales above-mentioned, but shall not pay for it within the prescribed period of payment, the Deputy Governor of Bengal reserves to himself the right of disposing of the Opium which the French Authorities may so fail to pay for either by increasing the quantity reserved at the Sale next ensuing the date of payment, or by selling it at a Sale to be held expressly for the purpose.

Article of the Convention above referred to.

"Art. 6th.—With regard to the Trade in "Opium it is agreed be- "tween the high contract- "ing parties that at each "of the periodical Sales of that Article there shall "be reserved for the French Government, and "delivered upon requisition duly made by the "Agents of His Most Christain Majesty or by the "persons duly appointed by them, the number of "Chests so applied for, provided that such supply "shall not exceed three hundred Chests in each "year, and the price for the same shall be deter- "mined by the average rate at which Opium shall "have been sold at every such periodical Sale, it "being understood that if the quantity of Opium "applied for at any one time shall not be taken "on account of the French Government by the "Agents of His Most Christian Majesty within "the usual period of delivery the quantity so "applied for shall nevertheless be considered as "so much in reduction of the three hundred "Chests herein before-mentioned; the requisitions "for Opium as aforesaid are to be addressed to "the Governor General at Calcutta, within thirty "days after notice of the intended Sales shal "have been published in the Government Gazette."

By order of the Board of Customs, Salt and Opium,

SUPPLEMENT TO

# The Calcutta Gazette.

Published by Authority.

SATURDAY, NOVEMBER 27, 1847.

*Fort William, Home Department, Legislative, the 20th November*, 1847.

The following Draft of a proposed Act was read in Council for the first time on the 20th of November, 1847.

ACT No. —— OF 1847.

*An Act to confer certain powers and privileges on the Commissioners for the Improvement of the Town of Calcutta, and to provide for the execution of certain public works by them.*

Whereas by Act No. of 184 , it was amongst other things enacted, that the whole proceeds of the rates and taxes therein aforesaid, after paying all establishments and incidental expences should, together with such monies as the Government of Bengal, with the sanction of the Governor General in Council, might direct to be paid over to the Commissioners for the Improvement of the Town of Calcutta therein aforesaid, be applied by them to the following purposes, viz.

Formation of Tanks and Aqueducts for the conveyance of water to all parts of the Town.

Opening of Streets and Squares in crowded parts of the Town.

Filling up Stagnant Pools of Water and removing obstructions to the free circulation of air.

Lighting and Watering the Roads and Streets.

Cleansing and repairing the same and the drains of the said Town.

And improving and embellishing the said Town generally.

And whereas for the effectual accomplishment of the purposes aforesaid it is expedient that the said Commissioners should be empowered to appoint a Clerk and a Surveyor and other necessary Officers, and that the said Commissioners and their said Clerk and their said Surveyor and other Officers should exercise powers interfering with the rights and property of individuals:

I. It is therefore hereby enacted, that the said Commissioners shall nominate and appoint fit and proper persons to be their Surveyor and Clerk and other necessary Officers, who shall receive such salaries as to the Governor of Bengal shall seem meet not exceeding Company's Rupees by the month.

II. And it is hereby enacted, that for the purpose of constructing one or more Aqueducts for bringing pure and wholesome water to the Town of Calcutta from any place without the local limits of the jurisdiction of Her Majesty's Supreme Court of Judicature, it shall be lawful, whenever a plan for an Aqueduct shall have been approved by the Governor of Bengal, for every Commissioner, and for the Surveyor and Clerk to the Commissioners with such Assistants as they may require, to exercise in the construction of such Aqueduct, throughout the line of country through which such Aqueduct is to run, all the powers which by this Act it is lawful for them to exercise within the said local limits, and which may be necessary for the construction of such Aqueduct without being subject to any action or molestation whatever for so doing. And it shall also be lawful for any Magistrate of any district through which the said Aqueduct is to run, in furtherance of the construction of such Aqueduct, to do such acts, and he is hereby required to do such acts as it is by this Act lawful for a Magistrate of the Town of Calcutta to do, and as he is by this Act required to do in furtherance of any work to be executed by the said Commissioners within the said local limits.

III. And it is hereby enacted, that it shall be lawful for the said Commissioners instead of executing any of the works which by this Act they are authorized to execute, by themselves, their Servants and Assistants, to execute the same by contract with any individual or Company who may be willing to undertake the same, and in that case it shall be lawful for such individual or such Company to exercise and enjoy all the powers and privileges which by this Act it is lawful for the said Commissioners to exercise and enjoy in the execution of any such work.

IV. And it is enacted, that if in carrying into execution any of the powers or authorities of this Act any house, building or other hereditament shall be damaged or otherwise prejudicially affected, the said Commissioners shall make good such damage and pay to the Owner and Occupier of such house, building or other hereditament such amount of compensation for such injury as shall be agreed upon between such Owner and Occupier and the said Commissioners, and if such Owner or Occupier, and the said Commissioners cannot agree as to the amount of such compensation and the

proportions thereof to be paid to such Owner and Occupier respectively then the amount of such compensation, and also the proportions which the persons claiming the same are entitled to shall be settled and recovered by arbitration or the verdict of a Jury to be summoned and returned in the manner provided in Act No. , entitled an Act to enable the Commissioners who may be appointed under Act to purchase real or personal property for the Improvement of the Town of Calcutta.

V. And it is enacted, that if any person at any time shall obstruct or molest the said Commissioners or any Clerk, or Surveyor, or other Officer, or workmen, or other person employed by them, or any person or Company with whom they may have contracted under the provisions of this Act, or any person employed by them in the performance and execution of their or his duty, or any thing which they are respectively required or authorized to do by virtue, or in consequence of this Act, every such person so offending shall for every such offence on conviction before a Magistrate, forfeit and pay any sum not exceeding Fifty Rupees.

VI. And it is enacted, that every Commissioner and the Surveyor, and Clerk to the Commissioners, with such Assistants as they may require, shall for the purposes of this Act, have full power and authority at all seasonable hours in the day time to enter, or to direct his subordinate Officers to enter into and upon any land or tenement, and in and upon the land on which any house, building or other erection is built or building, or intended to be built, and into and upon any buildings or any part thereof without being liable to any action at Law or Suit in Equity, or any other legal proceedings or molestation whatsoever for or on account of such entry, or of any thing done or to be done in any part thereof in pursuance of this Act. Provided that none of the persons abovementioned shall enter upon any lands or tenements which may be occupied at the time unless with the consent of the occupier thereof, without previously giving the said occupier reasonable notice of his or their intention to do so.

VII. And it is enacted, that the management and controul over all and every of the streets, public ways and public thoroughfares of every kind and description within the said Town of Calcutta existing at the time of the passing of this Act, and of all parts of the said Town which shall hereafter become streets, public ways or public thoroughfares of any kind or description, and the pavements and other materials therein, and all erections and buildings, materials, implements or other things provided for the said streets, public ways and public thoroughfares by or under the authority of the Government of Bengal, or by the Magistrates of Calcutta, or by the said Commisssioners, shall be the property of, and are hereby vested in the said Commissioners as Trustees aforesaid.

VIII. And it is enacted, that it shall be lawful for the said Commissioners with the consent and approbation of the Government of Bengal to pave and water such of the streets, public ways and public thoroughfares existing in the said Town at the time of the passing of this Act, or at any future time as they shall think fit.

IX. And it is enacted, that the said Commissioners shall keep in sufficient repair every street, public way and public thoroughfare existing in the said Town at the time of passing this Act, or at any future time, and shall be liable to be indicted for not sufficiently repairing the same.

X. And it is enacted, that if any person shall displace, take up or make any alteration in the pavements, flags or other materials of any foot or carriage way in any street within the said Town without the consent in writing of the said Commissioners, or of their said Surveyor, or shall cause any obstruction to, or make any encroachment upon any street in the said Town, any such person so offending shall for every such offence on conviction before a Magistrate forfeit and pay a sum not exceeding Fifty Rupees.

XI. And whereas it is essential to the health and convenience of the inhabitants that straight and spacious streets and thoroughfares should be continued where they have been begun, and should be opened at convenient and suitable distances where such do not at present exist so as to perforate the mass of buildings within the said Town in straight lines as nearly as may be from South to North, and from East to West, crossing each other at right angles, and from South East to North West and from South West to North East, crossing the straight lines abovementioned diagonally with large open spaces forming squares or circles at convenient and suitable distances from whence the said streets may conveniently diverge in lines without interruption to the river and to the open country without the said Town so far as the completion of such plan may be practicable and where not entirely practicable upon a plan as nearly approaching to such plan as may be: And whereas it is also expedient and necessary that the narrow lanes and gullys which compose the greater part of the said Town inhabited by the Native inhabitants should be converted into such straight and spacious streets and thoroughfares formed as abovementioned due regard being had to the compensation of Owners of houses, buildings and grounds, which may be required to be vested in the said Commissioners for any such purposes as aforesaid:

It is enacted, that as soon as may be after the passing of this Act, the said Commissioners shall cause plans to be made by their said local Surveyor and by other competent Surveyors, shewing the direction and breadth of such streets and thoroughfares, and the situations and dimensions of such open spaces to form squares or circles as aforesaid, which in their opinion shall be the most suitable for carrying into effect the abovementioned objects, keeping in view the salubrity of the said Town, the convenience of communication within the same, and the economy with which the said improvements may be carried into execution, together with estimates of the expence of the necessary works and estimates of the probable value of the houses, buildings and grounds, which it will be necessary for the said Commissioners to purchase for these purposes, and the said Commissioners shall select from the plans which shall be so furnished to them the one which they, or a majority of them, shall consider the best and most eligible, and shall transmit to the Secretary to the Government of Bengal, the said plan and the resolution of the Commissioners thereupon for the consideration of the said Governor of Bengal, and upon the said Governor signifying through the said Secretary by writing, signed by the said Secretary, his approval of such plan, the said Commissioners shall proceed with all convenient speed to carry the same into execution so far as the funds at their disposal, and the circumstances under which the works are to be carried into execution will allow, in conjunction with the other improvements contemplated by this Act, and in case the said Governor shall signify his disapproval of the plan so submitted to him, the said Commissioners

shall cause another plan to be drawn by the same or any other competent Surveyor, which plan shall in like manner be submitted by the said Commissioners to the said Governor, and so from time to time until such plan shall be finally approved of by the said Governor, and as soon as may be after such final approval of the said Governor shall be intimated to the said Commissioners as aforesaid, the said Commissioners shall proceed to carry the said plan so approved into execution with all such convenient speed as aforesaid.

XII. And it is enacted, that the said plan having been so submitted to and having been approved by the said Governor as aforesaid, the said Commissioners shall proceed in conformity with the provisions of Act No. of 184 , with the purchase of such houses, buildings and grounds as it may be necessary to purchase for the execution of such plan, and shall upon such purchase being completed give orders to their said local Surveyor to proceed with the said works without further reference to the said Governor.

XIII. And whereas it is essentially necessary to the salubrity of the said Town to make provision for the effectual sewerage and drainage of the same:

It is enacted, that as soon as conveniently may be after the passing of this Act the said Commissioners shall cause their said Surveyor to make a careful survey of the whole of the said Town, and in an accurate and distinct report to be framed by him to state what in his opinion are the defects of such sewerage, works and drains as shall at that time exist therein, and what alterations of the same, and what new main and other sewers and drains are necessary and proper for the effectual draining and clearing of the whole of the said Town, and what reservoirs, engines, sluices, penstocks and other works are required for properly flushing and cleansing out such sewers and drains, and at and from what places such drains and sewers respectively ought to commence, in what precise direction they are to be conducted, and at what places respectively they ought to terminate.

XIV. And whereas it is of the most essential importance that all the inhabitants of the said Town should be supplied with good and wholesome water for drinking and for domestic purposes to the utmost extent that the local and other circumstances of the said Town will permit, and especially that the poorer inhabitants thereof should be so supplied with water; and whereas supplies of water are also required for the efficient and wholesome cleansing and watering of the streets, and cleansing the main and other sewers and drains which may be constructed or maintained under the provisions of this Act:

It is enacted, that the said Commissioners shall at the same time cause their said Surveyor to report upon the existing supplies of water in the said Town, the sufficiency or insufficiency of such supply for all the several purposes aforesaid, and the healthful or palatable quality as water for drinking of every description of water so supplied, or which the said Surveyor shall recommend in future to be supplied, and with a view to test the accuracy of his report upon this latter subject the said Commissioners shall cause such water or waters to be analysed and reported on by competent Chemists and Medical men, and the said Surveyor shall also state in his report from what point on the River Hooghly, North of Calcutta, water in sufficient quantity can be conveyed into the Town for the domestic purposes of the said inhabitants, and for the efficient and wholesome cleansing and watering of the said streets, and cleansing the main and other sewers and drains which shall or may be constructed and maintained under the provisions of this Act, and shall state whether in his opinion one supply of water from one place can be commanded adequate to all these several purposes, and from what distance and at what probable expence, and what reservoirs, engines, sluices, canals, aqueducts, pipes and other works, and of what respective dimensions are required for the adequate and abundant supply of such water for all such purposes as aforesaid.

XV. And for carrying into effect the purposes aforesaid it is enacted, that all sewers and drains, together with all buildings and other works, materials and things therewith connected, and all canals, aqueducts, tanks and wells provided for or lawfully applied to public use, and which are not the property of any private person or persons, together with all buildings, engines, works, materials and things therewith connected existing in the said Town at the time of the passing of this Act, or which hereafter shall at any time be constructed and made therein whether constructed at the cost of the said Commissioners or otherwise, and the entire management and controul over the same, subject to the provisions hereinafter contained, shall be the property of, and are hereby vested in the said Commissioners as such Trustees as aforesaid.

XVI. And it is enacted, that the said Commissioners shall cause to be constructed and made such and so many sewers and drains, and such and so many reservoirs, canals, aqueducts, engines and other works, and to be laid such and so many water pipes as shall in the opinion of the said Commissioners be necessary and proper for the effectual draining and cleansing of the whole of the Town aforesaid, and for the properly flushing and cleansing out such sewers in and under or across all or any of the streets and ways whether dedicated to the public use or not, roads and other places within the said Town, and if needful through and across all under ground cellars and vaults which they may find under any of the said streets, ways, roads or places, doing as little damage as may be, and also to cause such and so many rings and openings to be made or left in the sides of the said sewers as will be sufficient for the making or branching any drain or drains from any or all of the houses built, and which may probably be built adjoining or near thereto into any of the said sewers as the said Commissioners shall think fit necessary and expedient for that purpose; and in case it shall be found necessary for completing any of the aforesaid works to build, carry or continue the same in into or through any enclosed lands or other place not being a public way, it shall be lawful for the said Commissioners to build, carry or continue the same in into or through the said lands or other places accordingly, and the said Commissioners may and shall cause such sewers to communicate with and empty themselves into any public river, stream, canal or water-course, or to cause the refuse from such sewers to be conveyed by an appropriate channel to the most convenient site for its deposit, collection and sale, and its application as manure for agricultural purposes or otherwise as they shall deem most expedient, but so that the same shall in no case become a public nuisance or annoyance to the neighbourhood, and all such sewers, water-courses, canals, reservoirs and other works and premises shall be the property of and are hereby vested in the said Commissioners, and shall be at all times under the care, control and management of the said Commissioners and of their Surveyor and Officers.

XVII. And it is enacted, that the said Commissioners shall have authority from time to time as they shall see fit, and they are hereby required to widen, deepen, embank, alter, arch over, amend, clean and scour out all or any of the sewers within the said Town as may be necessary, and also to cleanse and drain off into any sewers or otherwise abate all stagnant pools, ditches, tanks and other receptacles of foul water and filth existing within the said Town, whether the same be the private property of any person or persons or otherwise, and further in cases in which any of the existing or future sewers vested in the said Commissioners shall from any cause whatever appear to the said Commissioners to have become useless or unnecessary, it shall be lawful for the said Commissioners if they shall think fit so to do to take up, stop, fill in and discontinue such old sewers in such manner that the same shall not be or become a nuisance or annoyance to the neighbourhood.

XVIII. And it is enacted, that before beginning to dig or lay the foundations of any new house within the said Town, or to re-build any house therein, and also before making any drain for the purpose of draining water directly or indirectly from any land or tenement into any sewer under the jurisdiction of the said Commissioners, fourteen clear days notice in writing shall be given to the Clerk to the said Commissioners by delivering the same to him, or leaving it at his office by the person intending to build or re-build such house, or to make such drain, and every such foundation shall be laid at such level as the said Surveyor of the said Commissioners shall direct, and every such branch drain shall be made in such direction, manner and form, and of such materials and workmanship as the said Surveyor shall order, and the making of every such drain shall be under the survey and control of the said Commissioners; and in default of such notice, or if such building or drain shall be begun or made without or in any respect contrary to any order of the said Surveyor, or of the provisions of this Act, it shall be lawful for the said Commissioners to cause such building to be demolished, and to cause such drain to be relaid, amended or remade as the case may require, and to cause the expenses thereof to be levied and repaid to them from and by the Owner thereof in the manner hereinafter provided.

XIX. And it is enacted, that it shall be lawful for any person at his own expence to make or branch any drain into any of the sewers vested in the said Commissioners, or authorized to be made by virtue of this Act, or otherwise acquired by the said Commissioners, such drain being made of such a size and in such a manner of communication in all respects as the said Surveyor of the said Commissioners shall direct or appoint, and for that purpose to take up and remove so much of the pavement and other materials of any street, as may be required unless the said Commissioners shall consent and agree which they are hereby authorized to do to form so much and such portion of such drain as shall lead from the point of communication in such sewer to the extremity of such street, and in case any person shall make or branch any drain into any of the said sewers so vested in the said Commissioners, or authorized to be made under and by virtue of this Act of a larger size, or in a different manner and form of communication than shall be directed or appointed by the said Surveyor, every person so offending shall for every such offence forfeit and pay on conviction before a Magistrate a sum not exceeding Fifty Rupees.

XX. And whereas it would tend to insure a greater efficiency and economy in the execution of works if the same were executed by persons under the immediate direction and controul of the Surveyor of the said Commissioners, it is enacted, that it shall be lawful for the said Commissioners to contract and agree with the Owners of any houses or other tenements within the said Town, that any drains required to be made by such Owners shall be constructed and made by the Surveyor of the said Commissioners, and the cost price of making such drains (as certified by the said Surveyor of the said Commissioners) shall be repaid by such Owners to the said Commissioners, and in default of such payment the same may be recovered in the manner hereinafter provided.

XXI. And whereas the noxious effluvia exhaling from gully holes of sewers and drains has been found to be injurious to health, and it is therefore expedient that some provision should be made in respect thereof to obviate the same, it is enacted, that the said Commissioners and the Owners of any private drains in the Town aforesaid, shall by providing proper traps or other coverings, or by ventilation, or by such other ways and means as shall be practicable for that purpose effectually prevent the effluvia of sewers and drains from exhaling from gully holes, gratings or any other openings whatsoever of drains or sewers in streets or other places, and in case the Owner of any private sewer or drain shall neglect or delay so to do, the Surveyor of the said Commissioners shall give him notice effectually to prevent the effluvia of such sewer or drain from so exhaling, and if the same shall not be effectually done by such Owner within ten days after such notice shall have been given him, the said Surveyor shall forthwith provide and apply proper traps or other coverings, or such other means as aforesaid so as effectually to prevent such effluvia from exhaling and the expence incurred thereby shall be paid by the Owner of such sewer or drain to be recovered in manner hereinafter mentioned.

XXII. And it is hereby enacted, that it shall be lawful for the said Commissioners and their said Surveyor, and they and he are hereby required when any of the streets, public ways or public thoroughfares, vested in them shall be under repair, or where any sewers or drains are making, or shall be under repair to take proper precautions against danger by shoreing up and protecting the adjoining houses, and to fix and place, or cause to be fixed and placed such, and so many bars, chains or posts across, or in any of the said streets, public ways or public thoroughfares to prevent the passing and repassing of carriages, carts or other vehicles, cattle or horses during the time of such works and repairs being carried on, as shall be necessary and proper, and the said Commissioners and their said Surveyor shall cause any sewer or drain or other works during the construction or repair thereof by them to be well and sufficiently lighted and attended by fit and proper persons during the night to prevent accidents, and if any person shall take down, alter or remove any of the said bars, chains or posts, or extinguish any light attached to or connected with the said bars, chains or posts without the authority or consent of the Surveyor of the said Commissioners, every such person so offending shall for every such offence forfeit and pay on conviction before a Magistrate any sum not exceeding Fifty Rupees.

XXIII. And it is enacted, that the said Commissioners shall with a due regard to the convenience and the preservation of the health of the in-

habitants of the said Town give strict orders to their said Surveyor to cause, and their said Surveyor shall duly cause all the streets, ways, thoroughfares and alleys thereof whether dedicated to the use of the public or not, together with the foot pavements or footpaths from time to time to be properly swept and cleansed, and all dust, dirt and filth of every sort which may be found thereon to be collected and removed therefrom, and all the soil ashes, rubbish and filth to be taken and carried away from the houses and premises of the inhabitants of the said Town at convenient hours and times, and shall cause all or any of the privies and cesspools within the said Town to be cleansed and emptied in a sufficient and proper manner as shall be required, and that the said Surveyor shall from time to time give public notice on what days, at what times in every week the said streets, public ways and public thoroughfares shall be swept and cleansed, and such dirt, dust and night soil, rubbish, filth and ashes carried away, and how and in what manner the same shall be carried away and where the same shall be deposited, and shall give such orders and directions as to the said Surveyor acting under the orders and control of the said Commissioners shall appear proper and necessary, and it shall be lawful for the said Commissioners to purchase or hire any carts, carriages and other machines, and also any horses or cattle for the better executing and performing any of the above duties.

XXIV. And it is enacted, that the dirt, dust, night soil and filth to be so collected from the said streets, thoroughfares, alleys, footways, privies, sewers and cesspools, and all the dust, ashes and rubbish to be collected, taken and carried away from all and every of the houses and elsewhere within the said Town shall be the property of, the said Commissioners, and are hereby vested in them; and the said Commissioners shall have full power to sell and dispose of the same through their said Clerk or Surveyor for the purpose of this Act as they shall think proper, and the money arising from the sale thereof shall be applied for the purpose of this Act, and the person purchasing the same shall have full power and authority to take, carry away and dispose of the same for his own proper use and benefit.

XXV. And it is enacted, that it shall be lawful for the said Commissioners for the purpose of watering the said streets, public ways and public thoroughfares in the said Town to sink wells and lay, erect and place pipes, conduits and pumps in any of the said streets, public ways or public thoroughfares, and to provide any other apparatus proper for that purpose, and to remove and alter the same when and as the said Commissioners shall think proper, and it shall be lawful for the said Commissioners, and they are hereby required to excavate and provide a sufficient number of spacious and convenient tanks or sufficient runs of water through the said Town for the inhabitants to bathe in at suitable and proper times and in suitable and proper places as may best serve to unite the health and comfort of the labouring population with public decency, making due allowance for the habits and customs of the country.

XXVI. And it is enacted, that it shall be lawful for the said Commissioners, and they are hereby required from time to time to make such Bye-laws as they shall think fit for all or any of the purposes following, that is to say,

For preventing nuisances in any streets or near thereto and effecting cleanliness therein.

For making regulations for the registering and inspection of slaughter houses and markets, and for keeping the same in a cleanly and proper state, and for removing filth therefrom at least once in every twenty-four hours, and for requiring that they shall be provided with a sufficient supply of water.

For the punishment of persons selling unwholesome meat, fish, vegetables, sweetmeats and grain, for the food of man, and for seizing and condemning the same.

For regulating the duties of scavengers, and for regulating the management of urinals and privies.

For making regulations for cleansing filthy and unwholesome dwellings.

For supplying private houses with water from the public reservoirs.

For making regulations to prevent persons bathing and washing their bodies in tanks and water-courses provided for the domestic uses of the inhabitants of the said Town and to limit the hours of bathing in the tanks and water-courses provided for the purpose of bathing in such manner as shall appear to the said Commissioners necessary to the health, cleanliness and comfort of the labouring population.

For enforcing upon the inhabitants of the said Town the performance of such acts and the abstinence from such acts as an enlightened regard to the health, cleanliness and decency of the said Town ought to induce them to perform and to abstain from due consideration being had for the feelings, manners and customs of the various races of which the said inhabitants consist.

For ascertaining and fixing what pecuniary penalties shall be incurred by persons breaking such Bye-laws. Provided always, that no such last mentioned penalty shall exceed for any one offence the sum of Fifty Rupees, nor in case of continuing nuisance the sum of Five Rupees for every day during which such nuisance shall be continued and unremedied.

XXVII. And it is enacted, that no Bye-law made under the powers for that purpose herein last contained shall be of any force until the same shall have been laid before the Governor of the Presidency of Fort William in Bengal and his approbation thereof, and that of the Governor General in Council, shall have been certified to the said Commissioners under his hand by the Secretary to the Government of Fort William in Bengal, nor until the expiration of forty days after the same Bye-law shall have been published once in two of the Calcutta Newspapers, and a copy of such Bye-law with a declaration thereon, signed by the Clerk to the said Commissioners that the same has been approved by the said Governor and published in two Newspapers as aforesaid with the date of such publication, shall be received as evidence of such Bye-law, and of the approval and publishing thereof as aforesaid in all Courts of Law and Equity and before all Magistrates.

XXVIII. And it is enacted, that all Bye-laws made in pursuance of this Act shall be printed, and a copy thereof shall be posted up and continue so posted in the Office of the Clerk of the said Commissioners, and copies thereof shall be delivered to any person who may apply for the same on payment of such sum as the said Commissioners shall think fit not exceeding Four Annas.

XXIX. And it is enacted, that all the provisions hereinafter contained relative to offences against this Act punishable upon summary conviction shall be taken to apply to all offences commited

in breach of any Bye-law made by the said Commissioners by virtue of this Act.

XXX. And it is enacted, that it shall be lawful for the said Commissioners to direct any prosecution for any public nuisance whatsoever, which shall be permitted or suffered within the said Town, and to order proceedings to be taken for the recovery of any penalties and for the punishment of any persons offending against the provisions of this Act, and to direct and order the expences of such prosecutions and other proceedings to be paid and borne by and out of the funds placed at the disposal of the said Commissioners under the provisions of this Act.

XXXI. And it is enacted, that it shall be lawful for the said Commissioners to sue and be sued, to prefer any bill of indictment or information, or to take any other proceeding against any person who shall steal, take, or carry away, or wilfully deface or injure any property, articles, or thing belonging to the said Commissioners, and in every such case it shall be sufficient to state generally the property, article, or thing, in respect of which such proceeding shall have been taken, to be the property of the said Commissioners.

XXXII. And it is enacted, that nothing in this Act contained shall be construed to render lawful any act or omission on the part of any person which is or but for this Act would be deemed and adjudged to be a nuisance at Common Law, nor to exempt any person guilty of a nuisance at Common Law from prosecution or action in respect thereof. Provided always, that if any person convicted of an offence under this Act shall have paid the whole amount adjudged to be paid under such conviction, and the costs thereof in every such case he shall be released from all further or other criminal proceedings for the same offence.

XXXIII. And it is enacted, that it shall be lawful for the said Commissioners, and they are hereby empowered with the consent and approbation of the said Governor and subject to the restrictions hereinafter contained, to contract and agree with any person or persons for supplying the said Town or any part thereof with water for the purposes of this Act, and with the like consent to agree, with any person having and willing to dispose of the same, for the absolute purchase for any purpose which the said Commissioners shall think necessary for obtaining and protecting such supply of water as aforesaid, of any water-works, streams or waters, lands, tenements, easements, hereditaments, fixtures, machinery, or other property, or to take a lease thereof for any term of years and subject to such conditions as shall be agreed upon between the parties, and also with the like consent and approbation to grant to any person or persons contracting to supply the said Town or any part thereof, with water. a lease for any term not exceeding twenty-one years, of any water-works, machinery, streams, waters, lands, tenements, easements, rights, privileges and advantages belonging to or acquired by or which may belong to or be acquired by or be vested in the said Commissioners under any of the powers or authorities in this Act contained so as to enable such person or persons so contracting the more effectually and efficiently to procure and supply water in pursuance of any such contract or agreement, and every such lease so to be granted by the said Commissioners may be made subject to such conditions and stipulations as to the supplying water for the purposes of this Act, or any of them as may be agreed upon between the respective parties thereto. Provided always, that no lease or contract made in pursuance of the powers hereinbefore contained shall be valid or effectual for any purpose whatsoever unless the said Governor's approval of the same shall be testified by writing endorsed on such lease or contract under the hand of the Secretary to the Government of Bengal.

XXXIV. *Fort William. Home Department, Legislative, the 27th November*, 1847.

The following Act is passed by the Hon'ble the President of the Council of India in Council on the 27th November 1847, with the assent of the Right Hon'ble the Governor General of India, which has been read and recorded.

Ordered, that the Act be promulgated for general information

ACT No. XVIII. OF 1847.

*An Act for curing the invalidity in the registration of Deeds arising from the fact of having been registered by persons not duly appointed or on other than Court days.*

Whereas instances have occurred of persons exercising the office of Register of Deeds who have not been duly appointed, and whereas in some cases registration of Deeds has been made on other than Court days, that is on days other than those on which the Zillah or City Court has been open for business, and doubts may therefore arise as to whether the registration of any Deed registered by such persons not duly appointed, or registered on other than a Court day, is valid in law:

I. It is therefore hereby enacted, that acts which may have been done in that capacity in any Zillah, subject to the Presidency of Bengal, by persons who have had charge of the office of Register of Deeds without being duly appointed to the said office, shall be and shall be taken to have always been as valid in law as such acts would have been if the said persons had been duly appointed to have charge of the said office.

II. And it is enacted, that all acts which may have been done on other than Court days by the Register of Deeds, or by the person having charge of the office without being duly appointed, in any Zillah subject to the Presidency of Bengal, shall be and shall be taken to have always been as valid in law as such acts would have been if they had been done on a Court day.

NOTICE.—With reference to the London Post Master General's Notification regarding the rates of postage to be charged upon Letters received from Bombay by the Government Express, which was published with a notice from this Office of yesterday's date, the following Letter since received from the Post Master General of Bombay on the subject, is also published for general information.

W. Tayler,

*Post Master General.*

*Fort William, Genl. Post Office,*
*The 24th July*, 1847.

*No.* 966 *of* 1847.

*General Department.*

To W. Tayler, Esquire,

*Post Master General, Calcutta.*

Sir,—Adverting to my Letter, dated the 2d instant, I have the honor to suggest for your consideration, whether it would not be advisable to publish a Notice in the Calcutta Papers, intimating to the public generally, especially the Mercantile Community, that, if they desire their Overland Letters, to be forwarded on by the Government Overland Express, they should request their Correspondents to mark "per Express," and to keep within the *limited weight of two tolas;* and that, meanwhile, until the system becomes generally known, they ought to advise me, whether they wish any of their Letters, not so marked, to be sent on from Bombay by the Express.

2d.—By the last Express I dispatched as usual a number of Overland Letters, not especially marked, because, had I not done so, great disappointment would have been experienced by parties in Calcutta; but I intend to discontinue the practice, after a sufficient time has elapsed to admit of the public becoming aware of the privilege conceded by the Notification of May issued by the London General Post Office, and to dispatch by he Overland Express those Letters only which are so marked.

3d.—The public ought moreover to be most especially warned not to mark "per Express" on letters *exceeding two tolas in weight*, because such letters cannot be so dispatched. They will invariably be detained (as was the case on the arrival of the last Mail,) for transmission by the post regular dawk, dispatched after the Express.

4th.—I shall feel much obliged by your favoring me with a list of "Newspaper Offices" in Calcutta, and by your informing the parties connected therewith that not more than two papers (whether sent out from England marked "per Express," or posted in Bombay to go by Express) will, in future, be forwarded by the Government Express. Some of the Newspaper Offices have as many as six Overland Papers marked "per Express," but, as they cannot be so forwarded, it is useless to have them so marked.

5th.—The new rule limits the weight of a Newspaper to 3 *tolas*, but, if that were acted up to, the Newspaper Offices would be deprived altogether of the privilege conceded by the Notification of May last, as an Overland Paper invariably weighs more than 3 and generally very nearly 6 tolas. I have therefore determined to send two Overland Papers to each Office, *without reference to that limit*, and shall continue the practice until I receive orders to the contrary from Government or the Home Authorities.

I have, &c.,

NOTICE.—The following Notice of the Post Master General of London, received through the Post Master General of Bombay, is published for general information.

W. Tayler, *Post Master Genl.*

*Calcutta, Genl. Post Office,*
*the 23d July*, 1847.

GENERAL POST OFFICE, MAY 1847.

The Post Master General having been informed by the Court of Directors of the East India Company, that on and after the 1st June next, persons in this Country may forward private correspondence by the Government Express from Bombay to Calcutta and Madras, all persons desirous of availing themselves of this privilege, will be required to mark upon the covers of their letters the words "By Express from Bombay," and in addition to this special address, it will be necessary, that all letters intended to be forwarded by the way of Southampton, should be so endorsed as hitherto; the postage to be charged in India in the delivery of letters sent by this Express will be in addition to the ordinary Inland rates.

One Rupee for every letter not exceeding half a tola in weight.

Two Rupees for every letter above half a tola, but not exceeding one tola in weight.

Four Rupees for every letter above one tola, but not exceeding two tolas in weight, two tolas being the maximum weight of letters to be conveyed by Express.

On Newspapers, each Newspaper Office in Calcutta and Madras, will be allowed to receive two Newspapers at the ordinary rates of Inland postage, on all other Newspapers forwarded by Express a postage of five Rupees each will be charged, and no Newspaper will be received for the Express exceeding three tolas in weight.

N. B. One tola and a quarter is nearly equivalent to half an ounce avoirdupoise.

And it is enacted, that if any person at any time shall obstruct or molest the said Commissioners or any Clerk, or Surveyor, or other Officer, or workmen, or other person employed by them, or any person or Company with whom they may have contracted under the provisions of this Act, or any person employed by them in the performance and execution of their or his duty, or any thing which they are respectively required or authorized to do by virtue, or in consequence of this Act, every such person so offending shall for every such offence on conviction before a Magistrate, forfeit and pay any sum not exceeding Fifty Rupees.

VI. And it is enacted, that every Commissioner and the Surveyor, and Clerk to the Commissioners, with such Assistants as they may require, shall for the purposes of this Act, have full power and authority at all seasonable hours in the day time to enter, or to direct his subordinate Officers to enter into and upon any land or tenement, and in and upon the land on which any house, building or other erection is built or building, or intended to be built, and into and upon any buildings or any part thereof without being liable to any action at Law or Suit in Equity, or any other legal proceedings or molestation whatsoever for or on account of such entry, or of any thing done or to be done in any part thereof in pursuance of this Act. Provided that none of the persons abovementioned shall enter upon any lands or tenements which may be occupied at the time unless with the consent of the occupier thereof, without previously giving the said occupier reasonable notice of his or their intention to do so.

VII. And it is enacted, that the management and controul over all and every of the streets, public ways and public thoroughfares of every kind and description within the said Town of Calcutta existing at the time of the passing of this Act, and of all parts of the said Town which shall hereafter become streets, public ways or public thoroughfares of any kind or description, and the pavements and other materials therein, and all erections and buildings, materials, implements or other things provided for the said streets, public ways and public thoroughfares by or under the authority of the Government of Bengal, or by the Magistrates of Calcutta, or by the said Commisssioners, shall be the property of, and are hereby vested in the said Commissioners as Trustees aforesaid.

VIII. And it is enacted, that it shall be lawful for the said Commissioners with the consent and approbation of the Government of Bengal to pave and water such of the streets, public ways and public thoroughfares existing in the said Town at the time of the passing of this Act, or at any future time as they shall think fit.

IX. And it is enacted, that the said Commissioners shall keep in sufficient repair every street, public way and public thoroughfare existing in the said Town at the time of passing this Act, or at any future time, and shall be liable to be indicted for not sufficiently repairing the same.

X. And it is enacted, that if any person shall displace, take up or make any alteration in the pavements, flags or other materials of any foot or carriage way in any street within the said Town without the consent in writing of the said Commissioners, or of their said Surveyor, or shall cause any obstruction to, or make any encroachment upon any street in the said Town, any such person so offending shall for every such offence on conviction before a Magistrate forfeit and pay a sum not exceeding Fifty Rupees.

XI. And whereas it is essential to the health and convenience of the inhabitants that straight and spacious streets and thoroughfares should be continued where they have been begun, and should be opened at convenient and suitable distances where such do not at present exist so as to perforate the mass of buildings within the said Town in straight lines as nearly as may be from South to North, and from East to West, crossing each other at right angles, and from South East to North West and from South West to North East, crossing the straight lines abovementioned diagonally with large open spaces forming squares or circles at convenient and suitable distances from whence the said streets may conveniently diverge in lines without interruption to the river and to the open country without the said Town so far as the completion of such plan may be practicable and where not entirely practicable upon a plan as nearly approaching to such plan as may be: And whereas it is also expedient and necessary that the narrow lanes and gullys which compose the greater part of the said Town inhabited by the Native inhabitants should be converted into such straight and spacious streets and thoroughfares formed as abovementioned due regard being had to the compensation of Owners of houses, buildings and grounds, which may be required to be vested in the said Commissioners for any such purposes as aforesaid:

It is enacted, that as soon as may be after the passing of this Act, the said Commissioners shall cause plans to be made by their said local Surveyor and by other competent Surveyors, shewing the direction and breadth of such streets and thoroughfares, and the situations and dimensions of such open spaces to form squares or circles as aforesaid, which in their opinion shall be the most suitable for carrying into effect the abovementioned objects, keeping in view the salubrity of the said Town, the convenience of communication within the same, and the economy with which the said improvements may be carried into execution, together with estimates of the expence of the necessary works and estimates of the probable value of the houses, buildings and grounds, which it will be necessary for the said Commissioners to purchase for these purposes, and the said Commissioners shall select from the plans which shall be so furnished to them the one which they, or a majority of them, shall consider the best and most eligible, and shall transmit to the Secretary to the Government of Bengal, the said plan and the resolution of the Commissioners thereupon for the consideration of the said Governor of Bengal, and upon the said Governor signifying through the said Secretary by writing, signed by the said Secretary, his approval of such plan, the said Commissioners shall proceed with all convenient speed to carry the same into execution so far as the funds at their disposal, and the circumstances under which the works are to be carried into execution will allow, in conjunction with the other improvements contemplated by this Act, and in case the said Governor shall signify his disapproval of the plan so submitted to him, the said Commissioners

shall cause another plan to be drawn by the same or any other competent Surveyor, which plan shall in like manner be submitted by the said Commissioners to the said Governor, and so from time to time until such plan shall be finally approved of by the said Governor, and as soon as may be after such final approval of the said Governor shall be intimated to the said Commissioners as aforesaid, the said Commissioners shall proceed to carry the said plan so approved into execution with all such convenient speed as aforesaid.

XII. And it is enacted, that the said plan having been so submitted to and having been approved by the said Governor as aforesaid, the said Commissioners shall proceed in conformity with the provisions of Act No. of 184 , with the purchase of such houses, buildings and grounds as it may be necessary to purchase for the execution of such plan, and shall upon such purchase being completed give orders to their said local Surveyor to proceed with the said works without further reference to the said Governor.

XIII. And whereas it is essentially necessary to the salubrity of the said Town to make provision for the effectual sewerage and drainage of the same:

It is enacted, that as soon as conveniently may be after the passing of this Act the said Commissioners shall cause their said Surveyor to make a careful survey of the whole of the said Town, and in an accurate and distinct report to be framed by him to state what in his opinion are the defects of such sewerage, works and drains as shall at that time exist therein, and what alterations of the same, and what new main and other sewers and drains are necessary and proper for the effectual draining and clearing of the whole of the said Town, and what reservoirs, engines, sluices, penstocks and other works are required for properly flushing and cleansing out such sewers and drains, and at and from what places such drains and sewers respectively ought to commence, in what precise direction they are to be conducted, and at what places respectively they ought to terminate.

XIV. And whereas it is of the most essential importance that all the inhabitants of the said Town should be supplied with good and wholesome water for drinking and for domestic purposes to the utmost extent that the local and other circumstances of the said Town will permit, and especially that the poorer inhabitants thereof should be so supplied with water; and whereas supplies of water are also required for the efficient and wholesome cleansing and watering of the streets, and cleansing the main and other sewers and drains which may be constructed or maintained under the provisions of this Act:

It is enacted, that the said Commissioners shall at the same time cause their said Surveyor to report upon the existing supplies of water in the said Town, the sufficiency or insufficiency of such supply for all the several purposes aforesaid, and the healthful or palatable quality as water for drinking of every description of water so supplied, or which the said Surveyor shall recommend in future to be supplied, and with a view to test the accuracy of his report upon this latter subject the said Commissioners shall cause such water or waters to be analysed and reported on by competent Chemists and Medical men, and the said Surveyor shall also state in his report from what point on the River Hooghly, North of Calcutta, water in sufficient quantity can be conveyed into the Town for the domestic purposes of the said inhabitants, and for the efficient and wholesome cleansing and watering of the said streets, and cleansing the main and other sewers and drains which shall or may be constructed and maintained under the provisions of this Act, and shall state whether in his opinion one supply of water from one place can be commanded adequate to all these several purposes, and from what distance and at what probable expence, and what reservoirs, engines, sluices, canals, aqueducts, pipes and other works, and of what respective dimensions are required for the adequate and abundant supply of such water for all such purposes as aforesaid.

XV. And for carrying into effect the purposes aforesaid it is enacted, that all sewers and drains, together with all buildings and other works, materials and things therewith connected, and all canals, aqueducts, tanks and wells provided for or lawfully applied to public use, and which are not the property of any private person or persons, together with all buildings, engines, works, materials and things therewith connected existing in the said Town at the time of the passing of this Act, or which hereafter shall at any time be constructed and made therein whether constructed at the cost of the said Commissioners or otherwise, and the entire management and controul over the same, subject to the provisions hereinafter contained, shall be the property of, and are hereby vested in the said Commissioners as such Trustees as aforesaid.

XVI. And it is enacted, that the said Commissioners shall cause to be constructed and made such and so many sewers and drains, and such and so many reservoirs, canals, aqueducts, engines and other works, and to be laid such and so many water pipes as shall in the opinion of the said Commissioners be necessary and proper for the effectual draining and cleansing of the whole of the Town aforesaid, and for the properly flushing and cleansing out such sewers in and under or across all or any of the streets and ways whether dedicated to the public use or not, roads and other places within the said Town, and if needful through and across all under ground cellars and vaults which they may find under any of the said streets, ways, roads or places, doing as little damage as may be, and also to cause such and so many rings and openings to be made or left in the sides of the said sewers as will be sufficient for the making or branching any drain or drains from any or all of the houses built, and which may probably be built adjoining or near thereto into any of the said sewers as the said Commissioners shall think fit necessary and expedient for that purpose; and in case it shall be found necessary for completing any of the aforesaid works to build, carry or continue the same in into or through any enclosed lands or other place not being a public way, it shall be lawful for the said Commissioners to build, carry or continue the same in into or through the said lands or other places accordingly, and the said Commissioners may and shall cause such sewers to communicate with and empty themselves into any public river, stream, canal or water-course, or to cause the refuse from such sewers to be conveyed by an appropriate channel to the most convenient site for its deposit, collection and sale, and its application as manure for agricultural purposes or otherwise as they shall deem most expedient, but so that the same shall in no case become a public nuisance or annoyance to the neighbourhood, and all such sewers, water-courses, canals, reservoirs and other works and premises shall be the property of and are hereby vested in the said Commissioners, and shall be at all times under the care, control and management of the said Commissioners and of their Surveyor and Officers.

XVII. And it is enacted, that the said Commissioners shall have authority from time to time as they shall see fit, and they are hereby required to widen, deepen, embank, alter, arch over, amend, clean and scour out all or any of the sewers within the said Town as may be necessary, and also to cleanse and drain off into any sewers or otherwise abate all stagnant pools, ditches, tanks and other receptacles of foul water and filth existing within the said Town, whether the same be the private property of any person or persons or otherwise, and further in cases in which any of the existing or future sewers vested in the said Commissioners shall from any cause whatever appear to the said Commissioners to have become useless or unnecessary, it shall be lawful for the said Commissioners if they shall think fit so to do to take up, stop, fill in and discontinue such old sewers in such manner that the same shall not be or become a nuisance or annoyance to the neighbourhood.

XVIII. And it is enacted, that before beginning to dig or lay the foundations of any new house within the said Town, or to re-build any house therein, and also before making any drain for the purpose of draining water directly or indirectly from any land or tenement into any sewer under the jurisdiction of the said Commissioners, fourteen clear days notice in writing shall be given to the Clerk to the said Commissioners by delivering the same to him, or leaving it at his office by the person intending to build or re-build such house, or to make such drain, and every such foundation shall be laid at such level as the said Surveyor of the said Commissioners shall direct, and every such branch drain shall be made in such direction, manner and form, and of such materials and workmanship as the said Surveyor shall order, and the making of every such drain shall be under the survey and control of the said Commissioners; and in default of such notice, or if such building or drain shall be begun or made without or in any respect contrary to any order of the said Surveyor, or of the provisions of this Act, it shall be lawful for the said Commissioners to cause such building to be demolished, and to cause such drain to be relaid, amended or remade as the case may require, and to cause the expenses thereof to be levied and repaid to them from and by the Owner thereof in the manner hereinafter provided.

XIX. And it is enacted, that it shall be lawful for any person at his own expence to make or branch any drain into any of the sewers vested in the said Commissioners, or authorized to be made by virtue of this Act, or otherwise acquired by the said Commissioners, such drain being made of such a size and in such a manner of communication in all respects as the said Surveyor of the said Commissioners shall direct or appoint, and for that purpose to take up and remove so much of the pavement and other materials of any street, as may be required unless the said Commissioners shall consent and agree which they are hereby authorized to do to form so much and such portion of such drain as shall lead from the point of communication in such sewer to the extremity of such street, and in case any person shall make or branch any drain into any of the said sewers so vested in the said Commissioners, or authorized to be made under and by virtue of this Act of a larger size, or in a different manner and form of communication than shall be directed or appointed by the said Surveyor, every person so offending shall for every such offence forfeit and pay on conviction before a Magistrate a sum not exceeding Fifty Rupees.

XX. And whereas it would tend to insure a greater efficiency and economy in the execution of works if the same were executed by persons under the immediate direction and controul of the Surveyor of the said Commissioners, it is enacted, that it shall be lawful for the said Commissioners to contract and agree with the Owners of any houses or other tenements within the said Town, that any drains required to be made by such Owners shall be constructed and made by the Surveyor of the said Commissioners, and the cost price of making such drains (as certified by the said Surveyor of the said Commissioners) shall be repaid by such Owners to the said Commissioners, and in default of such payment the same may be recovered in the manner hereinafter provided.

XXI. And whereas the noxious effluvia exhaling from gully holes of sewers and drains has been found to be injurious to health, and it is therefore expedient that some provision should be made in respect thereof to obviate the same, it is enacted, that the said Commissioners and the Owners of any private drains in the Town aforesaid, shall by providing proper traps or other coverings, or by ventilation, or by such other ways and means as shall be practicable for that purpose effectually prevent the effluvia of sewers and drains from exhaling from gully holes, gratings or any other openings whatsoever of drains or sewers in streets or other places, and in case the Owner of any private sewer or drain shall neglect or delay so to do, the Surveyor of the said Commissioners shall give him notice effectually to prevent the effluvia of such sewer or drain from so exhaling, and if the same shall not be effectually done by such Owner within ten days after such notice shall have been given him, the said Surveyor shall forthwith provide and apply proper traps or other coverings, or such other means as aforesaid so as effectually to prevent such effluvia from exhaling and the expence incurred thereby shall be paid by the Owner of such sewer or drain to be recovered in manner hereinafter mentioned.

XXII. And it is hereby enacted, that it shall be lawful for the said Commissioners and their said Surveyor, and they and he are hereby required when any of the streets, public ways or public thoroughfares, vested in them shall be under repair, or where any sewers or drains are making, or shall be under repair to take proper precautions against danger by shoreing up and protecting the adjoining houses, and to fix and place, or cause to be fixed and placed such, and so many bars, chains or posts across, or in any of the said streets, public ways or public thoroughfares to prevent the passing and repassing of carriages, carts or other vehicles, cattle or horses during the time of such works and repairs being carried on, as shall be necessary and proper, and the said Commissioners and their said Surveyor shall cause any sewer or drain or other works during the construction or repair thereof by them to be well and sufficiently lighted and attended by fit and proper persons during the night to prevent accidents, and if any person shall take down, alter or remove any of the said bars, chains or posts, or extinguish any light attached to or connected with the said bars, chains or posts without the authority or consent of the Surveyor of the said Commissioners, every such person so offending shall for every such offence forfeit and pay on conviction before a Magistrate any sum not exceeding Fifty Rupees.

XXIII. And it is enacted, that the said Commissioners shall with a due regard to the convenience and the preservation of the health of the in-

habitants of the said Town give strict orders to their said Surveyor to cause, and their said Surveyor shall duly cause all the streets, ways, thoroughfares and alleys thereof whether dedicated to the use of the public or not, together with the foot pavements or footpaths from time to time to be properly swept and cleansed, and all dust, dirt and filth of every sort which may be found thereon to be collected and removed therefrom, and all the soil ashes, rubbish and filth to be taken and carried away from the houses and premises of the inhabitants of the said Town at convenient hours and times, and shall cause all or any of the privies and cesspools within the said Town to be cleansed and emptied in a sufficient and proper manner as shall be required, and that the said Surveyor shall from time to time give public notice on what days, at what times in every week the said streets, public ways and public thoroughfares shall be swept and cleansed, and such dirt, dust and night soil, rubbish, filth and ashes carried away, and how and in what manner the same shall be carried away and where the same shall be deposited, and shall give such orders and directions as to the said Surveyor acting under the orders and control of the said Commissioners shall appear proper and necessary, and it shall be lawful for the said Commissioners to purchase or hire any carts, carriages and other machines, and also any horses or cattle for the better executing and performing any of the above duties.

XXIV. And it is enacted, that the dirt, dust, night soil and filth to be so collected from the said streets, thoroughfares, alleys, footways, privies, sewers and cesspools, and all the dust, ashes and rubbish to be collected, taken and carried away from all and every of the houses and elsewhere within the said Town shall be the property of the said Commissioners, and are hereby vested in them; and the said Commissioners shall have full power to sell and dispose of the same through their said Clerk or Surveyor for the purpose of this Act as they shall think proper, and the money arising from the sale thereof shall be applied for the purpose of this Act, and the person purchasing the same shall have full power and authority to take, carry away and dispose of the same for his own proper use and benefit.

XXV. And it is enacted, that it shall be lawful for the said Commissioners for the purpose of watering the said streets, public ways and public thoroughfares in the said Town to sink wells and lay, erect and place pipes, conduits and pumps in any of the said streets, public ways or public thoroughfares, and to provide any other apparatus proper for that purpose, and to remove and alter the same when and as the said Commissioners shall think proper, and it shall be lawful for the said Commissioners, and they are hereby required to excavate and provide a sufficient number of spacious and convenient tanks or sufficient runs of water through the said Town for the inhabitants to bathe in at suitable and proper times and in suitable and proper places as may best serve to unite the health and comfort of the labouring population with public decency, making due allowance for the habits and customs of the country.

XXVI. And it is enacted, that it shall be lawful for the said Commissioners, and they are hereby required from time to time to make such Bye-laws as they shall think fit for all or any of the purposes following, that is to say,

For preventing nuisances in any streets or near thereto and effecting cleanliness therein.

For enforcing upon the inhabitants of the said Town the performance of such acts and the abstinence from such acts as an enlightened regard to the health, cleanliness and decency of the said Town ought to induce them to perform and to abstain from due consideration being had for the feelings, manners and customs of the various races of which the said inhabitants consist.

For ascertaining and fixing what pecuniary penalties shall be incurred by persons breaking such Bye-laws. Provided always, that no such last mentioned penalty shall exceed for any one offence the sum of Fifty Rupees, nor in case of continuing nuisance the sum of Five Rupees for every day during which such nuisance shall be continued and unremedied.

The following Act is passed by the Hon'ble the President of the Council of India in Council on the 27th November 1847, with the assent of the Right Hon'ble the Governor General of India, which has been read and recorded.

Ordered, that the Act be promulgated for general information.

### Act No. XVIII. of 1847.

*An Act for curing the invalidity in the registration of Deeds arising from the fact of having been registered by persons not duly appointed or on other than Court days.*

Whereas instances have occurred of persons exercising the office of Register of Deeds who have not been duly appointed, and whereas in some cases registration of Deeds has been made on other than Court days, that is on days other than those on which the Zillah or City Court has been open for business, and doubts may therefore arise as to whether the registration of any Deed registered by such persons not duly appointed, or registered on other than a Court day, is valid in law:

I. It is therefore hereby enacted, that acts which may have been done in that capacity in any Zillah, subject to the Presidency of Bengal, by persons who have had charge of the office of Register of Deeds without being duly appointed to

the said office, shall be and shall be taken to have always been as valid in law as such acts would have been if the said persons had been duly appointed to have charge of the said office.

II. And it is enacted, that all acts which may have been done on other than Court days by the Register of Deeds, or by the person having charge of the office without being duly appointed, in any Zillah subject to the Presidency of Bengal, shall be and shall be taken to have always been as valid in law as such acts would have been if they had been done on a Court day.

NOTICE.—With reference to the London Post Master General's Notification regarding the rates of postage to be charged upon Letters received from Bombay by the Government Express, which was published with a notice from this Office of yesterday's date, the following Letter since received from the Post Master General of Bombay on the subject, is also published for general information.

W. Tayler,

*Post Master General.*

*Fort William, Genl. Post Office,*
*The 24th July,* 1847.

*No.* 966 *of* 1847.

*General Department.*

To W. Tayler, Esquire,

*Post Master General, Calcutta.*

Sir,—Adverting to my Letter, dated the 2d instant, I have the honor to suggest for your consideration, whether it would not be advisable to publish a Notice in the Calcutta Papers, intimating to the public generally, especially the Mercantile Community, that, if they desire their Overland Letters, to be forwarded on by the Government Overland Express, they should request their Correspondents to mark "per Express," and to keep within the *limited weight of two tolas;* and that, meanwhile, until the system becomes generally known, they ought to advise me, whether they wish any of their Letters, not so marked, to be sent on from Bombay by the Express.

2d.—By the last Express I dispatched as usual a number of Overland Letters, not especially marked, because, had I not done so, great disappointment would have been experienced by parties in Calcutta; but I intend to discontinue the practice, after a sufficient time has elapsed to admit of the public becoming aware of the privilege conceded by the Notification of May issued by the London General Post Office, and to dispatch by he Overland Express those Letters only which are so marked.

3d.—The public ought moreover to be most especially warned not to mark "per Express" on letters *exceeding two tolas in weight,* because such letters cannot be so dispatched. They will invariably be detained (as was the case on the arrival of the last Mail,) for transmission by the post regular dawk, dispatched after the Express.

4th.—I shall feel much obliged by your favoring me with a list of "Newspaper Offices" in Calcutta, and by your informing the parties connected therewith that not more than two papers (whether sent out from England marked "per Express," or posted in Bombay to go by Express) will, in future, be forwarded by the Government Express. Some of the Newspaper Offices have as many as six Overland Papers marked "per Express," but, as they cannot be so forwarded, it is useless to have them so marked.

5th.—The new rule limits the weight of a Newspaper to 3 *tolas*, but, if that were acted up to, the Newspaper Offices would be deprived altogether of the privilege conceded by the Notification of May last, as an Overland Paper invariably weighs more than 3 and generally very nearly 6 tolas. I have therefore determined to send two Overland Papers to each Office, *without reference to that limit,* and shall continue the practice until I receive orders to the contrary from Government or the Home Authorities.

I have, &c.,

(Sd.) A. W. Ravenscroft,

General Post Office, May 1847.

The Post Master General having been informed by the Court of Directors of the East India Company, that on and after the 1st June next, persons in this Country may forward private correspond-

ence by the Government Express from Bombay to Calcutta and Madras, all persons desirous of availing themselves of this privilege, will be required to mark upon the covers of their letters the words "By Express from Bombay," and in addition to this special address, it will be necessary, that all letters intended to be forwarded by the way of Southampton, should be so endorsed as hitherto; the postage to be charged in India in the delivery of letters sent by this Express will be in addition to the ordinary Inland rates.

One Rupee for every letter not exceeding half a tola in weight.

Two Rupees for every letter above half a tola, but not exceeding one tola in weight.

Four Rupees for every letter above one tola, but not exceeding two tolas in weight, two tolas being the maximum weight of letters to be conveyed by Express.

On Newspapers, each Newspaper Office in Calcutta and Madras, will be allowed to receive two Newspapers at the ordinary rates of Inland postage, on all other Newspapers forwarded by Express a postage of five Rupees each will be charged, and no Newspaper will be received for the Express exceeding three tolas in weight.

N. B. One tola and a quarter is nearly equivalent to half an ounce avoirdupoise.

SUPPLEMENT TO

# The Calcutta Gazette.

Published by Authority.

SATURDAY, DECEMBER 4, 1847.

*Fort William, Home Department, Legislative, the 20th November*, 1847.

The following Draft of a proposed Act was read in Council for the first time on the 20th of November, 1847.

ACT No. —— OF 1847.

*An Act to confer certain powers and privileges on the Commissioners for the Improvement of the Town of Calcutta, and to provide for the execution of certain public works by them.*

Whereas by Act No. of 184 , it was amongst other things enacted, that the whole proceeds of the rates and taxes therein aforesaid, after paying all establishments and incidental expences should, together with such monies as the Government of Bengal, with the sanction of the Governor General in Council, might direct to be paid over to the Commissioners for the Improvement of the Town of Calcutta therein aforesaid, be applied by them to the following purposes, viz.

Formation of Tanks and Aqueducts for the conveyance of water to all parts of the Town.

Opening of Streets and Squares in crowded parts of the Town.

Filling up Stagnant Pools of Water and removing obstructions to the free circulation of air.

Lighting and Watering the Roads and Streets.

Cleansing and repairing the same and the drains of the said Town.

And improving and embellishing the said Town generally.

And whereas for the effectual accomplishment of the purposes aforesaid it is expedient that the said Commissioners should be empowered to appoint a Clerk and a Surveyor and other necessary Officers, and that the said Commissioners and their said Clerk and their said Surveyor and other Officers should exercise powers interfering with the rights and property of individuals:

I. It is therefore hereby enacted, that the said Commissioners shall nominate and appoint fit and proper persons to be their Surveyor and Clerk and other necessary Officers, who shall receive such salaries as to the Governor of Bengal shall seem meet not exceeding Company's Rupees by the month.

II. And it is hereby enacted, that for the purpose of constructing one or more Aqueducts for bringing pure and wholesome water to the Town of Calcutta from any place without the local limits of the jurisdiction of Her Majesty's Supreme Court of Judicature, it shall be lawful, whenever a plan for an Aqueduct shall have been approved by the Governor of Bengal, for every Commissioner, and for the Surveyor and Clerk to the Commissioners with such Assistants as they may require, to exercise in the construction of such Aqueduct, throughout the line of country through which such Aqueduct is to run, all the powers which by this Act it is lawful for them to exercise within the said local limits, and which may be necessary for the construction of such Aqueduct without being subject to any action or molestation whatever for so doing. And it shall also be lawful for any Magistrate of any district through which the said Aqueduct is to run, in furtherance of the construction of such Aqueduct, to do such acts, and he is hereby required to do such acts as it is by this Act lawful for a Magistrate of the Town of Calcutta to do, and as he is by this Act required to do in furtherance of any work to be executed by the said Commissioners within the said local limits.

III. And it is hereby enacted, that it shall be lawful for the said Commissioners instead of executing any of the works which by this Act they are authorized to execute, by themselves, their Servants and Assistants, to execute the same by contract with any individual or Company who may be willing to undertake the same, and in that case it shall be lawful for such individual or such Company to exercise and enjoy all the powers and privileges which by this Act it is lawful for the said Commissioners to exercise and enjoy in the execution of any such work.

IV. And it is enacted, that if in carrying into execution any of the powers or authorities of this Act any house, building or other hereditament shall be damaged or otherwise prejudicially affected, the said Commissioners shall make good such damage and pay to the Owner and Occupier of such house, building or other hereditament such amount of compensation for such injury as shall be agreed upon between such Owner and Occupier, and the said Commissioners, and if such Owner or Occupier, and the said Commissioners cannot agree as to the amount of such compensation and the

proportions thereof to be paid to such Owner and Occupier respectively then the amount of such compensation, and also the proportions which the persons claiming the same are entitled to shall be settled and recovered by arbitration or the verdict of a Jury to be summoned and returned in the manner provided in Act No. , entitled an Act to enable the Commissioners who may be appointed under Act to purchase real or personal property for the Improvement of the Town of Calcutta.

V. And it is enacted, that if any person at any time shall obstruct or molest the said Commissioners or any Clerk, or Surveyor, or other Officer, or workmen, or other person employed by them, or any person or Company with whom they may have contracted under the provisions of this Act, or any person employed by them in the performance and execution of their or his duty, or any thing which they are respectively required or authorized to do by virtue, or in consequence of this Act, every such person so offending shall for every such offence on conviction before a Magistrate, forfeit and pay any sum not exceeding Fifty Rupees.

VI. And it is enacted, that every Commissioner and the Surveyor, and Clerk to the Commissioners, with such Assistants as they may require, shall for the purposes of this Act, have full power and authority at all seasonable hours in the day time to enter, or to direct his subordinate Officers to enter into and upon any land or tenement, and in and upon the land on which any house, building or other erection is built or building, or intended to be built, and into and upon any buildings or any part thereof without being liable to any action at Law or Suit in Equity, or any other legal proceedings or molestation whatsoever for or on account of such entry, or of any thing done or to be done in any part thereof in pursuance of this Act. Provided that none of the persons abovementioned shall enter upon any lands or tenements which may be occupied at the time unless with the consent of the occupier thereof, without previously giving the said occupier reasonable notice of his or their intention to do so.

VII. And it is enacted, that the management and controul over all and every of the streets, public ways and public thoroughfares of every kind and description within the said Town of Calcutta existing at the time of the passing of this Act, and of all parts of the said Town which shall hereafter become streets, public ways or public thoroughfares of any kind or description, and the pavements and other materials therein, and all erections and buildings, materials, implements or other things provided for the said streets, public ways and public thoroughfares by or under the authority of the Government of Bengal, or by the Magistrates of Calcutta, or by the said Commisssioners, shall be the property of, and are hereby vested in the said Commissioners as Trustees aforesaid.

VIII. And it is enacted, that it shall be lawful for the said Commissioners with the consent and approbation of the Government of Bengal to pave and water such of the streets, public ways and public thoroughfares existing in the said Town at the time of the passing of this Act, or at any future time as they shall think fit.

IX. And it is enacted, that the said Commissioners shall keep in sufficient repair every street, public way and public thoroughfare existing in the said Town at the time of passing this Act, or at any future time, and shall be liable to be indicted for not sufficiently repairing the same.

X. And it is enacted, that if any person shall displace, take up or make any alteration in the pavements, flags or other materials of any foot or carriage way in any street within the said Town without the consent in writing of the said Commissioners, or of their said Surveyor, or shall cause any obstruction to, or make any encroachment upon any street in the said Town, any such person so offending shall for every such offence on conviction before a Magistrate forfeit and pay a sum not exceeding Fifty Rupees.

XI. And whereas it is essential to the health and convenience of the inhabitants that straight and spacious streets and thoroughfares should be continued where they have been begun, and should be opened at convenient and suitable distances where such do not at present exist so as to perforate the mass of buildings within the said Town in straight lines as nearly as may be from South to North, and from East to West, crossing each other at right angles, and from South East to North West and from South West to North East, crossing the straight lines abovementioned diagonally with large open spaces forming squares or circles at convenient and suitable distances from whence the said streets may conveniently diverge in lines without interruption to the river and to the open country without the said Town so far as the completion of such plan may be practicable and where not entirely practicable upon a plan as nearly approaching to such plan as may be: And whereas it is also expedient and necessary that the narrow lanes and gullys which compose the greater part of the said Town inhabited by the Native inhabitants should be converted into such straight and spacious streets and thoroughfares formed as abovementioned due regard being had to the compensation of Owners of houses, buildings and grounds, which may be required to be vested in the said Commissioners for any such purposes as aforesaid:

It is enacted, that as soon as may be after the passing of this Act, the said Commissioners shall cause plans to be made by their said local Surveyor and by other competent Surveyors, shewing the direction and breadth of such streets and thoroughfares, and the situations and dimensions of such open spaces to form squares or circles as aforesaid, which in their opinion shall be the most suitable for carrying into effect the abovementioned objects, keeping in view the salubrity of the said Town, the convenience of communication within the same, and the economy with which the said improvements may be carried into execution, together with estimates of the expence of the necessary works and estimates of the probable value of the houses, buildings and grounds, which it will be necessary for the said Commissioners to purchase for these purposes, and the said Commissioners shall select from the plans which shall be so furnished to them the one which they, or a majority of them, shall consider the best and most eligible, and shall transmit to the Secretary to the Government of Bengal, the said plan and the resolution of the Commissioners thereupon for the consideration of the said Governor of Bengal, and upon the said Governor signifying through the said Secretary by writing, signed by the said Secretary, his approval of such plan, the said Commissioners shall proceed with all convenient speed to carry the same into execution so far as the funds at their disposal, and the circumstances under which the works are to be carried into execution will allow, in conjunction with the other improvements contemplated by this Act, and in case the said Governor shall signify his disapproval of the plan so submitted to him, the said Commissioners

shall cause another plan to be drawn by the same or any other competent Surveyor, which plan shall in like manner be submitted by the said Commissioners to the said Governor, and so from time to time until such plan shall be finally approved of by the said Governor, and as soon as may be after such final approval of the said Governor shall be intimated to the said Commissioners as aforesaid, the said Commissioners shall proceed to carry the said plan so approved into execution with all such convenient speed as aforesaid.

XII. And it is enacted, that the said plan having been so submitted to and having been approved by the said Governor as aforesaid, the said Commissioners shall proceed in conformity with the provisions of Act No. of 184 , with the purchase of such houses, buildings and grounds as it may be necessary to purchase for the execution of such plan, and shall upon such purchase being completed give orders to their said local Surveyor to proceed with the said works without further reference to the said Governor.

XIII. And whereas it is essentially necessary to the salubrity of the said Town to make provision for the effectual sewerage and drainage of the same:

It is enacted, that as soon as conveniently may be after the passing of this Act the said Commissioners shall cause their said Surveyor to make a careful survey of the whole of the said Town, and in an accurate and distinct report to be framed by him to state what in his opinion are the defects of such sewerage, works and drains as shall at that time exist therein, and what alterations of the same, and what new main and other sewers and drains are necessary and proper for the effectual draining and clearing of the whole of the said Town, and what reservoirs, engines, sluices, penstocks and other works are required for properly flushing and cleansing out such sewers and drains, and at and from what places such drains and sewers respectively ought to commence, in what precise direction they are to be conducted, and at what places respectively they ought to terminate.

XIV. And whereas it is of the most essential importance that all the inhabitants of the said Town should be supplied with good and wholesome water for drinking and for domestic purposes to the utmost extent that the local and other circumstances of the said Town will permit, and especially that the poorer inhabitants thereof should be so supplied with water; and whereas supplies of water are also required for the efficient and wholesome cleansing and watering of the streets, and cleansing the main and other sewers and drains which may be constructed or maintained under the provisions of this Act:

It is enacted, that the said Commissioners shall at the same time cause their said Surveyor to report upon the existing supplies of water in the said Town, the sufficiency or insufficiency of such supply for all the several purposes aforesaid, and the healthful or palatable quality as water for drinking of every description of water so supplied, or which the said Surveyor shall recommend in future to be supplied, and with a view to test the accuracy of his report upon this latter subject the said Commissioners shall cause such water or waters to be analysed and reported on by competent Chemists and Medical men, and the said Surveyor shall also state in his report from what point on the River Hooghly, North of Calcutta, water in sufficient quantity can be conveyed into the Town for the domestic purposes of the said inhabitants, and for the efficient and wholesome cleansing and watering of the said streets, and cleansing the main and other sewers and drains which shall or may be constructed and maintained under the provisions of this Act, and shall state whether in his opinion one supply of water from one place can be commanded adequate to all these several purposes, and from what distance and at what probable expence, and what reservoirs, engines, sluices, canals, aqueducts, pipes and other works, and of what respective dimensions are required for the adequate and abundant supply of such water for all such purposes as aforesaid.

XV. And for carrying into effect the purposes aforesaid it is enacted, that all sewers and drains, together with all buildings and other works, materials and things therewith connected, and all canals, aqueducts, tanks and wells provided for or lawfully applied to public use, and which are not the property of any private person or persons, together with all buildings, engines, works, materials and things therewith connected existing in the said Town at the time of the passing of this Act, or which hereafter shall at any time be constructed and made therein whether constructed at the cost of the said Commissioners or otherwise, and the entire management and controul over the same, subject to the provisions hereinafter contained, shall be the property of, and are hereby vested in the said Commissioners as such Trustees as aforesaid.

XVI. And it is enacted, that the said Commissioners shall cause to be constructed and made such and so many sewers and drains, and such and so many reservoirs, canals, aqueducts, engines and other works, and to be laid such and so many water pipes as shall in the opinion of the said Commissioners be necessary and proper for the effectual draining and cleansing of the whole of the Town aforesaid, and for the properly flushing and cleansing out such sewers in and under or across all or any of the streets and ways whether dedicated to the public use or not, roads and other places within the said Town, and if needful through and across all under ground cellars and vaults which they may find under any of the said streets, ways, roads or places, doing as little damage as may be, and also to cause such and so many rings and openings to be made or left in the sides of the said sewers as will be sufficient for the making or branching any drain or drains from any or all of the houses built, and which may probably be built adjoining or near thereto into any of the said sewers as the said Commissioners shall think fit necessary and expedient for that purpose; and in case it shall be found necessary for completing any of the aforesaid works to build, carry or continue the same in into or through any enclosed lands or other place not being a public way, it shall be lawful for the said Commissioners to build, carry or continue the same in into or through the said lands or other places accordingly, and the said Commissioners may and shall cause such sewers to communicate with and empty themselves into any public river, stream, canal or water-course, or to cause the refuse from such sewers to be conveyed by an appropriate channel to the most convenient site for its deposit, collection and sale, and its application as manure for agricultural purposes or otherwise as they shall deem most expedient, but so that the same shall in no case become a public nuisance or annoyance to the neighbourhood, and all such sewers, water-courses, canals, reservoirs and other works and premises shall be the property of and are hereby vested in the said Commissioners, and shall be at all times under the care, control and management of the said Commissioners and of their Surveyor and Officers.

XVII. And it is enacted, that the said Commissioners shall have authority from time to time as they shall see fit, and they are hereby required to widen, deepen, embank, alter, arch over, amend, clean and scour out all or any of the sewers within the said Town as may be necessary, and also to cleanse and drain off into any sewers or otherwise abate all stagnant pools, ditches, tanks and other receptacles of foul water and filth existing within the said Town, whether the same be the private property of any person or persons or otherwise, and further in cases in which any of the existing or future sewers vested in the said Commissioners shall from any cause whatever appear to the said Commissioners to have become useless or unnecessary, it shall be lawful for the said Commissioners if they shall think fit so to do to take up, stop, fill in and discontinue such old sewers in such manner that the same shall not be or become a nuisance or annoyance to the neighbourhood.

XVIII. And it is enacted, that before beginning to dig or lay the foundations of any new house within the said Town, or to re-build any house therein, and also before making any drain for the purpose of draining water directly or indirectly from any land or tenement into any sewer under the jurisdiction of the said Commissioners, fourteen clear days notice in writing shall be given to the Clerk to the said Commissioners by delivering the same to him, or leaving it at his office by the person intending to build or re-build such house, or to make such drain, and every such foundation shall be laid at such level as the said Surveyor of the said Commissioners shall direct, and every such branch drain shall be made in such direction, manner and form, and of such materials and workmanship as the said Surveyor shall order, and the making of every such drain shall be under the survey and control of the said Commissioners; and in default of such notice, or if such building or drain shall be begun or made without or in any respect contrary to any order of the said Surveyor, or of the provisions of this Act, it shall be lawful for the said Commissioners to cause such building to be demolished, and to cause such drain to be relaid, amended or remade as the case may require, and to cause the expenses thereof to be levied and repaid to them from and by the Owner thereof in the manner hereinafter provided.

XIX. And it is enacted, that it shall be lawful for any person at his own expence to make or branch any drain into any of the sewers vested in the said Commissioners, or authorized to be made by virtue of this Act, or otherwise acquired by the said Commissioners, such drain being made of such a size and in such a manner of communication in all respects as the said Surveyor of the said Commissioners shall direct or appoint, and for that purpose to take up and remove so much of the pavement and other materials of any street, as may be required unless the said Commissioners shall consent and agree which they are hereby authorized to do to form so much and such portion of such drain as shall lead from the point of communication in such sewer to the extremity of such street, and in case any person shall make or branch any drain into any of the said sewers so vested in the said Commissioners, or authorized to be made under and by virtue of this Act of a larger size, or in a different manner and form of communication than shall be directed or appointed by the said Surveyor, every person so offending shall for every such offence forfeit and pay on conviction before a Magistrate a sum not exceeding Fifty Rupees.

XX. And whereas it would tend to insure a greater efficiency and economy in the execution of works if the same were executed by persons under the immediate direction and controul of the Surveyor of the said Commissioners, it is enacted, that it shall be lawful for the said Commissioners to contract and agree with the Owners of any houses or other tenements within the said Town, that any drains required to be made by such Owners shall be constructed and made by the Surveyor of the said Commissioners, and the cost price of making such drains (as certified by the said Surveyor of the said Commissioners) shall be repaid by such Owners to the said Commissioners, and in default of such payment the same may be recovered in the manner hereinafter provided.

XXI. And whereas the noxious effluvia exhaling from gully holes of sewers and drains has been found to be injurious to health, and it is therefore expedient that some provision should be made in respect thereof to obviate the same, it is enacted, that the said Commissioners and the Owners of any private drains in the Town aforesaid, shall by providing proper traps or other coverings, or by ventilation, or by such other ways and means as shall be practicable for that purpose effectually prevent the effluvia of sewers and drains from exhaling from gully holes, gratings or any other openings whatsoever of drains or sewers in streets or other places, and in case the Owner of any private sewer or drain shall neglect or delay so to do, the Surveyor of the said Commissioners shall give him notice effectually to prevent the effluvia of such sewer or drain from so exhaling, and if the same shall not be effectually done by such Owner within ten days after such notice shall have been given him, the said Surveyor shall forthwith provide and apply proper traps or other coverings, or such other means as aforesaid so as effectually to prevent such effluvia from exhaling and the expence incurred thereby shall be paid by the Owner of such sewer or drain to be recovered in manner hereinafter mentioned.

XXII. And it is hereby enacted, that it shall be lawful for the said Commissioners and their said Surveyor, and they and he are hereby required when any of the streets, public ways or public thoroughfares, vested in them shall be under repair, or where any sewers or drains are making, or shall be under repair to take proper precautions against danger by shoreing up and protecting the adjoining houses, and to fix and place, or cause to be fixed and placed such, and so many bars, chains or posts across, or in any of the said streets, public ways or public thoroughfares to prevent the passing and repassing of carriages, carts or other vehicles, cattle or horses during the time of such works and repairs being carried on, as shall be necessary and proper, and the said Commissioners and their said Surveyor shall cause any sewer or drain or other works during the construction or repair thereof by them to be well and sufficiently lighted and attended by fit and proper persons during the night to prevent accidents, and if any person shall take down, alter or remove any of the said bars, chains or posts, or extinguish any light attached to or connected with the said bars, chains or posts without the authority or consent of the Surveyor of the said Commissioners, every such person so offending shall for every such offence forfeit and pay on conviction before a Magistrate any sum not exceeding Fifty Rupees.

XXIII. And it is enacted, that the said Commissioners shall with a due regard to the convenience and the preservation of the health of the in-

habitants of the said Town give strict orders to their said Surveyor to cause, and their said Surveyor shall duly cause all the streets, ways, thoroughfares and alleys thereof whether dedicated to the use of the public or not, together with the foot pavements or footpaths from time to time to be properly swept and cleansed, and all dust, dirt and filth of every sort which may be found thereon to be collected and removed therefrom, and all the soil ashes, rubbish and filth to be taken and carried away from the houses and premises of the inhabitants of the said Town at convenient hours and times, and shall cause all or any of the privies and cesspools within the said Town to be cleansed and emptied in a sufficient and proper manner as shall be required, and that the said Surveyor shall from time to time give public notice on what days, at what times in every week the said streets, public ways and public thoroughfares shall be swept and cleansed, and such dirt, dust and night soil, rubbish, filth and ashes carried away, and how and in what manner the same shall be carried away and where the same shall be deposited, and shall give such orders and directions as to the said Surveyor acting under the orders and control of the said Commissioners shall appear proper and necessary, and it shall be lawful for the said Commissioners to purchase or hire any carts, carriages and other machines, and also any horses or cattle for the better executing and performing any of the above duties.

XXIV. And it is enacted, that the dirt, dust, night soil and filth to be so collected from the said streets, thoroughfares, alleys, footways, privies, sewers and cesspools, and all the dust, ashes and rubbish to be collected, taken and carried away from all and every of the houses and elsewhere within the said Town shall be the property of the said Commissioners, and are hereby vested in them; and the said Commissioners shall have full power to sell and dispose of the same through their said Clerk or Surveyor for the purpose of this Act as they shall think proper, and the money arising from the sale thereof shall be applied for the purpose of this Act, and the person purchasing the same shall have full power and authority to take, carry away and dispose of the same for his own proper use and benefit.

XXV. And it is enacted, that it shall be lawful for the said Commissioners for the purpose of watering the said streets, public ways and public thoroughfares in the said Town to sink wells and lay, erect and place pipes, conduits and pumps in any of the said streets, public ways or public thoroughfares, and to provide any other apparatus proper for that purpose, and to remove and alter the same when and as the said Commissioners shall think proper, and it shall be lawful for the said Commissioners, and they are hereby required to excavate and provide a sufficient number of spacious and convenient tanks or sufficient runs of water through the said Town for the inhabitants to bathe in at suitable and proper times and in suitable and proper places as may best serve to unite the health and comfort of the labouring population with public decency, making due allowance for the habits and customs of the country.

XXVI. And it is enacted, that it shall be lawful for the said Commissioners, and they are hereby required from time to time to make such Bye-laws as they shall think fit for all or any of the purposes following, that is to say,

For preventing nuisances in any streets or near thereto and effecting cleanliness therein.

For enforcing upon the inhabitants of the said Town the performance of such acts and the abstinence from such acts as an enlightened regard to the health, cleanliness and decency of the said Town ought to induce them to perform and to abstain from due consideration being had for the feelings, manners and customs of the various races of which the said inhabitants consist.

For ascertaining and fixing what pecuniary penalties shall be incurred by persons breaking such Bye-laws. Provided always, that no such last mentioned penalty shall exceed for any one offence the sum of Fifty Rupees, nor in case of continuing nuisance the sum of Five Rupees for every day during which such nuisance shall be continued and unremedied.

*Fort William, Foreign Department, the 27th November*, 1847.

NOTIFICATION. — British Consular Agents in Foreign Countries having difficulty in distinguishing between Individuals who have a right to their protection as Subjects of the British Crown and others who claim that protection without any legitimate title to it; and it being considered desirable, in order to obviate as far as possible this difficulty, that British Subjects, proceeding to a Foreign Country, should provide themselves with a document attesting their title to the protection of the British Crown.

The Hon'ble the President of the Council of India in Council is pleased, under instructions from the Hon'ble the Court of Directors, to notify that British Subjects, Native or European, intending to embark for a Foreign Country, will, on applying at the office (if the place of embarkation be Calcutta) of the Secretary to the Government of India in the Foreign Department, or (if the place of embarkation be Bombay or Madras) at the offices of the Chief Secretaries to Government at Bombay and Madras respectively, be furnished after due enquiry with a certificate attesting their right to protection as British Subjects. British Subjects, Native or European, intending to embark at any of the subordinate ports of the different Presidencies, are to apply to such Officer at the Port as the Local Government shall have notified to be the proper authority for granting the Certificates.

The following Act is passed by the Hon'ble the President of the Council of India in Council on the 27th November 1847, with the assent of the Right Hon'ble the Governor General of India, which has been read and recorded.

Ordered, that the Act be promulgated for general information.

Act No. XVIII. of 1847.

*An Act for curing the invalidity in the registration of Deeds arising from the fact of having been registered by persons not duly appointed or on other than Court days.*

Whereas instances have occurred of persons exercising the office of Register of Deeds who have not been duly appointed, and whereas in some cases registration of Deeds has been made on other than Court days, that is on days other than those on which the Zillah or City Court has been open for business, and doubts may therefore arise as to whether the registration of any Deed registered by such persons not duly appointed, or registered on other than a Court day, is valid in law:

I. It is therefore hereby enacted, that acts which may have been done in that capacity in any Zillah, subject to the Presidency of Bengal, by persons who have had charge of the office of Register of Deeds without being duly appointed to the said office, shall be and shall be taken to have always been as valid in law as such acts would have been if the said persons had been duly appointed to have charge of the said office.

II. And it is enacted, that all acts which may have been done on other than Court days by the Register of Deeds, or by the person having charge of the office without being duly appointed, in any Zillah subject to the Presidency of Bengal, shall be and shall be taken to have always been as valid in law as such acts would have been if they had been done on a Court day.

*No.* 966 *of* 1847.

*General Department.*

To W. TAYLER, Esquire,
*Post Master General, Calcutta.*

SIR,—Adverting to my Letter, dated the 2d instant, I have the honor to suggest for your consideration, whether it would not be advisable to publish a Notice in the Calcutta Papers, intimating to the public generally, especially the Mercantile Community, that, if they desire their Overland Letters, to be forwarded on by the Government Overland Express, they should request their Correspondents to mark "per Express," and to keep within the *limited weight of two tolas;* and that, meanwhile, until the system becomes generally known, they ought to advise me, whether they wish any of their Letters, not so marked, to be sent on from Bombay by the Express.

2d.—By the last Express I dispatched as usual a number of Overland Letters, not especially marked, because, had I not done so, great disappointment would have been experienced by parties in Calcutta; but I intend to discontinue the practice, after a sufficient time has elapsed to admit of the public becoming aware of the privilege conceded by the Notification of May issued by the London General Post Office, and to dispatch by he Overland Express those Letters only which are so marked.

3d.—The public ought moreover to be most especially warned not to mark "per Express" on letters *exceeding two tolas in weight*, because such letters cannot be so dispatched. They will invariably be detained (as was the case on the arrival of the last Mail.) for transmission by the post regular dawk, dispatched after the Express.

4th.—I shall feel much obliged by your favoring me with a list of "Newspaper Offices" in Calcutta, and by your informing the parties connected therewith that not more than two papers (whether sent out from England marked "per Express," or posted in Bombay to go by Express) will, in future, be forwarded by the Government Express. Some of the Newspaper Offices have as many as six Overland Papers marked "per Express," but, as they cannot be so forwarded, it is useless to have them so marked.

5th.—The new rule limits the weight of a Newspaper to 3 *tolas*, but, if that were acted up to, the Newspaper Offices would be deprived altogether of the privilege conceded by the Notification of May last, as an Overland Paper invariably weighs more than 3 and generally very nearly 6 tolas. I have therefore determined to send two Overland Papers to each Office, *without reference to that limit*, and shall continue the practice until I receive orders to the contrary from Government or the Home Authorities.

I have, &c.,

GENERAL POST OFFICE, MAY 1847.

The Post Master General having been informed by the Court of Directors of the East India Company, that on and after the 1st June next, persons in this Country may forward private correspondence by the Government Express from Bombay to Calcutta and Madras, all persons desirous of availing themselves of this privilege, will be required to mark upon the covers of their letters the words "By Express from Bombay," and in addition to this special address, it will be necessary, that all letters intended to be forwarded by the way of Southampton, should be so endorsed as hitherto; the postage to be charged in India in the delivery of letters sent by this Express will be in addition to the ordinary Inland rates.

One Rupee for every letter not exceeding half a tola in weight.

Two Rupees for every letter above half a tola, but not exceeding one tola in weight.

Four Rupees for every letter above one tola, but not exceeding two tolas in weight, two tolas being the maximum weight of letters to be conveyed by Express.

On Newspapers, each Newspaper Office in Calcutta and Madras, will be allowed to receive two Newspapers at the ordinary rates of Inland postage, on all other Newspapers forwarded by Express a postage of five Rupees each will be charged, and no Newspaper will be received for the Express exceeding three tolas in weight.

N. B. One tola and a quarter is nearly equivalent to half an ounce avoirdupoise.

NOTICE.—With reference to the London Post Master General's Notification regarding the rates of postage to be charged upon Letters received from Bombay by the Government Express, which was published with a notice from this Office of yesterday's date, the following Letter since received from the Post Master General of Bombay on the subject, is also published for general information.

*Post Master General.*

*Fort William, Genl. Post Office,*

*No.* 966 *of* 1847.

*General Department.*

To W. Tayler, Esquire,

*Post Master General, Calcutta.*

Sir,—Adverting to my Letter, dated the 2d instant, I have the honor to suggest for your consideration, whether it would not be advisable to publish a Notice in the Calcutta Papers, intimating to the public generally, especially the Mercantile Community, that, if they desire their Overland Letters, to be forwarded on by the Government Overland Express, they should request their Correspondents to mark "per Express," and to keep within the *limited weight of two tolas;* and that, meanwhile, until the system becomes generally known, they ought to advise me, whether they wish any of their Letters, not so marked, to be sent on from Bombay by the Express.

2d.—By the last Express I dispatched as usual a number of Overland Letters, not especially marked, because, had I not done so, great disappointment would have been experienced by parties in Calcutta; but I intend to discontinue the practice, after a sufficient time has elapsed to admit of the public becoming aware of the privilege conceded by the Notification of May issued by the London General Post Office, and to dispatch by the Overland Express those Letters only which are so marked.

3d.—The public ought moreover to be most especially warned not to mark "per Express" on letters *exceeding two tolas in weight*, because such letters cannot be so dispatched. They will invariably be detained (as was the case on the arrival of the last Mail,) for transmission by the post regular dawk, dispatched after the Express.

4th.—I shall feel much obliged by your favoring me with a list of "Newspaper Offices" in Calcutta, and by your informing the parties connected therewith that not more than two papers (whether sent out from England marked "per Express," or posted in Bombay to go by Express) will, in future, be forwarded by the Government Express. Some of the Newspaper Offices have as many as six Overland Papers marked "per Express," but, as they cannot be so forwarded, it is useless to have them so marked.

5th.—The new rule limits the weight of a Newspaper to 3 *tolas*, but, if that were acted up to, the Newspaper Offices would be deprived altogether of the privilege conceded by the Notification of May last, as an Overland Paper invariably weighs more than 3 and generally very nearly 6 tolas. I have therefore determined to send two Overland Papers to each Office, *without reference to that limit*, and shall continue the practice until I receive orders to the contrary from Government or the Home Authorities.

I have, &c.,

SATURDAY, DECEMBER 11, 1847.

No. 1058 of 1847.

*Fort William, Foreign Department, the 11th December, 1847.*

*Notification.*—With reference to the Notification published in the Gazette of the 4th instant, stating that Passports would be granted to British Subjects about to embark for a Foreign Country, upon application at the office of the Secretary to the Government of India, in the Foreign Department, the Hon'ble the President in Council deems it proper to notify further for the information of those who may intend to visit any place in the Turkish Dominions, that by advices lately received from the Political Agent in Turkish Arabia, it appears that the Government of Turkey have determined upon enforcing in the Pashalic of Bagdad, Regulations of a most stringent character against all Travellers who may be found without Passports.

These Regulations have long been in force in other parts of the Turkish Dominions, their extension to the Pashalic of Bagdad was announced in April of the present year, but Her Majesty's Minister at Constantinople, considering that the immediate execution of the measure would fall extremely hard upon British Indian Subjects, numbers of whom annually visit the shrines of Mecca, Kerbela and Nejef, succeeded in obtaining from the Porte a year's delay in the enforcement of the order. It may consequently be expected that the Regulations will take effect about the month of April 1848, and British Subjects who intend visiting any place within the Turkish Dominions are therefore strongly recommended to provide themselves with Passports.

By order of the Hon'ble the President in Council,

G. A. Bushby,

*No.* 966 *of* 1847.

*General Department.*

To W. TAYLER, Esquire,

*Post Master General, Calcutta.*

SIR,—Adverting to my Letter, dated the 2d instant, I have the honor to suggest for your consideration, whether it would not be advisable to publish a Notice in the Calcutta Papers, intimating to the public generally, especially the Mercantile Community, that, if they desire their Overland Letters, to be forwarded on by the Government Overland Express, they should request their Correspondents to mark "per Express," and to keep within the *limited weight of two tolas;* and that, meanwhile, until the system becomes generally known, they ought to advise me, whether they wish any of their Letters, not so marked, to be sent on from Bombay by the Express.

2d.—By the last Express I dispatched as usual a number of Overland Letters, not especially marked, because, had I not done so, great disappointment would have been experienced by parties in Calcutta; but I intend to discontinue the practice, after a sufficient time has elapsed to admit of the public becoming aware of the privilege conceded by the Notification of May issued by the London General Post Office, and to dispatch by the Overland Express those Letters only which are so marked.

3d.—The public ought moreover to be most especially warned not to mark "per Express" on letters *exceeding two tolas in weight*, because such letters cannot be so dispatched. They will invariably be detained (as was the case on the arrival of the last Mail,) for transmission by the post regular dawk, dispatched after the Express.

4th.—I shall feel much obliged by your favoring me with a list of "Newspaper Offices" in Calcutta, and by your informing the parties connected therewith that not more than two papers (whether sent out from England marked "per Express," or posted in Bombay to go by Express) will, in future, be forwarded by the Government Express. Some of the Newspaper Offices have as many as six Overland Papers marked "per Express," but, as they cannot be so forwarded, it is useless to have them so marked.

5th.—The new rule limits the weight of a Newspaper to 3 *tolas*, but, if that were acted up to, the Newspaper Offices would be deprived altogether of the privilege conceded by the Notification of May last, as an Overland Paper invariably weighs more than 3 and generally very nearly 6 tolas. I have therefore determined to send two Overland Papers to each Office, *without reference to that limit*, and shall continue the practice until I receive orders to the contrary from Government or the Home Authorities.

I have, &c.,

*No.* 966 *of* 1847.

*General Department.*

To W. TAYLER, Esquire,
*Post Master General, Calcutta.*

SIR,—Adverting to my Letter, dated the 2d instant, I have the honor to suggest for your consideration, whether it would not be advisable to publish a Notice in the Calcutta Papers, intimating to the public generally, especially the Mercantile Community, that, if they desire their Overland Letters, to be forwarded on by the Government Overland Express, they should request their Correspondents to mark "per Express," and to keep within the *limited weight of two tolas;* and that, meanwhile, until the system becomes generally known, they ought to advise me, whether they wish any of their Letters, not so marked, to be sent on from Bombay by the Express.

2d.—By the last Express I dispatched as usual a number of Overland Letters, not especially marked, because, had I not done so, great disappointment would have been experienced by parties in Calcutta; but I intend to discontinue the practice, after a sufficient time has elapsed to admit of the public becoming aware of the privilege conceded by the Notification of May issued by the London General Post Office, and to dispatch by the Overland Express those Letters only which are so marked.

3d.—The public ought moreover to be most especially warned not to mark "per Express" on letters *exceeding two tolas in weight*, because such letters cannot be so dispatched. They will invariably be detained (as was the case on the arrival of the last Mail,) for transmission by the post regular dawk, dispatched after the Express.

4th.—I shall feel much obliged by your favoring me with a list of "Newspaper Offices" in Calcutta, and by your informing the parties connected therewith that not more than two papers (whether sent out from England marked "per Express," or posted in Bombay to go by Express) will, in future, be forwarded by the Government Express. Some of the Newspaper Offices have as many as six Overland Papers marked "per Express," but, as they cannot be so forwarded, it is useless to have them so marked.

5th.—The new rule limits the weight of a Newspaper to 3 *tolas*, but, if that were acted up to, the Newspaper Offices would be deprived altogether of the privilege conceded by the Notification of May last, as an Overland Paper invariably weighs more than 3 and generally very nearly 6 tolas. I have therefore determined to send two Overland Papers to each Office, *without reference to that limit*, and shall continue the practice until I receive orders to the contrary from Government or the Home Authorities.

I have, &c.,

GENERAL POST OFFICE, MAY 1847.

The Post Master General having been informed by the Court of Directors of the East India Company, that on and after the 1st June next, persons in this Country may forward private correspondence by the Government Express from Bombay to Calcutta and Madras, all persons desirous of availing themselves of this privilege, will be required to mark upon the covers of their letters the words "By Express from Bombay," and in addition to this special address, it will be necessary, that all letters intended to be forwarded by the way of Southampton, should be so endorsed as hitherto; the postage to be charged in India in the delivery of letters sent by this Express will be in addition to the ordinary Inland rates.

One Rupee for every letter not exceeding half a tola in weight.

Two Rupees for every letter above half a tola, but not exceeding one tola in weight.

Four Rupees for every letter above one tola, but not exceeding two tolas in weight, two tolas being the maximum weight of letters to be conveyed by Express.

On Newspapers, each Newspaper Office in Calcutta and Madras, will be allowed to receive two Newspapers at the ordinary rates of Inland postage, on all other Newspapers forwarded by Express a postage of five Rupees each will be charged, and no Newspaper will be received for the Express exceeding three tolas in weight.

N. B. One tola and a quarter is nearly equivalent to half an ounce avoirdupoise.

7th.—No Tender of Money, Sub-Treasurer's Receipts or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 29th December, will be afterwards accepted.

8th.—The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday the 11th January 1848, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or any Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium, shall think fit, and the first Purchaser shall further be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when clearance has been made by the said Purchaser or his order.

11th.—The Officer Superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bonâ fide bidder for a lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the Purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the Purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1—Certificate of the Opium now advertized for Sale.

No. 2—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the year 1846-47, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of the chests indiscriminately taken for the purpose of comparison from the dispatches on arrival at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertised for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

18th.—The Public are hereby informed, that in addition to the quantity above mentioned, the following quantities more or less of Behar and Benares Opium of 1846-47, will be brought to sale in the present season on or about the dates specified below:

The following Draft of a proposed Act was read in Council for the first time on the 18th of December, 1847:

ACT No. —— OF 1847.

*An Act for preventing the dangers arising from Gunpowder and Fireworks within the limits of the Presidency Towns of Calcutta, Madras and Bombay.*

I. It is hereby enacted, that the Rule, Ordinance and Regulation passed by the Governor General in Council on the 8th April, 1802, and Section II. Act XVIII. of 1841, be repealed.

II. And it is hereby enacted, that if any person (unless licenced as hereinafter provided) shall within the limits of the Presidency Town of Calcutta, Madras or Bombay, manufacture Gunpowder, or have in his possession in any house, shop, warehouse or other building, at any one time, a greater quantity of Gunpowder for sale or otherwise than ten pounds, he shall, on conviction, before a Magistrate of Police, be liable to a forfeiture of all such Gunpowder so manufactured or possessed, together with the vessel or receptacle in which it may be seized, and also to a fine not exceeding in amount the sum of Rupees Five Hundred.

III. And it is hereby enacted, that it shall be lawful for the Chief or Senior Magistrate of Police to grant to any person (whom he shall deem fit and proper) a licence for the manufacture of Gunpowder, or for the sale or keeping in deposit within the limits of the Presidency Town of Calcutta, Madras or Bombay, any quantity of imported or Indian manufactured Gunpowder not exceeding fifty pounds on such conditions and subject to such regulations as shall be specified in the licence and shall be approved of by the local Government: and any person who shall be guilty of a breach of any of such conditions and regulations shall, on conviction, before a Magistrate of Police, be liable to a forfeiture of his licence and of all Gunpowder so manufactured, together with all implements used in such manufacture, or so sold or kept in deposit contrary thereto, and also to a fine not exceeding Rupees Two Hundred.

IV. And it is hereby enacted, that no person or persons whatever being a dealer or dealers, or manufacturer or manufacturers of Gunpowder, shall

keep at any one time at his or their house, shop, place of manufacture, warehouse or other building, more of the mixed materials required for making Gunpowder than may be sufficient for the manufacture of fifty pounds weight of Gunpowder, and any person or persons who shall be guilty of a breach of this rule shall, on conviction, before a Magistrate of Police, be liable to a forfeiture of his or their licence and of all such mixed materials, together with the vessels or receptacles in which they may be seized, and also to a fine not exceeding Rupees Two Hundred.

V. And it is hereby enacted, that every such licence as is mentioned in Section III. shall be in force for a period of one year only and no longer, but shall be renewable by the said Chief or Senior Magistrate at his discretion on the same or any other terms and conditions, to be subject in like manner to the approval of the local Government, and such licence shall also provide for the transit and carrying of Gunpowder from one place to another within the limits of the said Presidency Town of Calcutta, Madras or Bombay, in such manner and in such quantity as shall be deemed advisable for the safety of the inhabitants and of property within the said Presidency Towns, and every person offending against such provisions shall be liable to a fine not exceeding Rupees Fifty, and every person obtaining such licence as aforesaid, shall pay a fee of Rupees Two for the same to the said Chief or Senior Magistrate to be applied as the fines under this Act.

VI. And it is hereby enacted, that any Magistrate of Police on credible information laid before him on oath or solemn affirmation that Gunpowder or mixed materials for making the same contrary to the provisions of this Act, are suspected to be stored, kept or possessed by any person or persons, may issue his warrant for searching in the day-time any house, shop, magazine or other building or place in which he has reasonable ground to suspect any Gunpowder to be manufactured, sold or kept, or any boat, carriage, cart or other vehicle in which any Gunpowder or materials for manufacturing the same may be suspected to be carried, or any person or persons suspected of carrying the same contrary to such licence or to the provisions of this Act, and all Gunpowder, or materials for manufacturing the same found on such search shall, together with the vessels or receptacles in which they may be stored be immediately seized by such searcher or searchers and brought before a Magistrate of Police with whom the same shall be kept till it shall be adjudged whether the same shall be forfeited.

VII. Provided, that the preceding Sections of this Act shall not extend to any Government magazine, or store or building for the making or deposit of Gunpowder under the authority or for the use of the Government, or to any Gunpowder for the use of Her Majesty's or the East India Company's Troops, or otherwise for the service of Government, or to any of Her Majesty's Vessels of War, or the Vessels of the Indian Navy or of the East India Company's Marine, or to any other Vessel within the River Hooghly, or the Port Road or Harbour of Madras or Bombay laden with Gunpowder for importation or exportation.

VIII. Provided also and it is hereby enacted, that Commanders of Merchant Vessels entering the River Hooghly shall on or before the arrival of their Vessels off Moyapore deposit in the Magazine at that place all Gunpowder intended for the Ship's use, from on board their respective Vessels, exceeding the quantity of one hundred pounds, which quantity they shall be permitted to retain in their Vessels for the purpose of firing Salutes or Signals in case of distress, and the Gunpowder so deposited shall be again delivered on board on the return of the respective Vessels from Calcutta in prosecution of the outward voyage: and it is hereby enacted, that Commanders of Merchant Vessels in the River Hooghly having on board their Vessels Gunpowder for importation (not being Gunpowder belonging to the Government) exceeding the quantity of fifty pounds, shall deposit the same on or before the arrival of their Vessels off Fort William or the Town of Calcutta in the Magazine at Howrah, under charge of an Officer belonging to the Customs at that place, or such other person as the Governor of Bengal may appoint; and the Proprietors or Consignees of such Gunpowder or their Agents, whenever they shall desire to remove the same from the Mazagine, shall make application to the Collector of Sea Customs for authority to do so, which application when it be intended that such Gunpowder shall be lodged in any place or be laden in any boat or other conveyance within the limits of the Town, shall be accompanied by a written order of permission, signed by a Magistrate of Police to that effect, and when it be intended, that such Gunpowder shall be exported by Sea, the Commanders of Vessels, or the Proprietors or their Agents, by whom it shall have been deposited in the Magazine shall make application to the Collector of Sea Customs for permission so to export it; and the Collector of Sea Customs shall comply with such applications aforesaid, except where the exportation of ammunition shall require, under provisions of Act XVIII. of 1841, a licence from a Public Officer other than the Collector of Sea Customs, in which case the Collector of Sea Customs shall not comply with the application unless it be accompanied by the licence of such Public Officer, and on or before the removal of all Gunpowder from the Magazine, the Collector of Sea Customs shall and he is hereby authorized to levy a fee, the rate of which shall not be exceeding two annas per pound, for all Gunpowder that has been lodged therein, which fee, (not to exceed the rate of two annas per pound as aforesaid, and to be regulated by such Orders as the Governor of Bengal may from time to time issue for the purpose) shall be taken to cover all charges for the safe custody of the Gunpowder during the period it has remained or shall remain in the Magazine. Provided also and it is hereby enacted, that the Governor of Bengal shall be at liberty to authorize such arrangement to be made by letting or otherwise contracting for the custody of the Magazine, and for the collection and appropriation of the fee which may be charged for Gunpowder stored therein as he may think proper, subject, however, to all the restrictions and rules imposed by this Section of this Act in respect to the removal from the Magazine of Gunpowder therein stored.

IX. And it is hereby enacted, that for every act done or omitted to be done contrary to the provisions in the last preceding Section of this Act by the Commander of any Merchant Vessel in the Port of Calcutta the Commander aforesaid shall forfeit the sum of Two Hundred Rupees, and the Collector of Sea Customs is hereby empowered to enforce the said penalty: Provided also and it is hereby enacted, that the Collector shall not grant a Port Clearance for any Vessel in which such penalty shall have been incurred until it have been paid. And the Collector of Sea Customs is hereby empowered to search for any quantity of Gunpowder which he may have reason to believe to be

on board a Merchant Vessel in the Port of Calcutta contrary to the provisions of this Act, and to seize it and detain it in the Magazine at Howrah as a forfeiture to the Government to be dealt with as the Governor of Bengal shall think right to direct.

X. And it is hereby enacted, that if any person, except on public festivals or occasions as hereinafter mentioned shall in any highway, street or thoroughfare, or within twenty-five feet thereof, set fire to or wantonly let off or throw any squib or other firework, or send up any fire balloon, or make or assist in making any bonfire within the said Presidency Town of Calcutta, Madras or Bombay, every person so offending shall forfeit and pay a sum not exceeding Rupees Fifty, and if any person shall in any house, shop or other building adjoining to any public road or thoroughfare set fire to or let off any squib or other firework within the said Towns, he shall forfeit and pay a fine not exceeding Rupees Fifty, and if such person be not the owner or occupier of any such house, shop or other building, and have the permission, express or implied of the owner or occupier thereof to set fire to or let off such squib or other firework, then such owner or occupier shall also forfeit and pay a fine not exceeding Rupees Fifty.

XI. And it is hereby enacted, that notwithstanding the provisions in the last Section, it shall be lawful for the Chief or Senior Magistrate of Police on any public festivals or days of private or family rejoicings among the Natives to permit the discharge of fireworks, and the making of bonfires in such places, and at such times and under such restrictions and limitations as to the said Chief or Senior Magistrate may seem fit for the protection of property and the persons of the inhabitants of the said Presidency Town of Calcutta, Madras or Bombay against injury, and for such purpose to issue a Proclamation notifying the conditions on which such permission is granted, and every person convicted before a Magistrate of Police of offending against such Proclamation shall forfeit and pay a sum not exceeding Rupees One Hundred, besides being liable in damages to any party injured thereby either in his person or property.

XII. And it is hereby enacted, that all fines, forfeitures and penalties incurred under this Act may be recovered in the form and mode prescribed by Act No. II. of 1839, and shall be paid into the General Treasury for the benefit of the municipal Funds.

XIII. And it is hereby enacted and declared, that the words Presidency Town of Calcutta, Madras or Bombay, as used in this Act, shall for the purposes of it be held and deemed to include all places within the local limits of the jurisdiction of Her Majesty's Supreme Court of Judicature at the said Presidency Towns.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be reconsidered at the first meeting of the Legislative Council of India after the 18th day of March next.

NOTICE.—With reference to the London Post Master General's Notification regarding the rates of postage to be charged upon Letters received from Bombay by the Government Express, which was published with a notice from this Office of yesterday's date, the following Letter since received from the Post Master General of Bombay on the subject, is also published for general information.

*General Department.*

To W. Tayler, Esquire,
*Post Master General, Calcutta.*

Sir,—Adverting to my Letter, dated the 2d instant, I have the honor to suggest for your consideration, whether it would not be advisable to publish a Notice in the Calcutta Papers, intimating to the public generally, especially the Mercantile Community, that, if they desire their Overland Letters, to be forwarded on by the Government Overland Express, they should request their Correspondents to mark "per Express," and to keep within the *limited weight of two tolas;* and that, meanwhile, until the system becomes generally known, they ought to advise me, whether they wish any of their Letters, not so marked, to be sent on from Bombay by the Express.

2d.—By the last Express I dispatched as usual a number of Overland Letters, not especially marked, because, had I not done so, great disappointment would have been experienced by parties in Calcutta; but I intend to discontinue the practice, after a sufficient time has elapsed to admit of the public becoming aware of the privilege conceded by the Notification of May issued by the London General Post Office, and to dispatch by the Overland Express those Letters only which are so marked.

3d.—The public ought moreover to be most especially warned not to mark "per Express" on letters *exceeding two tolas in weight*, because such letters cannot be so dispatched. They will invariably be detained (as was the case on the arrival of the last Mail,) for transmission by the post regular dawk, dispatched after the Express.

4th.—I shall feel much obliged by your favoring me with a list of "Newspaper Offices" in Calcutta, and by your informing the parties connected therewith that not more than two papers (whether sent out from England marked "per Express," or posted in Bombay to go by Express) will, in future, be forwarded by the Government Express. Some of the Newspaper Offices have as many as six Overland Papers marked "per Express," but, as they cannot be so forwarded, it is useless to have them so marked.

5th.—The new rule limits the weight of a Newspaper to 3 *tolas*, but, if that were acted up to, the Newspaper Offices would be deprived altogether of the privilege conceded by the Notification of May last, as an Overland Paper invariably weighs more than 3 and generally very nearly 6 tolas. I have therefore determined to send two Overland Papers to each Office, *without reference to that limit*, and shall continue the practice until I receive orders to the contrary from Government or the Home Authorities.

I have, &c.,

General Post Office, May 1847.

The Post Master General having been informed by the Court of Directors of the East India Company, that on and after the 1st June next, persons in this Country may forward private correspondence by the Government Express from Bombay to Calcutta and Madras, all persons desirous of availing themselves of this privilege, will be required to mark upon the covers of their letters the words "By Express from Bombay," and in addition to this special address, it will be necessary, that all letters intended to be forwarded by the way of Southampton, should be so endorsed as hitherto; the postage to be charged in India in the delivery of letters sent by this Express will be in addition to the ordinary Inland rates.

One Rupee for every letter not exceeding half a tola in weight.

Two Rupees for every letter above half a tola, but not exceeding one tola in weight.

Four Rupees for every letter above one tola, but not exceeding two tolas in weight, two tolas being the maximum weight of letters to be conveyed by Express.

On Newspapers, each Newspaper Office in Calcutta and Madras, will be allowed to receive two Newspapers at the ordinary rates of Inland postage, on all other Newspapers forwarded by Express a postage of five Rupees each will be charged, and no Newspaper will be received for the Express exceeding three tolas in weight.

N. B. One tola and a quarter is nearly equivalent to half an ounce avoirdupoise.

NOTICE is hereby given, that in conformity to the instructions of Her Majesty's Post Master General, no Letter or Newspaper will, in future, be received at this Office for transmission to Hong Kong, unless the entire amount of Indian (Inland and Ship) Postage due for the conveyance of the same to its ulterior destination, shall be previously paid by the Sender at the time of posting at the Despatching Office.

It is to be distinctly understood that this rule does not apply to the description of covers forwarded by the Peninsular and Oriental Company's Contract Steamers, as on them, the prescribed British Packet rate of Postage is charged.

*Fort William, the 16th December,* 1847.

OPIUM.—Notice is hereby given, that on Monday, the 27th December, 1847, at the hour of Eleven o'Clock in the forenoon, will be put up to Sale at the Exchange Rooms, at Calcutta, and sold by Public Auction, for Exportation by Sea, the undermentioned quantity of Opium, the provision of 1846-47, subject to the following Conditions, viz.

| | | |
|---|---|---|
| Produce of Behar Agency, ..... | Chests | 1,830 |
| Ditto of Benares ditto,..... | „ | 780 |
| Total Chests,... | | 2,610 |

### CONDITIONS OF SALE.

1st.—The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2d —The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price; except under the circumstances for which provision is made by Clause 12th of the Conditions of Sale.

3d.—The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M; but if at that hour any of the lots advertized for Sale shall remain unsold, the Sale may at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a public Holiday) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of; or, if the quantity of 2,610 Chests shall not be sold on the day advertized, the Board may dispose of the Lots which remain on hand at a future Sale.

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 25 per Cent. even money of the amount for which each lot is knocked down, shall be made by the purchaser in the Sale Room, and before the lot is

Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the Purchasers at this Office, by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Wednesday, the 29th December 1847; or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid, shall have been delivered in, shall be re-sold at such time or times, and under such conditions of re-sale as the Board of Customs, Salt and Opium, shall see fit, and all losses and expences whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 29th December 1847, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th.—No Tender of Money, Sub-Treasurer's Receipts or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 29th December, will be afterwards accepted.

8th.—The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday the 11th January 1848, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or any Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium, shall think fit, and the first Purchaser shall further be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when clearance has been made by the said Purchaser or his order.

11th.—The Officer Superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale, at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bonâ fide bidder for a lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the Purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the Purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1—Certificate of the Opium now advertized for Sale.

No. 2—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the year 1846-47, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of the chests indiscriminately taken for the purpose of comparison from the dispatches on arrival at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertised for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

18th.—The Public are hereby informed, that in addition to the quantity above mentioned, the following quantities more or less of Behar and Benares Opium of 1846-47, will be brought to sale in the present season on or about the dates specified below:

*Notification*.—The Right Hon'ble the Governor General of India has much satisfaction in publishing for general information, the annexed Proclamation issued by Maharajah Goolab Sing, in which Suttee, Infanticide and Slavery are prohibited throughout his Territory forming the remotest Hindoo Principality of India.

2. The Governor General has directed his thanks to be conveyed to the Maharaja, as well as to all those Princes, who during the last three years have so cordially entered into the views of the British Government in suppressing these cruel practices; and in publishing their names for the encouragement of others to pursue so wise and merciful a course, he derives the highest gratification from reflecting that not less than twenty millions of human creatures are affected by these Edicts.

3. The Governor General abstains on this occasion from prominently noticing those States in which these barbarous usages are still observed, as he confidently expects at no distant day to hear of the complete renunciation of them in every State in alliance with, or under the protection of the Paramount Power of India.

4. From the time that Lord W. Bentinck prohibited Suttee within our own Provinces, his successors have used their best endeavours to induce the Native Princes to follow the example of the British Government; and, aided by the zealous exertions of many distinguished Political Agents, these endeavours have been attended with eminent success. It is now their duty not only to continue their exertions, but most vigilantly to prevent the renewal of practices, which it is universally admitted are no where enjoined by the Hindoo Religion, and are revolting to the best feelings of our nature.

5. Since the conclusion of hostilities on the N. W. Frontier, the influence of our Political Agents has been more successfully exerted than at any previous period, and a strong assurance is thus afforded that the Government of India may rest the stability of its power, not alone on the invincibility and fidelity of its Armies, but on the moral force which must always follow, when the triumphs of war and the extension of British Rule are made conducive to objects of humanity and civilization.

And such process of arrest or confinement, or an attempt to effect such process, shall in no case be omitted where it may be practicable;—but where resistance may be made, or from other circumstances such process may be impracticable, the offender or offenders shall be liable to trial and punishment at any subsequent period, within the limitations provided in these Articles of War.

ARTICLE 71.

No person shall be liable to be tried or punished for any offence against these Articles, which shall appear to have been committed *more than three years* previous to the order directing the assembly of the Court Martial whereby he is to be tried, unless the person accused, by reason of his absenting himself, or some other manifest impediment, shall not have been amenable to justice within that period; in which case such person shall be liable to be tried, at any time not exceeding *two years* after the impediment shall have ceased.

ARTICLE 72.

Any person amenable to these Articles of War, who may commit any offence against the same, may be tried and punished for such offence in any place within the British Territories, or elsewhere, where he may have come after the commission of the offence, in the same manner as if the offence had been committed where such trial shall take place.

*Powers of a General Court Martial.*

* ARTICLE 75.

A General Court Martial may sentence any Officer or Soldier to Death or Transportation, for any crimes which are by these Articles of War expressly made liable to sentence of Death or Transportation, and for such crimes only.

And when a Commissioned Officer shall be convicted of any offence, of which the punishment is not defined in these Articles of War, or is left discretionary, a General Court Martial may adjudge such Officer to be Dismissed the service;—or to be Suspended from Rank and Pay and Allowances, for a stated period;—or to be Placed lower on the list of his rank, by an alteration of the date of his Commission, thereby losing the corresponding benefit of length of service; and the Court shall in every such sentence specify the extent or degree of Suspension or Reduction, which they shall so adjudge;—or the Court may sentence such Officer to be Reprimanded in such manner as the Commander in Chief may direct.

And a General Court Martial may sentence any Non-Commissioned Officer to be Reduced to the ranks;—or may sentence any Non-Commissioned Officer or Soldier to be Dismissed the service;—or to be Placed lower in the list of the rank which he holds (which shall not involve any forfeiture of service or other advantage, except that of standing,) or may sentence any Soldier to suffer Corporal Punishment not exceeding *fifty lashes*;—or Imprisonment with or without hard labour not exceeding *two years*;—and to be kept in solitary confinement for any portion or portions of such Imprisonment, not exceeding twenty-eight days at a time, nor eighty-four days in any one year, with intervals between the periods of solitary confinement, of not less duration than such periods of solitary confinement. Provided that no Soldier shall be kept in solitary confinement more than eighty-four days in any one year, whether by the sentence of one or more Courts Martial, or by order of his Commanding Officer.

And a General Court Martial may, in addition either to Corporal Punishment, or to Imprisonment, as aforesaid, sentence a Soldier to Forfeiture of all advantage as to additional Pay and to Pension on discharge, which might have otherwise accrued from the length or nature of his former service; or to Forfeiture of such advantage abso-

In cases of Non-Commissioned Officers Sentenced to be *Dismissed* from the service, the Commander in Chief may, in lieu of such punishment, direct that the offender be Reduced to the ranks, or placed lower in the list of the rank which he holds; (which shall not involve any forfeiture of service or other advantage, except that of standing.)

And in cases of offenders Sentenced to *Imprisonment with Hard Labour*, the Commander in Chief may mitigate such Sentence by causing the offender to be Reduced to the ranks, in the case of a Non-Commissioned Officer; or in the case of a Non-Commissioned Officer or Soldier by directing that he be Dismissed from the service; or suffer Imprisonment without Hard Labour, and with or without Solitary Confinement, (to be regulated as aforesaid.) for any period not exceeding that for which he shall have been Sentenced to such Imprisonment with Hard Labour.

X. And it is hereby enacted, that if any person, except on public festivals or occasions as hereinafter mentioned shall in any highway, street or thoroughfare, or within twenty-five feet thereof, set fire to or wantonly let off or throw any squib or other firework, or send up any fire balloon, or make or assist in making any bonfire within the said Presidency Town of Calcutta, Madras or Bombay, every person so offending shall forfeit and pay a sum not exceeding Rupees Fifty, and if any person shall in any house, shop or other building adjoining to any public road or thoroughfare set fire to or let off any squib or other firework within the said Towns, he shall forfeit and pay a fine not exceeding Rupees Fifty, and if such person be not the owner or occupier of any such house, shop or other building, and have the permission, express or implied of the owner or occupier thereof to set fire to or let off such squib or other firework, then such owner or occupier shall also forfeit and pay a fine not exceeding Rupees Fifty.

XI. And it is hereby enacted, that notwithstanding the provisions in the last Section, it shall be lawful for the Chief or Senior Magistrate of Police on any public festivals or days of private or family rejoicings among the Natives to permit the discharge of fireworks, and the making of bonfires in such places, and at such times and under such restrictions and limitations as to the said Chief or Senior Magistrate may seem fit for the protection of property and the persons of the inhabitants of the said Presidency Town of Calcutta, Madras or Bombay against injury, and for such purpose to issue a Proclamation notifying the conditions on which such permission is granted, and every person convicted before a Magistrate of Police of offending against such Proclamation shall forfeit and pay a sum not exceeding Rupees One Hundred, besides being liable in damages to any party injured thereby either in his person or property.

NOTICE.—With reference to the London Post Master General's Notification regarding the rates of postage to be charged upon Letters received from Bombay by the Government Express, which was published with a notice from this Office of yesterday's date, the following Letter since received from the Post Master General of Bombay on the subject, is also published for general information.

W. TAYLER,
*Post Master General.*

*Fort William, Genl. Post Office,*
*The 24th July,* 1847.

*No.* 966 *of* 1847.
*General Department.*

To W. TAYLER, Esquire,
*Post Master General, Calcutta.*

SIR,—Adverting to my Letter, dated the 2d instant, I have the honor to suggest for your consideration, whether it would not be advisable to publish a Notice in the Calcutta Papers, intimating to the public generally, especially the Mercantile Community, that, if they desire their Overland Letters, to be forwarded on by the Government Overland Express, they should request their Correspondents to mark "per Express," and to keep within the *limited weight of two tolas;* and that, meanwhile, until the system becomes generally known, they ought to advise me, whether they wish any of their Letters, not so marked, to be sent on from Bombay by the Express.

2d.—By the last Express I dispatched as usual a number of Overland Letters, not especially marked, because, had I not done so, great disappointment would have been experienced by parties in Calcutta; but I intend to discontinue the practice, after a sufficient time has elapsed to admit of the public becoming aware of the privilege conceded by the Notification of May issued by the London General Post Office, and to dispatch by the Overland Express those Letters only which are so marked.

3d.—The public ought moreover to be most especially warned not to mark "per Express" on letters *exceeding two tolas in weight*, because such letters cannot be so dispatched. They will invariably be detained (as was the case on the arrival of the last Mail,) for transmission by the post regular dawk, dispatched after the Express.

4th.—I shall feel much obliged by your favoring me with a list of "Newspaper Offices" in Calcutta, and by your informing the parties connected therewith that not more than two papers (whether sent out from England marked "per Express," or posted in Bombay to go by Express) will, in future, be forwarded by the Government Express. Some of the Newspaper Offices have as many as six Overland Papers marked "per Express," but, as they cannot be so forwarded, it is useless to have them so marked.

5th.—The new rule limits the weight of a Newspaper to 3 *tolas*, but, if that were acted up to, the Newspaper Offices would be deprived altogether of the privilege conceded by the Notification of May last, as an Overland Paper invariably weighs more than 3 and generally very nearly 6 tolas. I have therefore determined to send two Overland Papers to each Office, *without reference to that limit*, and shall continue the practice until I receive orders to the contrary from Government or the Home Authorities.

I have, &c.,

NOTICE.—The following Notice of the Post Master General of London, received through the Post Master General of Bombay, is published for general information.

W. TAYLER, *Post Master Genl.*

*Calcutta, Genl. Post Office,*

GENERAL POST OFFICE, MAY 1847.

The Post Master General having been informed by the Court of Directors of the East India Company, that on and after the 1st June next, persons in this Country may forward private correspondence by the Government Express from Bombay to Calcutta and Madras, all persons desirous of availing themselves of this privilege, will be required to mark upon the covers of their letters the words "By Express from Bombay," and in addition to this special address, it will be necessary, that all letters intended to be forwarded by the way of Southampton, should be so endorsed as hitherto; the postage to be charged in India in the delivery of letters sent by this Express will be in addition to the ordinary Inland rates.

One Rupee for every letter not exceeding half a tola in weight.

Two Rupees for every letter above half a tola, but not exceeding one tola in weight.

Four Rupees for every letter above one tola, but not exceeding two tolas in weight, two tolas being the maximum weight of letters to be conveyed by Express.

On Newspapers, each Newspaper Office in Calcutta and Madras, will be allowed to receive two Newspapers at the ordinary rates of Inland postage, on all other Newspapers forwarded by Express a postage of five Rupees each will be charged, and no Newspaper will be received for the Express exceeding three tolas in weight.

N. B. One tola and a quarter is nearly equivalent to half an ounce avoirdupoise.

*Pre-Payment of Indian (Inland and Ship) Postage on Covers forwarded to Hong Kong.*

NOTICE is hereby given, that in conformity to the instructions of Her Majesty's Post Master General, no Letter or Newspaper will, in future, be received at this Office for transmission to Hong Kong, unless the entire amount of Indian (Inland and Ship) Postage due for the conveyance of the same to its ulterior destination, shall be previously paid by the Sender at the time of posting at the Despatching Office.

It is to be distinctly understood that this rule does not apply to the description of covers forwarded by the Peninsular and Oriental Company's Contract Steamers, as on them, the prescribed British Packet rate of Postage is charged.

The Collector has nothing to do with the landing of Packages from Ships, nor with forwarding them to their owners or destinations.

## NOTIFICATION.

*Fort William, the 16th December*, 1847.

OPIUM.—Notice is hereby given, that on Monday, the 27th December, 1847, at the hour of Eleven o'Clock in the forenoon, will be put up to Sale at the Exchange Rooms, at Calcutta, and sold by Public Auction, for Exportation by Sea, the undermentioned quantity of Opium, the provision of 1846-47, subject to the following Conditions, viz.

| | | |
|---|---|---|
| Produce of Behar Agency, | Chests | 1,830 |
| Ditto of Benares ditto, | „ | 780 |
| Total Chests, | | 2,610 |

## CONDITIONS OF SALE.

1st.—The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2d.—The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price; except under the circumstances for which provision is made by Clause 12th of the Conditions of Sale.

3d.—The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M; but if at that hour any of the lots advertized for Sale shall remain unsold, the Sale may at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following

(not being Sunday or a public Holiday) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of; or, if the quantity of 2,610 Chests shall not be sold on the day advertized, the Board may dispose of the Lots which remain on hand at a future Sale.

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 25 per Cent. even money of the amount for which each lot is knocked down, shall be made by the purchaser in the Sale Room, and before the lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the Purchasers at this Office, by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Wednesday, the 29th December 1847; or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid, shall have been delivered in, shall be re-sold at such time or times, and under such conditions of re-sale as the Board of Customs, Salt and Opium, shall see fit, and all losses and expences whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 29th December 1847, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th.—No Tender of Money, Sub-Treasurer's Receipts or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 29th December, will be afterwards accepted.

8th.—The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday the 11th January 1848, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or any Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium, shall think fit, and the first Purchaser shall further be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when clearance has been made by the said Purchaser or his order.

11th.—The Officer Superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bonâ fide bidder for a lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the Purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the Purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1—Certificate of the Opium now advertized for Sale.

No. 2—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the year 1846-47, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and

Benares, and a statement of the average weight of the chests indiscriminately taken for the purpose of comparison from the dispatches on arrival at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertised for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

18th.—The Public are hereby informed, that in addition to the quantity above mentioned, the following quantities more or less of Behar and Benares Opium of 1846-47, will be brought to sale in the present season on or about the dates specified below:

And such process of arrest or confinement, or an attempt to effect such process, shall in no case be omitted where it may be practicable;—but where resistance may be made, or from other circumstances such process may be impracticable, the offender or offenders shall be liable to trial and punishment at any subsequent period, within the limitations provided in these Articles of War.

ARTICLE 71.

No person shall be liable to be tried or punished for any offence against these Articles, which shall appear to have been committed *more than three years* previous to the order directing the assembly of the Court Martial whereby he is to be tried, unless the person accused, by reason of his absenting himself, or some other manifest impediment, shall not have been amenable to justice within that period; in which case such person shall be liable to be tried, at any time not exceeding *two years* after the impediment shall have ceased.

ARTICLE 72.

Any person amenable to these Articles of War, who may commit any offence against the same, may be tried and punished for such offence in any place within the British Territories, or elsewhere, where he may have come after the commission of the offence, in the same manner as if the offence had been committed where such trial shall take place.

And a General Court Martial may sentence any Non-Commissioned Officer to be Reduced to the ranks;—or may sentence any Non-Commissioned Officer or Soldier to be Dismissed the service;—or to be Placed lower in the list of the rank which he holds (which shall not involve any forfeiture of service or other advantage, except that of standing,) or may sentence any Soldier to suffer Corporal Punishment not exceeding *fifty lashes*;—or Imprisonment with or without hard labour not exceeding *two years*;—and to be kept in solitary confinement for any portion or portions of such Imprisonment, not exceeding twenty-eight days at a time, nor eighty-four days in any one year, with intervals between the periods of solitary confinement, of not less duration than such periods of solitary confinement. By order of the Right Hon'ble the Governor General in Council,

*Fort William, Home Department, Legislative, the 18th December*, 1847.

The following Act passed by the Governor General of India in Council on the 18th of December 1847, is hereby promulgated for general information.

ACT No. XX. OF 1847.

*An Act for the encouragement of learning in the Territories subject to the Government of the East India Company, by defining and providing for the enforcement of the right called Copyright therein.*

Whereas doubts may exist whether the right called Copyright can be enforced by the Common Law of England in those parts of the Territories

subject to the Government of the East India Company into which the Common Law of England has been introduced:

And whereas doubts may exist whether the said right can be enforced by virtue of the principles of equity and good conscience in the other parts of the Territories subject to the Government of the East India Company:

And whereas for the encouragement of learning it is desirable that the existence of the said right should be placed beyond doubt, and that the said right should be made capable of easy enforcement in every part of the said Territories:

And whereas it is doubtful whether the Act of Parliament 5 and 6, Victoria, C. 45, entitled "*an Act to amend the Law of Copyright*," although such Act extend to every part of the British Dominions, has made appropriate and sufficient provision for the enforcement in every part of the said Territories subject to the Government of the East India Company of the said right by proprietors thereof: and whether the said Act of Parliament has made provision for the enforcement of the said right by or against any persons not being subject to the jurisdiction of the Courts established by Her Majesty's Charter:

I. It is therefore hereby enacted, that the Copyright in every book published in the life-time of its author within the said Territories after the passing of the Act of Parliament 3and 4, Wm. 4, C. 85, entitled "*an Act for effecting an arrangement with the East India Company and for the better government of His Majesty's Indian Territories till the 30th day of April*, 1854," shall endure for the natural life of such author, and for the further term of seven years commencing at the time of his death and shall be the property of such author and his assigns: Provided always, that if the said term of seven years shall expire before the end of forty-two years from the publication of such book, the Copyright shall in that case endure for such period of forty-two years; and that the Copyright in every book published after the death of its author and after the passing of the Act of Parliament last aforesaid shall endure for the term of forty-two years from the first publication thereof and shall be the property of the proprietor of the author's manuscript, from which such book shall be first published, and his assigns.

II. And whereas it is expedient to provide against the suppression of books of importance to the public: It is enacted, that it shall be lawful for the Governor General in Council on complaint made to them that the proprietor of the Copyright in any book published after the passing of this Act within the said Territories, has after the death of its author refused to republish or to allow the republication of the same, and that by reason of such refusal such book may be withheld from the public, to grant a licence to such complainant to publish such book in such manner and subject to such conditions as they may think fit, and it shall be lawful for such complainant to publish such book according to such licence.

III. And it is hereby enacted, that a Book of Registry wherein may be registered as hereinafter enacted the proprietorship in the Copyright of books and assignments thereof, and licences affecting such Copyright, shall be kept in the office of the Secretary to the Government of India for the Home Department, and shall at all convenient times be opened to the inspection of any person on payment of Eight Annas for every entry which shall be searched for or inspected in the said book, and that such Officer shall whenever thereunto reasonably required, give a copy of any entry in such book certified under his hand, to any person requiring the same on payment to him of the sum of Two Rupees, and such copies so certified shall be received in evidence in all Courts and in all summary proceedings, and shall be *prima facie* proof of the proprietorship or assignment of Copyright or licence as therein expressed, but subject to be rebutted by other evidence.

IV. And it is enacted, that if any person shall wilfully make or cause to be made any false entry in the Registry Book aforesaid, or shall wilfully produce, or cause to be tendered in evidence any paper falsely purporting to be a copy of any entry in the said Book, he shall be guilty of a misdemeanour and shall be punished with imprisonment with or without hard labour for a term not exceeding three years.

V. And it is enacted, that after the passing of this Act, it shall be lawful for the proprietor of Copyright in any book published, after the passing of the said Act of Parliament 3 and 4, Wm. 4, C. 85, to make entry in the Registry Book of the title of such book, the time of the first publication, and the name and place of abode of the publisher thereof, and the name and place of abode of the proprietor of the Copyright of the said book, or of any portion of such Copyright in the form in that behalf given in the Schedule to this Act annexed upon payment of the sum of Two Rupees to the said Secretary, and that it shall be lawful for every such registered proprietor to assign his interest or any portion of his interest therein, by making entry in the said Book of Registry of such assignment, and of the name and place of abode of the Assignee thereof in the form given in that behalf in the said Schedule on payment of the like sum; and such assignment so entered shall be effectual in Law to all intents and purposes whatsoever without being subject to any stamp or duty, and shall be of the same force and effect as if such assignment had been made by Deed.

VI. And it is enacted, that if any person shall deem himself aggrieved by any entry made under colour of this Act in the said Book of Registry, it shall be lawful for such person to apply by motion to the Supreme Court of Calcutta, or if the Court shall not be then sitting to any Judge of such Court sitting in Chambers for an order that such entry may be expunged or varied, and that upon any such application to the said Court, or to a Judge as aforesaid, such Court or Judge shall make such order for expunging, varying or confirming such entry either with or without costs, as to such Court or Judge shall seem just, and the said Secretary shall on the production to him of any such order for expunging or varying any such entry, expunge or vary the same according to the requisitions of such order.

VII. And it is enacted, that if any person shall after the passing of this Act print or cause to be printed either for sale or exportation, any book in which there shall be subsisting Copyright without the consent in writing of the proprietor thereof, or shall have in his possession for sale or hire any such book so unlawfully printed without such consent as aforesaid, such offender if he shall have so offended wit hin the local limits of the jurisdiction of any of the Courts of Judicature established by Her Majesty's Charter, shall be liable to a

special action on the case in such Court, and if he shall have so offended in any other part of the Territories subject to the Government of the East India Company to a suit in the Zillah Court within the jurisdiction of which he shall have so offended, which shall and may be prosecuted in the same manner in which any other action of damages may be brought and prosecuted there, and if he shall have so offended in any such last-mentioned part of the Territories subject to the Government of the East India Company in which there is no Zillah Court, to a suit in the highest local Court exercising original Civil jurisdiction in such part of the said Territories.

VIII. And it is hereby enacted, that after the passing of this Act in any suit or action brought in any of the Courts of Judicature established by Her Majesty's Charter under the provisions of this Act against any person for printing any such book for sale, hire or exportation, or for selling, publishing or exposing to sale or hire, or causing to be sold, published or exposed to sale or hire, or for having in his possession for sale or hire any such book so unlawfully printed, the defendant on pleading thereto shall give to the plaintiff a notice in writing of any objections on which he means to rely on the trial of such action, and if the nature of his defence be that the plaintiff in such action was not the author or first publisher of the book in which he shall by such action claim Copyright, or is not the proprietor of the Copyright therein, or that some other person than the plaintiff was the author or first publisher of such book, or is the proprietor of the Copyright therein, then the defendant shall specify in such notice the name of the person who he alleges to have been the author or first publisher of such book, or the proprietor of the Copyright therein, together with the title of such book, and the time when and the place where such book was first published, otherwise the defendant in such action shall not at the trial or hearing of such action be allowed to give any evidence that the plaintiff in such action was not the author or first publisher of the book in which he claims such Copyright as aforesaid, or that he was not the proprietor of the Copyright therein, and at such trial or hearing no other objection shall be allowed to be made on behalf of such defendant than the objections stated in such notice, or that any other person was the author or first publisher of such book, or the proprietor of the Copyright therein than the person specified in such notice, or give in evidence in support of his defence any other book than one substantially corresponding in title, time and place of publication with the title, time and place specified in such notice.

IX. And it is hereby enacted, that after the passing of this Act in any such suit or action as last aforesaid brought in any Zillah Court or other local Court as aforesaid the defendant shall state in his answer all such matters as he means to rely on and which by the last preceding Section the defendant in any suit or action brought in any of the Courts of Judicature established by Her Majesty's Charter is required to give notice of in writing, otherwise such defendant shall be subject to the same consequences for any omission in his answer as a defendant is made subject to by the last preceding Section for any omission in his notice.

X. And it is hereby enacted, that when any publisher or other person shall within the said Territories before or at the time of the passing of this Act, but after the passing of the said Act of Parliament 3 and 4, Wm. 4, C. 85, have projected, conducted and carried on, or shall hereafter project, conduct or carry on, or be the proprietor of any Encyclopœdia, Review, Magazine, Periodical work or work published in a series of Books or Parts, or any book whatsoever, and shall have employed or shall employ any persons to compose the same, or any Volumes, Parts, Essays, Articles or Portions, thereof for publication in, or as part of the same, and such Work, Volumes, Parts, Essays, Articles or Portions shall have been, or shall hereafter be composed under such employment on the terms that the Copyright therein shall belong to such Proprietor, Projector, Publisher or Conductor, and paid for by such Proprietor, Projector, Publisher or Conductor, the Copyright in every such Encyclopœdia, Review, Magazine, Periodical work and work published in a series of Books or Parts, and in every Volume, Part, Essay, Article and Portion so composed and paid for shall be the property of such Proprietor, Projector, Publisher or Conductor, who shall enjoy the same rights as if he were the actual author thereof and shall have such term of Copyright therein as is given to the authors of Books by this Act, except only that in the case of Essays, Articles or Portions forming part of and first published in Reviews, Magazines or other Periodical works of a like nature after the term of twenty-eight years from the first publication thereof respectively the right of publishing the same in a separate form shall revert to the author for the remainder of the term given by this Act. *Fort William, Home Department, Legislative, the 18th December, 1847.*

The following Draft of a proposed Act was read in Council for the first time on the 18th of December, 1847:

Act No. —— of 1847.

*An Act for preventing the dangers arising from Gunpowder and Fireworks within the limits of the Presidency Towns of Calcutta, Madras and Bombay.*

I. It is hereby enacted, that the Rule, Ordinance and Regulation passed by the Governor General in Council on the 8th April, 1802, and Section II. Act XVIII. of 1841, be repealed.

II. And it is hereby enacted, that if any person (unless licenced as hereinafter provided) shall within the limits of the Presidency Town of Calcutta, Madras or Bombay, manufacture Gunpowder, or have in his possession in any house, shop, warehouse or other building, at any one time, a greater quantity of Gunpowder for sale or otherwise than ten pounds, he shall, on conviction, before a Magistrate of Police, be liable to a forfeiture of all such Gunpowder so manufactured or possessed, together with the vessel or receptacle in which it may be seized, and also to a fine not exceeding in amount the sum of Rupees Five Hundred.

III. And it is hereby enacted, that it shall be lawful for the Chief or Senior Magistrate of Police to grant to any person (whom he shall deem fit and proper) a licence for the manufacture of Gunpowder, or for the sale or keeping in deposit within the limits of the Presidency Town of Calcutta, Madras or Bombay, any quantity of imported or Indian manufactured Gunpowder not exceeding fifty pounds on such conditions and subject to such regulations as shall be specified in the licence and shall be approved of by the local Government: and any person who shall be guilty of a breach of any of such conditions and regulations shall, on conviction, before a Magistrate of Police, be liable to a forfeiture of his licence and of all Gunpowder so manufactured, together with all implements used in such manufacture, or so sold or kept in deposit contrary thereto, and also to a fine not exceeding Rupees Two Hundred.

IV. And it is hereby enacted, that no person or persons whatever being a dealer or dealers, or manufacturer or manufacturers of Gunpowder, shall keep at any one time at his or their house, shop, place of manufacture, warehouse or other building, more of the mixed materials required for making Gunpowder than may be sufficient for the manufacture of fifty pounds weight of Gunpowder, and any person or persons who shall be guilty of a breach of this rule shall, on conviction, before a Magistrate of Police, be liable to a forfeiture of his or their licence and of all such mixed materials, together with the vessels or receptacles in which they may be seized, and also to a fine not exceeding Rupees Two Hundred.

V. And it is hereby enacted, that every such licence as is mentioned in Section III. shall be in force for a period of one year only and no longer, but shall be renewable by the said Chief or Senior Magistrate at his discretion on the same or any other terms and conditions, to be subject in like manner to the approval of the local Government, and such licence shall also provide for the transit and carrying of Gunpowder from one place to another within the limits of the said Presidency Town of Calcutta, Madras or Bombay, in such manner and in such quantity as shall be deemed advisable for the safety of the inhabitants and of property within the said Presidency Towns, and every person offending against such provisions shall be liable to a fine not exceeding Rupees Fifty, and every person obtaining such licence as aforesaid, shall pay a fee of Rupees Two for the same to the said Chief or Senior Magistrate to be applied as the fines under this Act.

VI. And it is hereby enacted, that any Magistrate of Police on credible information laid before him on oath or solemn affirmation that Gunpowder or mixed materials for making the same contrary to the provisions of this Act, are suspected to be stored, kept or possessed by any person or persons, may issue his warrant for searching in the day-time any house, shop, magazine or other building or place in which he has reasonable ground to suspect any Gunpowder to be manufactured, sold or kept, or any boat, carriage, cart or other vehicle in which any Gunpowder or materials for manufacturing the same may be suspected to be carried, or any person or persons suspected of carrying the same contrary to such licence or to the provisions of this Act, and all Gunpowder, or materials for manufacturing the same found on such search shall, together with the vessels or receptacles in which they may be stored be immediately seized by such searcher or searchers and brought before a Magistrate of Police with whom the same shall be kept till it shall be adjudged whether the same shall be forfeited.

VII. Provided, that the preceding Sections of this Act shall not extend to any Government magazine, or store or building for the making or deposit of Gunpowder under the authority or for the use of the Government, or to any Gunpowder for the use of Her Majesty's or the East India Company's Troops, or otherwise for the service of Government, or to any of Her Majesty's Vessels of War, or the Vessels of the Indian Navy or of the East India Company's Marine, or to any other Vessel within the River Hooghly, or the Port Road or Harbour of Madras or Bombay laden with Gunpowder for importation or exportation

VIII. Provided also and it is hereby enacted, that Commanders of Merchant Vessels entering the River Hooghly shall on or before the arrival of their Vessels off Moyapore deposit in the Magazine at that place all Gunpowder intended for the Ship's use, from on board their respective Vessels, exceeding the quantity of one hundred pounds, which quantity they shall be permitted to retain in their Vessels for the purpose of firing Salutes or Signals in case of distress, and the Gunpowder so deposited shall be again delivered on board on the return of the respective Vessels from Calcutta in prosecution of the outward voyage: and it is hereby enacted, that Commanders of Merchant Vessels in the River Hooghly having on board their Vessels

Gunpowder for importation (not being Gunpowder belonging to the Government) exceeding the quantity of fifty pounds, shall deposit the same on or before the arrival of their Vessels off Fort William or the Town of Calcutta in the Magazine at Howrah, under charge of an Officer belonging to the Customs at that place, or such other person as the Governor of Bengal may appoint; and the Proprietors or Consignees of such Gunpowder or their Agents, whenever they shall desire to remove the same from the Mazagine, shall make application to the Collector of Sea Customs for authority to do so, which application when it be intended that such Gunpowder shall be lodged in any place or be laden in any boat or other conveyance within the limits of the Town, shall be accompanied by a written order of permission, signed by a Magistrate of Police to that effect, and when it be intended, that such Gunpowder shall be exported by Sea, the Commanders of Vessels, or the Proprietors or their Agents, by whom it shall have been deposited in the Magazine shall make application to the Collector of Sea Customs for permission so to export it; and the Collector of Sea Customs shall comply with such applications aforesaid, except where the exportation of ammunition shall require, under provisions of Act XVIII. of 1841, a licence from a Public Officer other than the Collector of Sea Customs, in which case the Collector of Sea Customs shall not comply with the application unless it be accompanied by the licence of such Public Officer, and on or before the removal of all Gunpowder from the Magazine, the Collector of Sea Customs shall and he is hereby authorized to levy a fee, the rate of which shall not be exceeding two annas per pound, for all Gunpowder that has been lodged therein, which fee, (not to exceed the rate of two annas per pound as aforesaid, and to be regulated by such Orders as the Governor of Bengal may from time to time issue for the purpose) shall be taken to cover all charges for the safe custody of the Gunpowder during the period it has remained or shall remain in the Magazine. Provided also and it is hereby enacted, that the Governor of Bengal shall be at liberty to authorize such arrangement to be made by letting or otherwise contracting for the custody of the Magazine, and for the collection and appropriation of the fee which may be charged for Gunpowder stored therein as he may think proper, subject, however, to all the restrictions and rules imposed by this Section of this Act in respect to the removal from the Magazine of Gunpowder therein stored.

IX. And it is hereby enacted, that for every act done or omitted to be done contrary to the provisions in the last preceding Section of this Act by the Commander of any Merchant Vessel in the Port of Calcutta the Commander aforesaid shall forfeit the sum of Two Hundred Rupees, and the Collector of Sea Customs is hereby empowered to enforce the said penalty: Provided also and it is hereby enacted, that the Collector shall not grant a Port Clearance for any Vessel in which such penalty shall have been incurred until it have been paid. And the Collector of Sea Customs is hereby empowered to search for any quantity of Gunpowder which he may have reason to believe to be on board a Merchant Vessel in the Port of Calcutta contrary to the provisions of this Act, and to seize it and detain it in the Magazine at Howrah as a forfeiture to the Government to be dealt with as the Governor of Bengal shall think right to direct.

X. And it is hereby enacted, that if any person, except on public festivals or occasions as hereinafter mentioned shall in any highway, street or thoroughfare, or within twenty-five feet thereof, set fire to or wantonly let off or throw any squib or other firework, or send up any fire balloon, or make or assist in making any bonfire within the said Presidency Town of Calcutta, Madras or Bombay, every person so offending shall forfeit and pay a sum not exceeding Rupees Fifty, and if any person shall in any house, shop or other building adjoining to any public road or thoroughfare set fire to or let off any squib or other firework within the said Towns, he shall forfeit and pay a fine not exceeding Rupees Fifty, and if such person be not the owner or occupier of any such house, shop or other building, and have the permission, express or implied of the owner or occupier thereof to set fire to or let off such squib or other firework, then such owner or occupier shall also forfeit and pay a fine not exceeding Rupees Fifty.

XI. And it is hereby enacted, that notwithstanding the provisions in the last Section, it shall be lawful for the Chief or Senior Magistrate of Police on any public festivals or days of private or family rejoicings among the Natives to permit the discharge of fireworks, and the making of bonfires in such places, and at such times and under such restrictions and limitations as to the said Chief or Senior Magistrate may seem fit for the protection of property and the persons of the inhabitants of the said Presidency Town of Calcutta, Madras or Bombay against injury, and for such purpose to issue a Proclamation notifying the conditions on which such permission is granted, and every person convicted before a Magistrate of Police of offending against such Proclamation shall forfeit and pay a sum not exceeding Rupees One Hundred, besides being liable in damages to any party injured thereby either in his person or property.

XII. And it is hereby enacted, that all fines, forfeitures and penalties incurred under this Act may be recovered in the form and mode prescribed by Act No. II. of 1839, and shall be paid into the General Treasury for the benefit of the municipal Funds.

XIII. And it is hereby enacted and declared, that the words Presidency Town of Calcutta, Madras or Bombay, as used in this Act, shall for the purposes of it be held and deemed to include all places within the local limits of the jurisdiction of Her Majesty's Supreme Court of Judicature at the said Presidency Towns.

W. TAYLER,
*Post Master General.*

*Fort William, Genl. Post Office,*
*The 24th July,* 1847.

*No. 966 of* 1847.

*General Department.*

To W. TAYLER, Esquire,
*Post Master General, Calcutta.*

SIR,—Adverting to my Letter, dated the 2d instant, I have the honor to suggest for your consideration, whether it would not be advisable to publish a Notice in the Calcutta Papers, intimating to the public generally, especially the Mercantile Community, that, if they desire their Overland Letters, to be forwarded on by the Government Overland Express, they should request their Correspondents to mark "per Express," and to keep within the *limited weight of two tolas*; and that, meanwhile, until the system becomes generally known, they ought to advise me, whether they wish any of their Letters, not so marked, to be sent on from Bombay by the Express.

2d.—By the last Express I dispatched as usual a number of Overland Letters, not especially marked, because, had I not done so, great disappointment would have been experienced by parties in Calcutta; but I intend to discontinue the practice, after a sufficient time has elapsed to admit of the public becoming aware of the privilege conceded by the Notification of May issued by the London General Post Office, and to dispatch by the Overland Express those Letters only which are so marked.

3d.—The public ought moreover to be most especially warned not to mark "per Express" on letters *exceeding two tolas in weight*, because such letters cannot be so dispatched. They will invariably be detained (as was the case on the arrival of the last Mail,) for transmission by the post regular dawk, dispatched after the Express.

4th.—I shall feel much obliged by your favoring me with a list of "Newspaper Offices" in Calcutta, and by your informing the parties connected therewith that not more than two papers (whether sent out from England marked "per Express," or posted in Bombay to go by Express) will, in future, be forwarded by the Government Express. Some of the Newspaper Offices have as many as six Overland Papers marked "per Express," but, as they cannot be so forwarded, it is useless to have them so marked.

5th.—The new rule limits the weight of a Newspaper to 3 *tolas*, but, if that were acted up to, the Newspaper Offices would be deprived altogether of the privilege conceded by the Notification of May last, as an Overland Paper invariably weighs more than 3 and generally very nearly 6 tolas. I have therefore determined to send two Overland Papers to each Office, *without reference to that limit*, and shall continue the practice until I receive orders to the contrary from Government or the Home Authorities.

I have, &c.,

*Administration of Justice.*

And such process of arrest or confinement, or an attempt to effect such process, shall in no case be omitted where it may be practicable;—but where resistance may be made, or from other circumstances such process may be impracticable, the offender or offenders shall be liable to trial and punishment at any subsequent period, within the limitations provided in these Articles of War.

ARTICLE 71.

No person shall be liable to be tried or punished for any offence against these Articles, which shall appear to have been committed *more than three years* previous to the order directing the assembly of the Court Martial whereby he is to be tried, unless the person accused, by reason of his absenting himself, or some other manifest impediment, shall not have been amenable to justice within that period; in which case such person shall be liable to be tried, at any time not exceeding *two years* after the impediment shall have ceased.

ARTICLE 72.

Any person amenable to these Articles of War, who may commit any offence against the same, may be tried and punished for such offence in any place within the British Territories, or elsewhere, where he may have come after the commission of the offence, in the same manner as if the offence had been committed where such trial shall take place.

ARTICLE 73.

The Commander in Chief at the Presidencies of Fort William, Fort Saint George, and Bombay respectively for the time being, may appoint General or other Courts Martial, and confirm, and mitigate or commute, or remit the Sentences of such Courts; and may issue his Warrant to any General or other Officer having the Command of a Body of Troops in the service of Her Majesty, or of the East India Company, empowering such Officer to appoint General, or District, or Garrison Courts Martial as occasion may require, for the trial of offences committed by any of the Officers, or Soldiers, or Followers in the service of the said Company, being Natives of the East Indies, or of other places within the limits of the said Company's Charter, and to confirm, and mitigate or commute, or remit the sentences of such Courts Martial.

ARTICLE 74.

A General Court Martial shall not consist of less than *thirteen* Commissioned Officers, unless it be held out of the East India Company's Territories, where such Court Martial may consist of *seven* Commissioned Officers, if a greater number cannot be conveniently assembled. And no sentence of a General Court Martial shall be put in execution until after a report shall have been made of the whole proceedings to the Commander in Chief, or to some other person duly authorized to confirm the same, and until his directions shall have been signified thereupon.

*Powers of a General Court Martial.*

ARTICLE 75.

A General Court Martial may sentence any Officer or Soldier to Death or Transportation, for any crimes which are by these Articles of War expressly made liable to sentence of Death or Transportation, and for such crimes only.

And when a Commissioned Officer shall be convicted of any offence, of which the punishment is not defined in these Articles of War, or is left discretionary, a General Court Martial may adjudge such Officer to be Dismissed the service;—or to be Suspended from Rank and Pay and Allowances, for a stated period;—or to be Placed lower on the list of his rank, by an alteration of the date of his Commission, thereby losing the corresponding benefit of length of service; and the Court shall in every such sentence specify the extent or degree of Suspension or Reduction, which they shall so adjudge;—or the Court may sentence such Officer to be Reprimanded in such manner as the Commander in Chief may direct.

And a General Court Martial may sentence any Non-Commissioned Officer to be Reduced to the ranks;—or may sentence any Non-Commissioned Officer or Soldier to be Dismissed the service;—or to be Placed lower in the list of the rank which he holds (which shall not involve any forfeiture of service or other advantage, except that of standing,) or may sentence any Soldier to suffer Corporal Punishment not exceeding *fifty lashes*;—or Imprisonment with or without hard labour not exceeding *two years*;—and to be kept in solitary confinement for any portion or portions of such Imprisonment, not exceeding twenty-eight days at a time, nor eighty-four days in any one year, with intervals between the periods of solitary confinement, of not less duration than such periods of solitary confinement. Provided that no Soldier shall be kept in solitary confinement more than eighty-four days in any one year, whether by the sentence of one or more Courts Martial, or by order of his Commanding Officer.

And a General Court Martial may, in addition either to Corporal Punishment, or to Imprisonment, as aforesaid, sentence a Soldier to Forfeiture of all advantage as to additional Pay and to Pension on discharge, which might have otherwise accrued from the length or nature of his former service; or to Forfeiture of such advantage abso-

lutely, whether it might have accrued from past service, or might accrue from future service, according to the nature of the case, for *disgraceful conduct.*

And a General Court Martial may, in addition to the punishment of Dismissal, sentence any Officer or Soldier to forfeit his arrears of Pay and Allowances due at the time of his discharge, or such proportion thereof as may be required, to make good any loss or damage arising out of his misconduct;—And, in addition to any punishment not involving Dismissal from the service, may sentence any Officer or Soldier to be put under Stoppages not exceeding two-thirds of his Pay and Allowances in the case of an Officer, and not exceeding half of his Pay and Allowances in the case of a Non-Commissioned Officer or Soldier, until the amount of such loss or damage be made good.

And in cases of Commissioned Officers Sentenced to be *Dismissed* from the service, the Commander in Chief may, in lieu of such Punishment, direct, that the offender be Suspended from Rank and Pay and Allowances for a certain period, to be distinctly specified by the Commander in Chief.

And the Commander in Chief may commute a Sentence of *Transportation* passed on a Soldier, to Imprisonment with or without Hard Labour, and with or without Solitary Confinement (to be regulated as aforesaid); and such Imprisonment may be either for the same period for which Transportation shall have been awarded, or for any lesser period.

And the Commander in Chief may commute a Sentence of *Corporal Punishment* to Dismissal from the service; or, in the case of a Non-Commissioned Officer may mitigate such Sentence to Reduction to the ranks; or in the case of a Non-Commissioned Officer or Soldier may commute such Sentence to Imprisonment without Hard Labour, and with or without Solitary Confinement (to be regulated as aforesaid,) for any period not exceeding *two years.*

In cases of Non-Commissioned Officers Sentenced to be *Dismissed* from the service, the Commander in Chief may, in lieu of such punishment, direct that the offender be Reduced to the ranks, or placed lower in the list of the rank which he holds; (which shall not involve any forfeiture of service or other advantage, except that of standing.)

And in cases of offenders Sentenced to *Imprisonment with Hard Labour,* the Commander in Chief may mitigate such Sentence by causing the offender to be Reduced to the ranks, in the case of a Non-Commissioned Officer; or in the case of a Non-Commissioned Officer or Soldier by directing that he be Dismissed from the service; or suffer Imprisonment without Hard Labour, and with or without Solitary Confinement, (to be regulated as aforesaid,) for any period not exceeding that for which he shall have been Sentenced to such Imprisonment with Hard Labour.

ARTICLE 77.

And such District, or Garrison Court Martial may be composed of Officers of the same Regiment, and shall be assembled in conformity with the orders of the Commander in Chief.

And the Sentence of a District, or Garrison Court Martial shall be confirmed by the Commander in Chief, or by some Officer duly authorized to confirm the same.

---

*Commutation of Sentence.*

And the Commander in Chief is empowered to remit, or mitigate, or commute the Sentences of such Courts Martial, in the same manner as the Sentences of General Courts Martial; and to delegate to or withhold from Commanding Officers the power of convening such Courts Martial, and of confirming, remitting, mitigating, or commuting the Sentences of such Courts *(not including forfeiture of pay or pension or other advantage),* as the Commander in Chief may deem to be most expedient.

And in case of any Sentence, including forfeiture of additional Pay or of Pension on Discharge, or of any prospective advantage, such Sentence shall not be carried into effect until confirmed by the Commander in Chief; and all forfeitures of any present or prospective advantage shall be restorable by the same authority.

And no Sentence of a Regimental Court Martial shall be of force until the Commanding Officer shall have confirmed the same. Provided that such Commanding Officer shall have power to remit all Sentences whatever passed by such Court, and thereupon to cause the offender to be released and to return to his duty.

*Commutation of Sentence.*

And such Commanding Officer shall have power to confirm and carry into effect or to mitigate all Sentences whatever passed by such Court; and to commute a Sentence of *Corporal Punishment* to Imprisonment without Hard Labour, and with or without Solitary Confinement, (to be regulated as aforesaid,) for any period for which such Court is competent to Sentence an offender to suffer Imprisonment and in the same manner; and to mitigate a Sentence of *Dismissal* in the case of a Non-Commissioned Officer, to Reduction to the Ranks;—and to commute a Sentence of *Imprisonment with Hard Labour*, to Dismissal; or to mitigate such Sentence to Reduction to the Ranks; or to Imprisonment without Hard Labour.
